**Farmer John planned to have
Elizabeth marry Abner, who
lived nearby.**

**Elizabeth and Jehu took the
wool to market. My brothers
and I carried the wool.**

**We ran into thieves who captured
all of the donkeys and
stole the wool.**

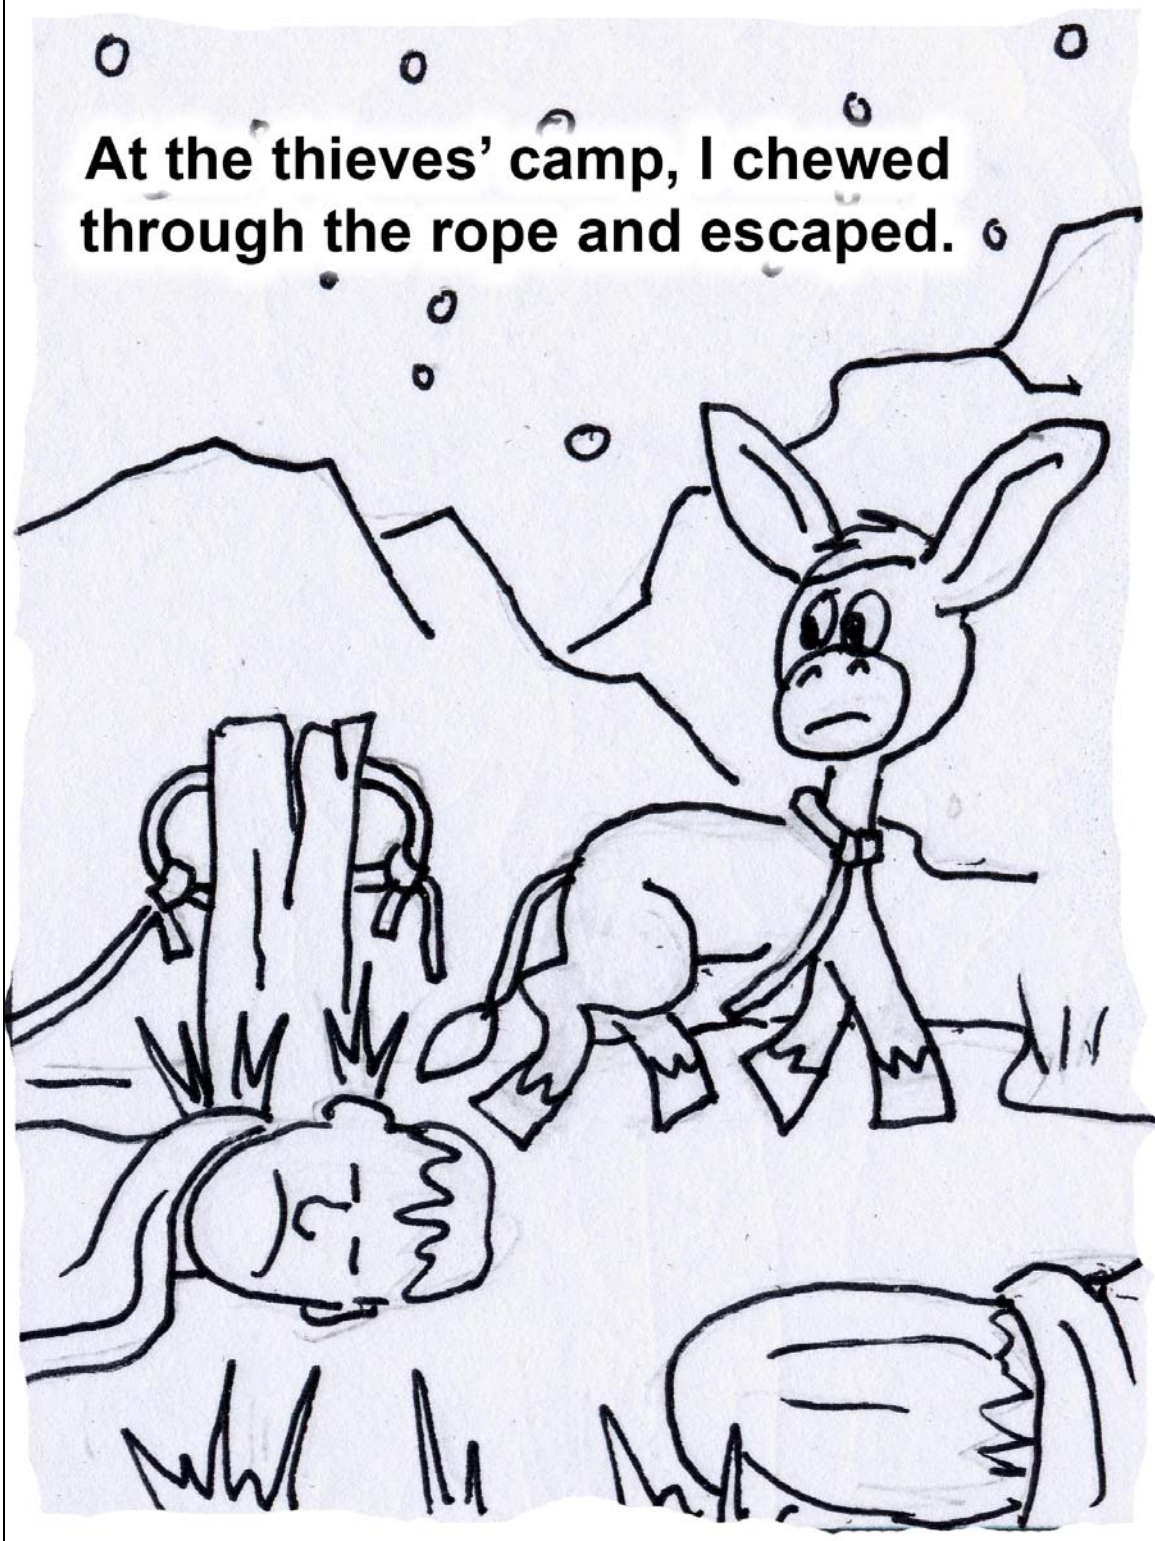

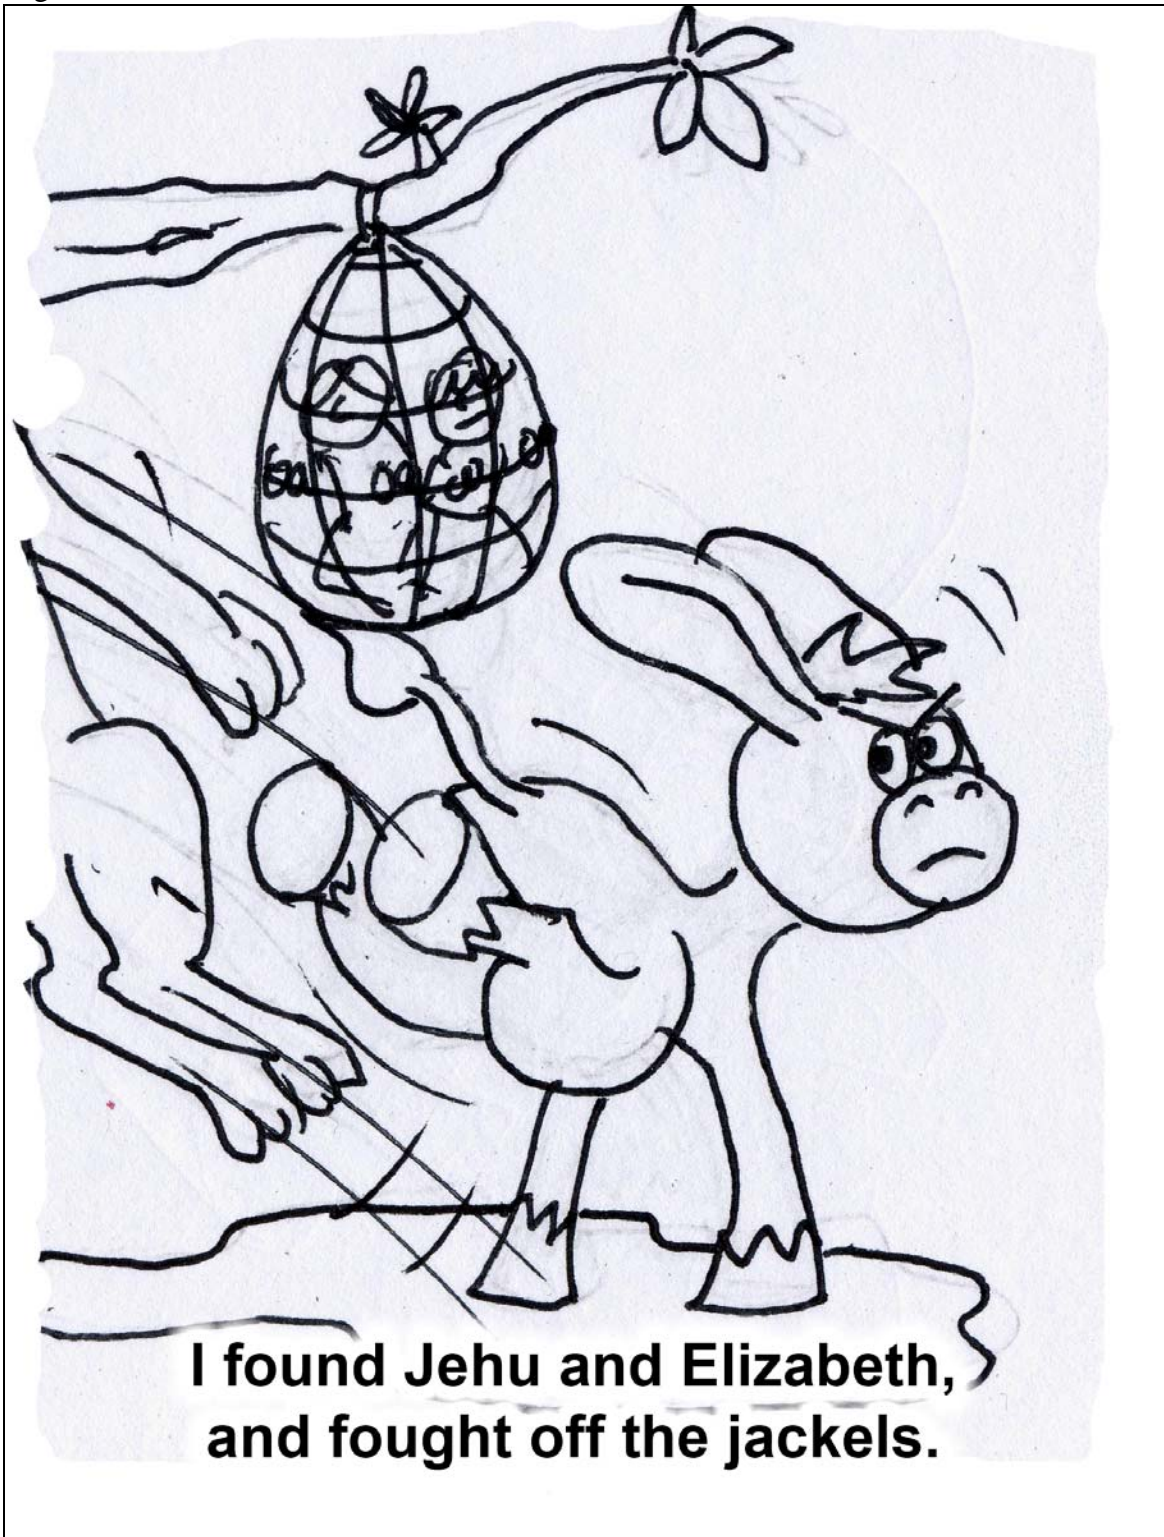

The thieves left Jehu and Elizabeth hanging in a net from a tree.

**That night, jackels
tried to attack them!**

**At the thieves' camp, I chewed
through the rope and escaped.**

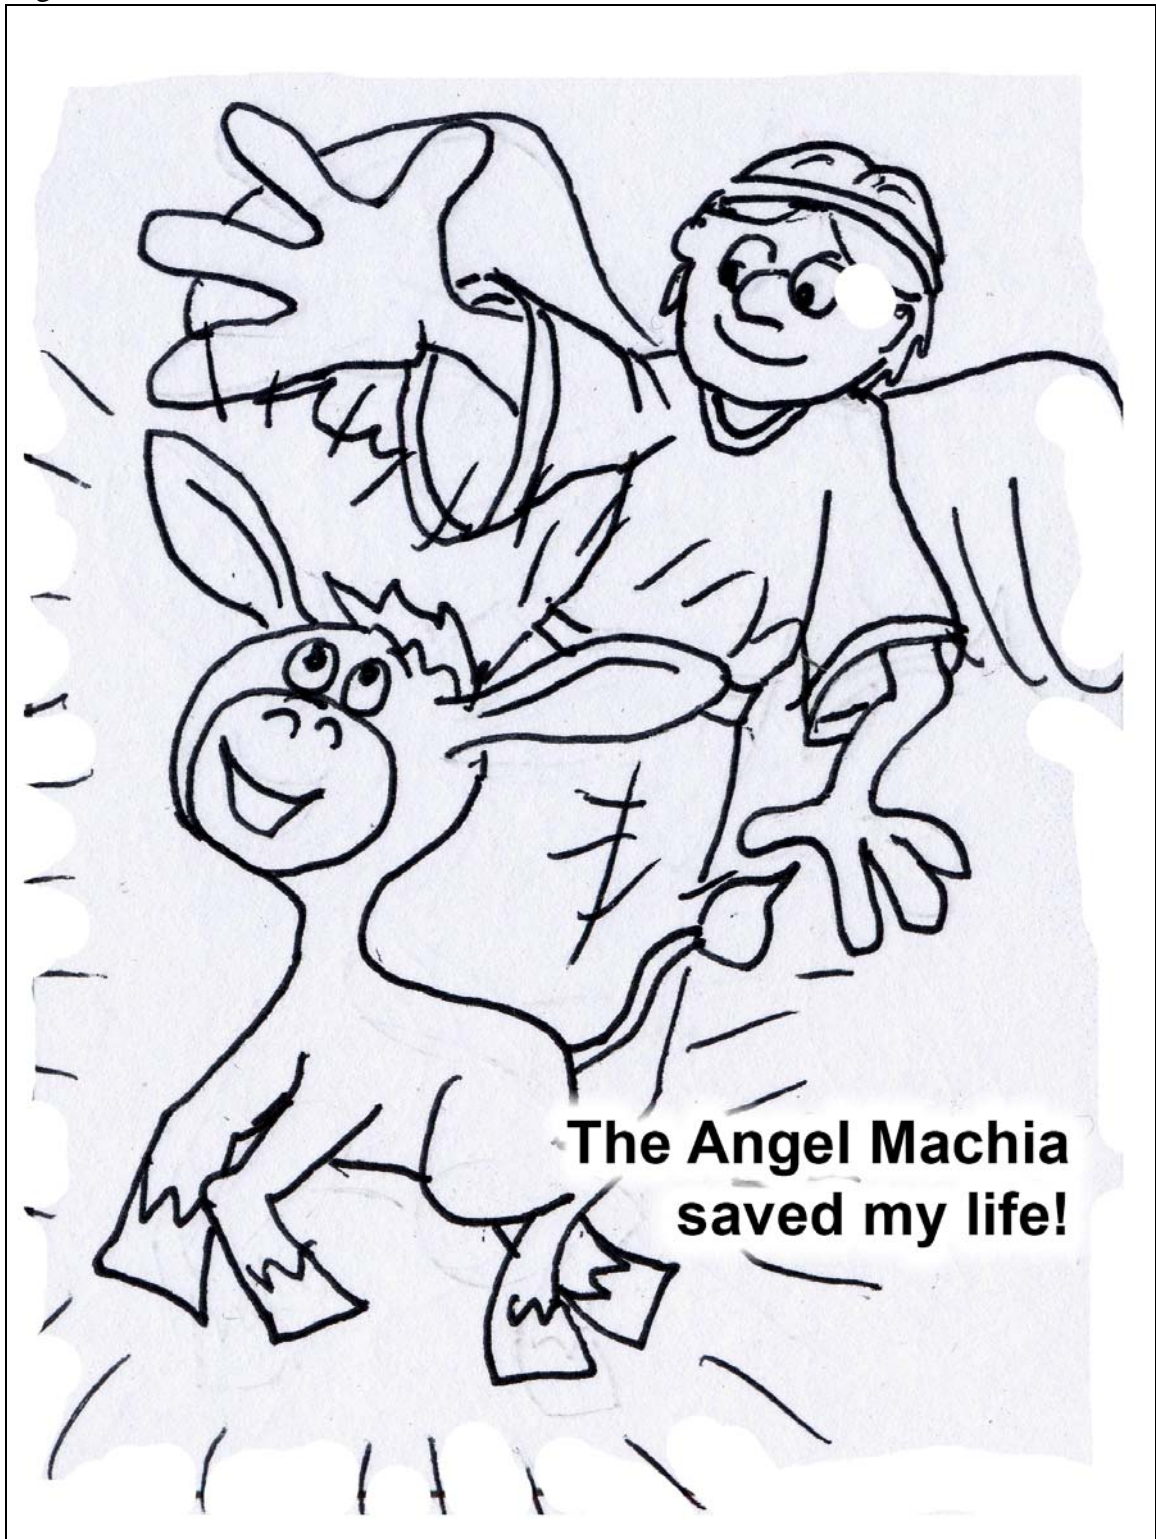

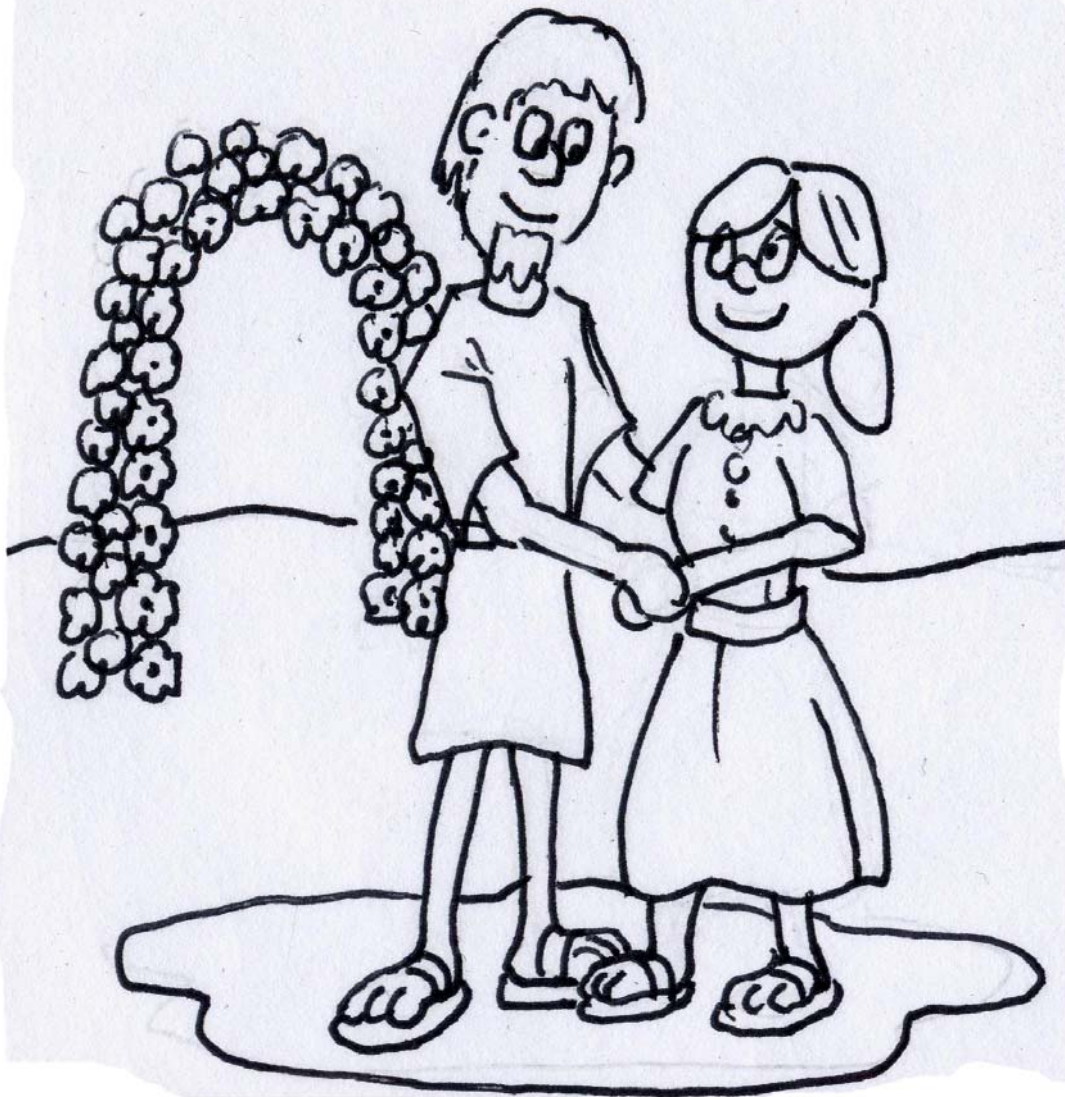

**I found Jehu and Elizabeth,
and fought off the jackels.**

**Abner showed up to save us,
but I was badly injured.**

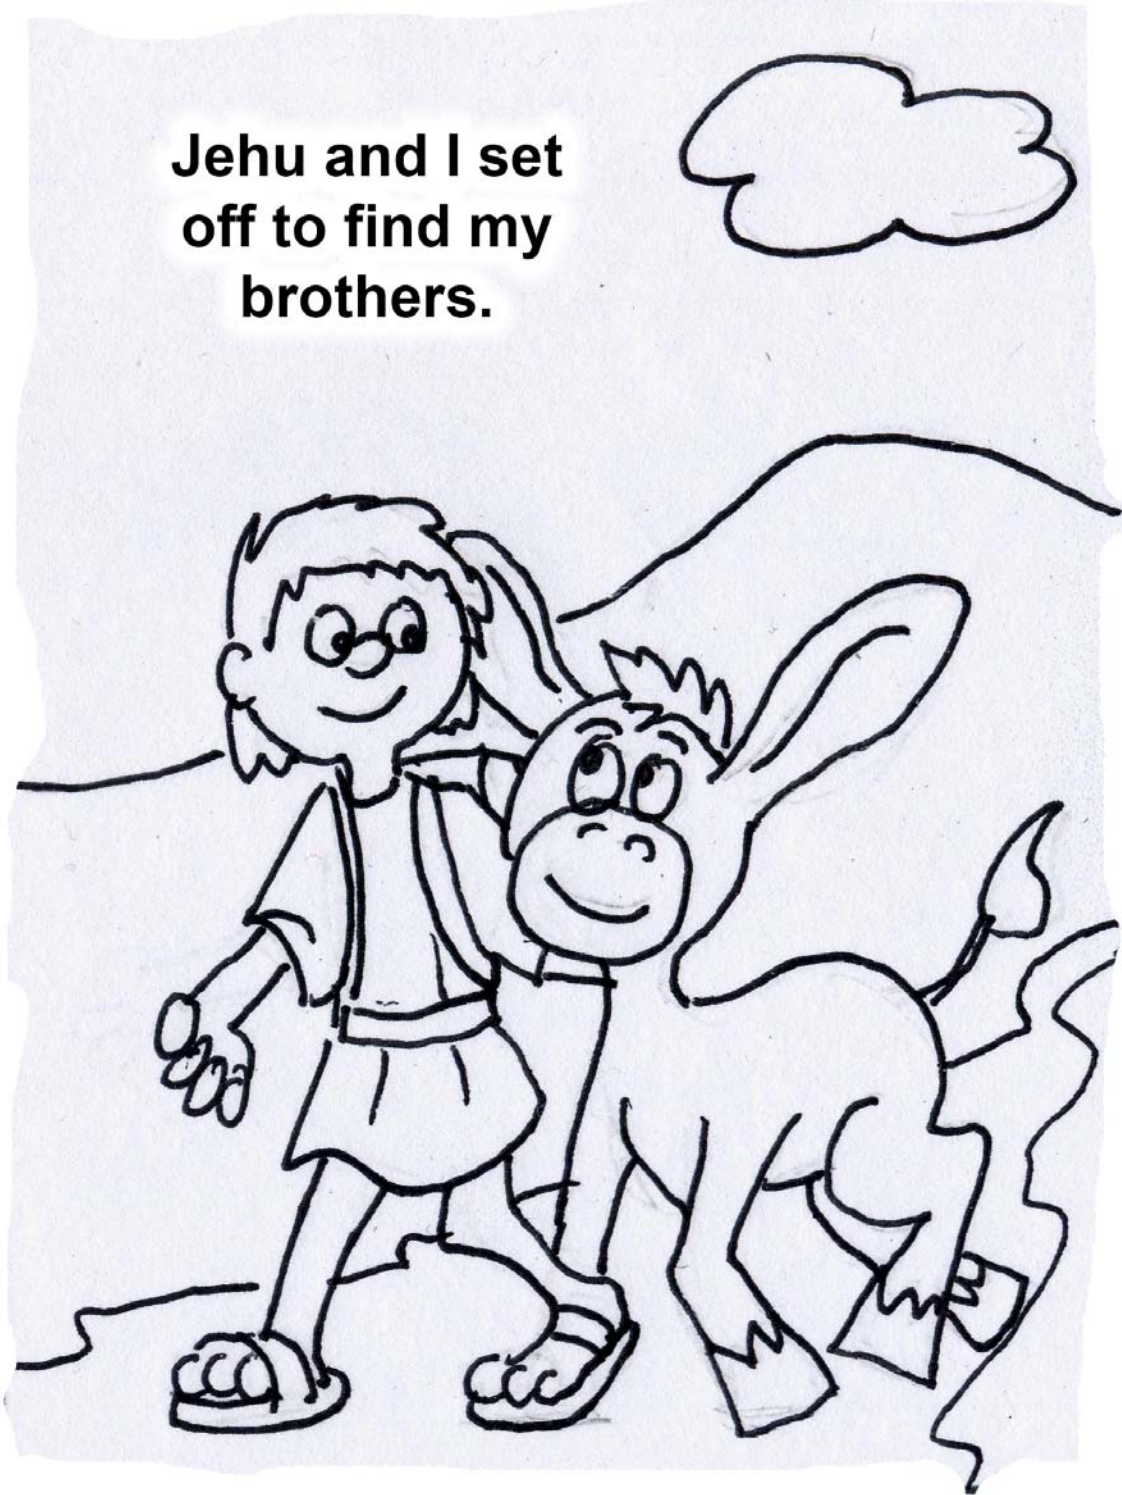

**Abner and Elizabeth
were married.**

**Jehu and I set
off to find my
brothers.**

Meanwhile, Ollie's brothers were sold to a Roman wine merchant.

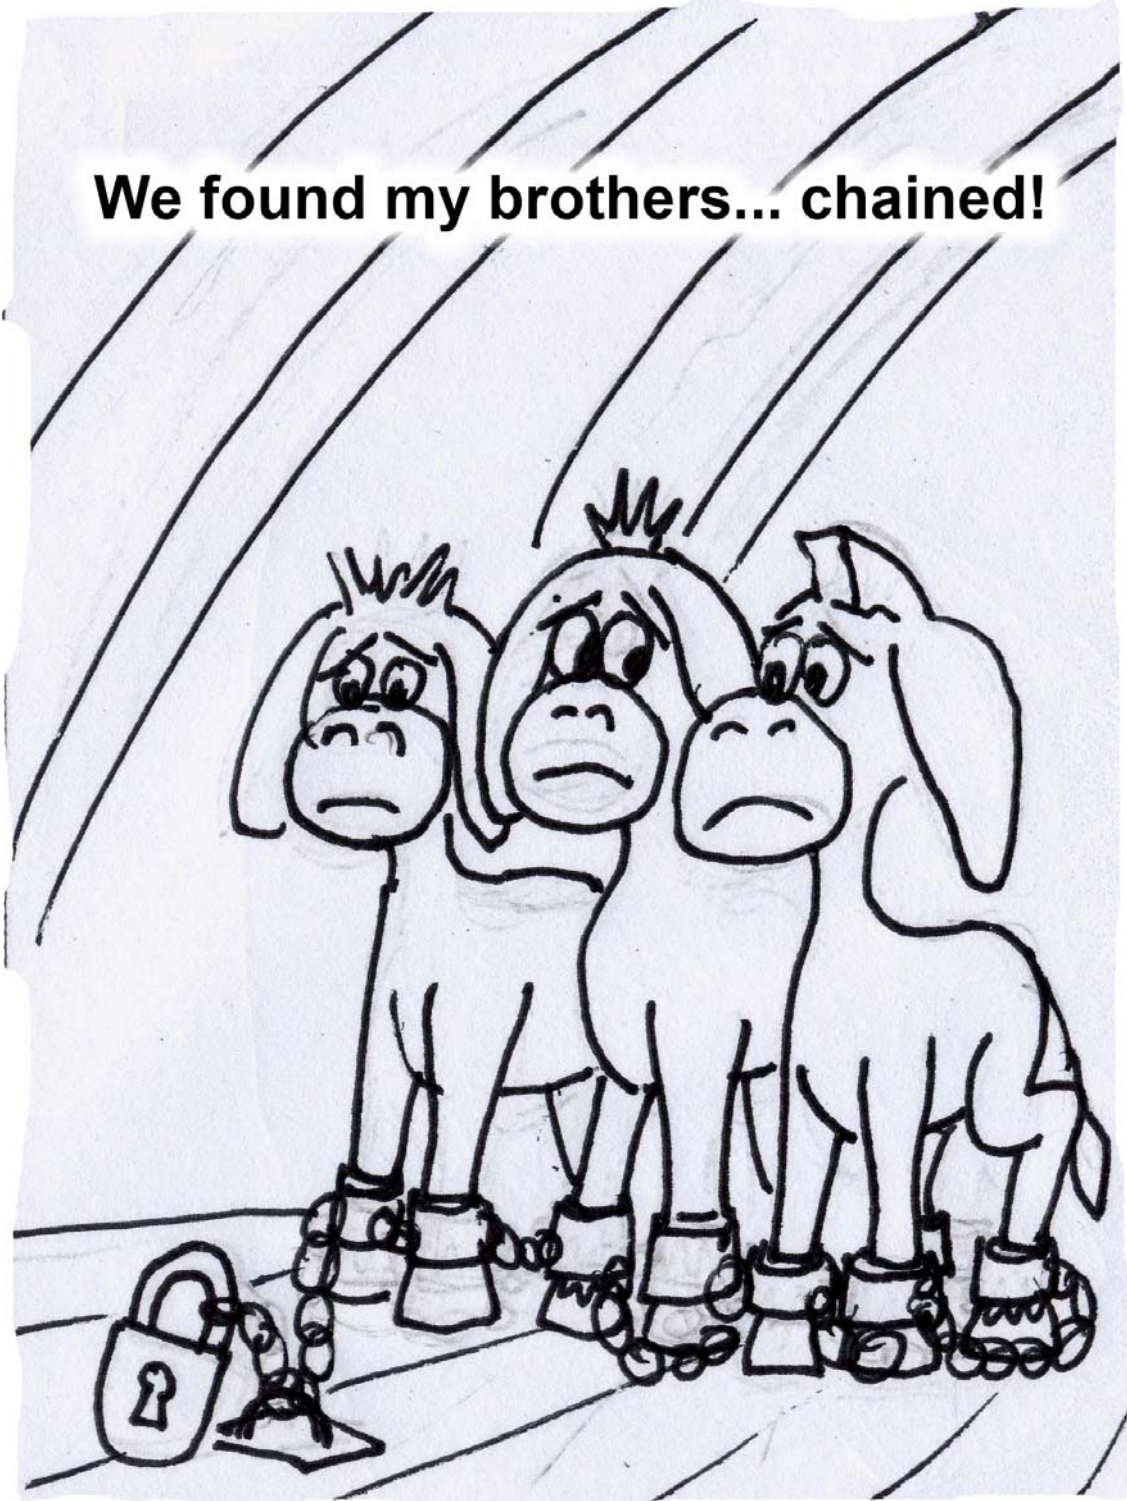

**They met Rupert the Raven
who told them they
were headed
for Rome.**

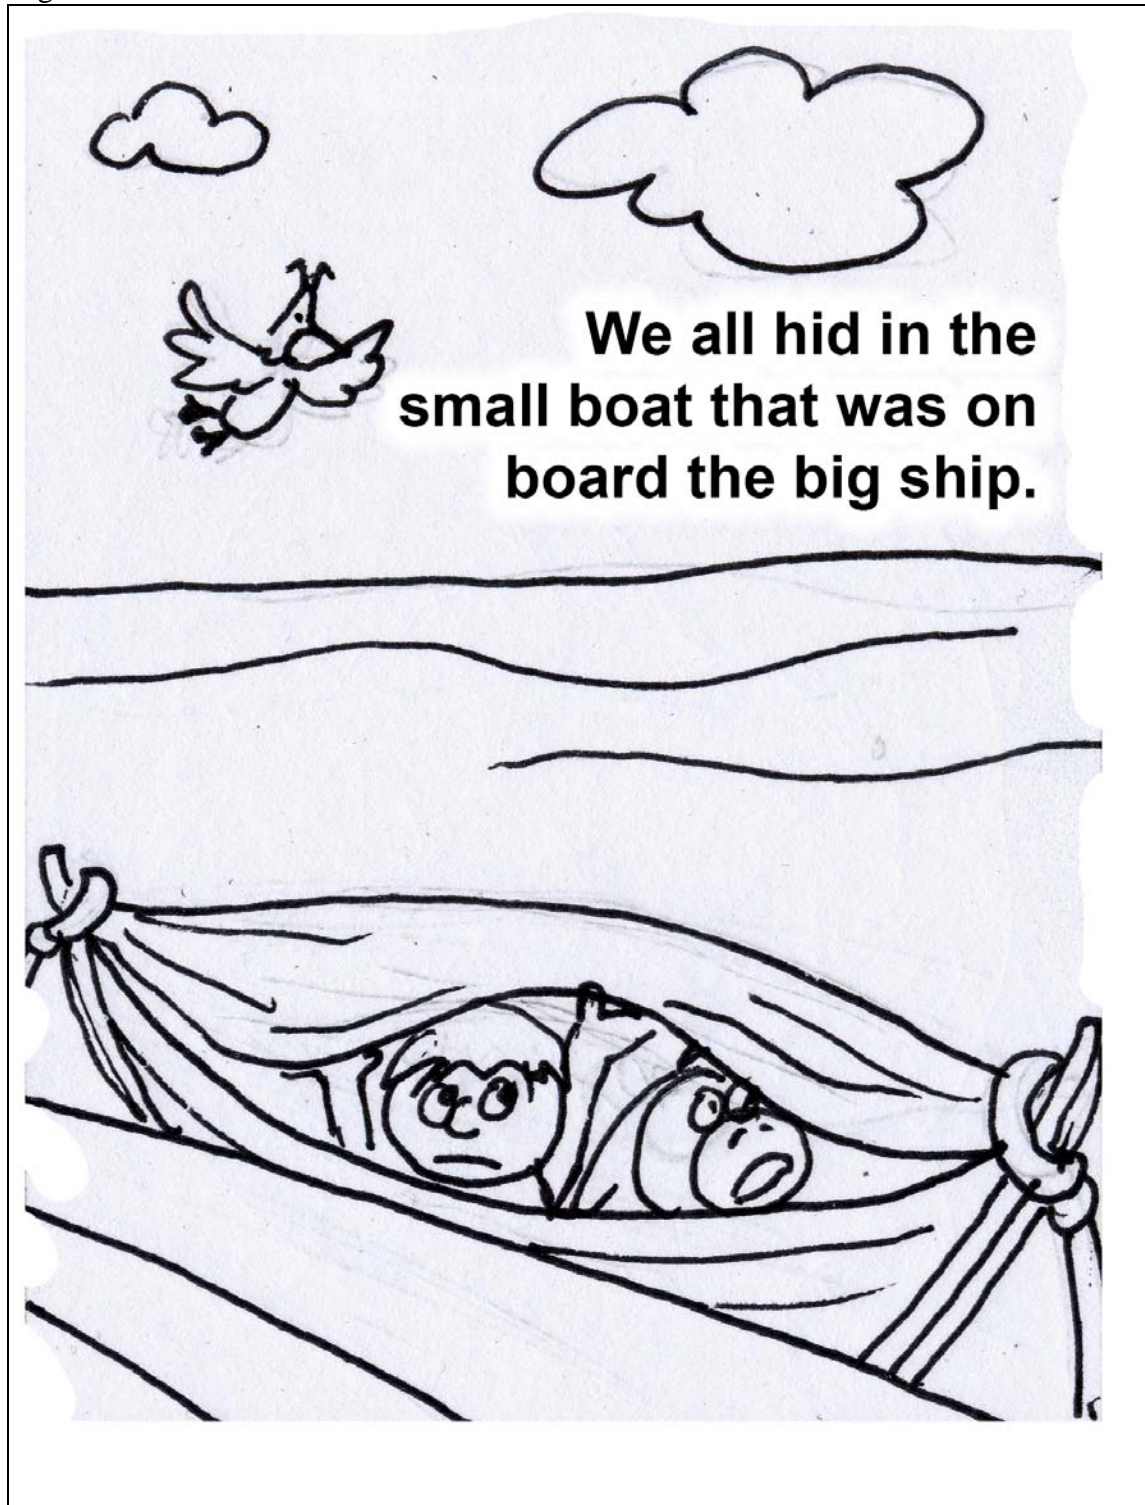

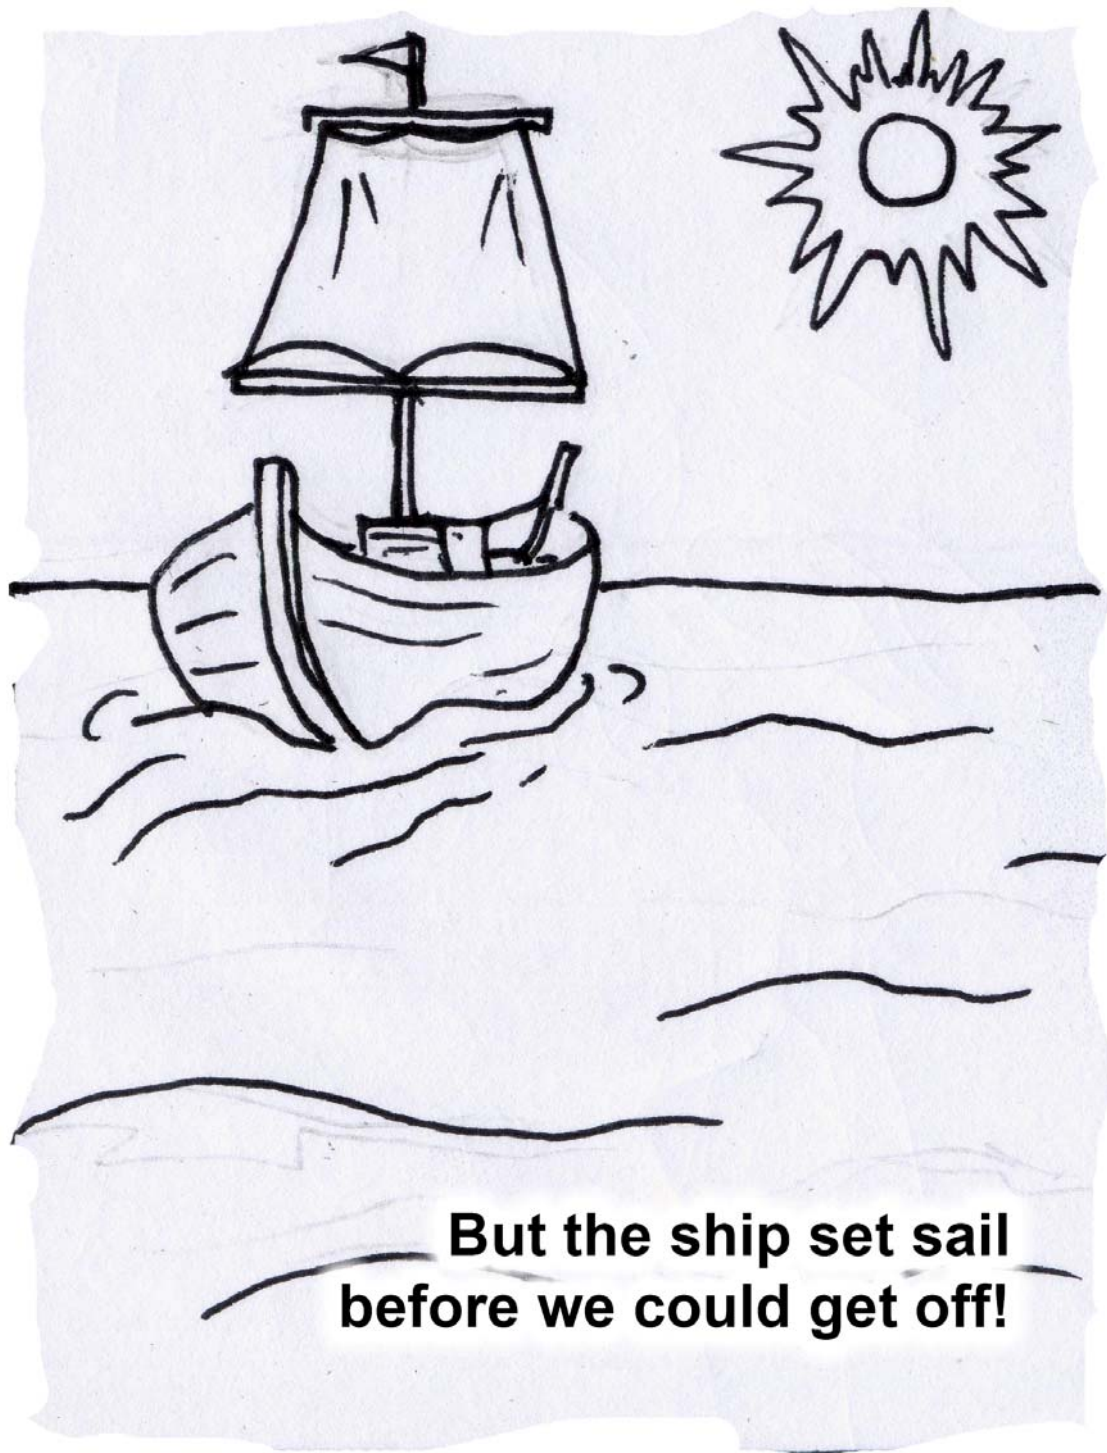

We found my brothers... chained!

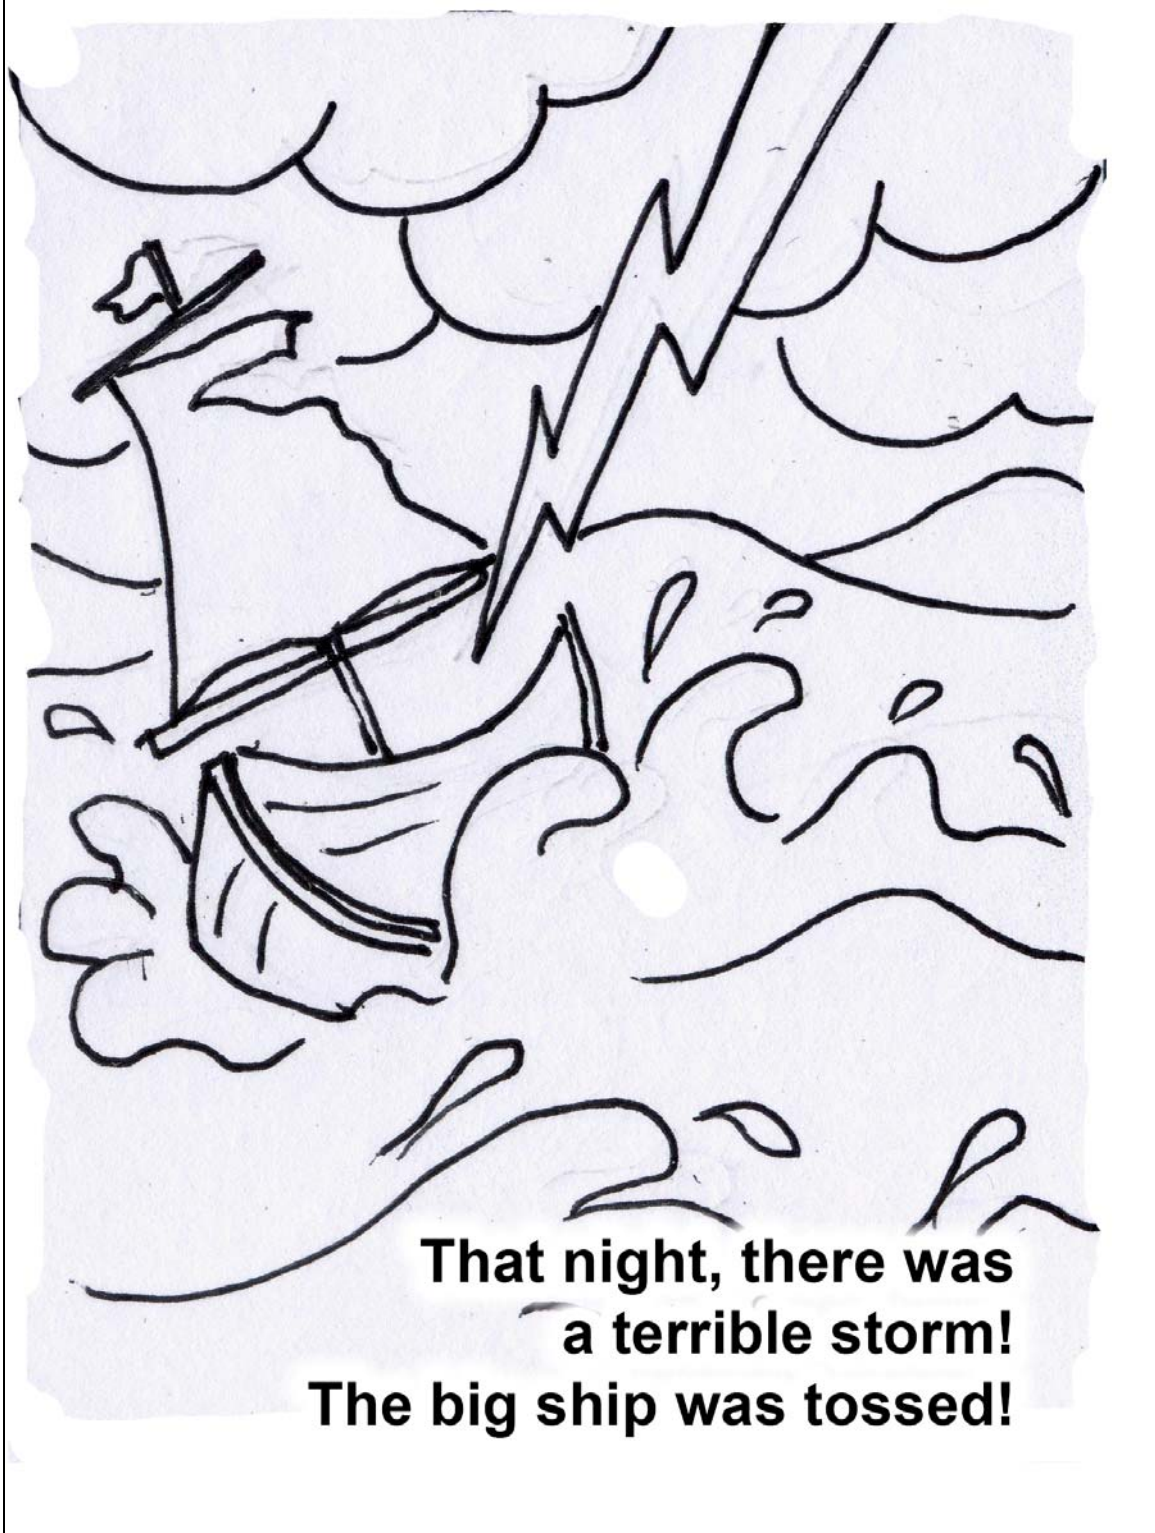

**Rupert unlocked the
chains with his beak!**

**But the ship set sail
before we could get off!**

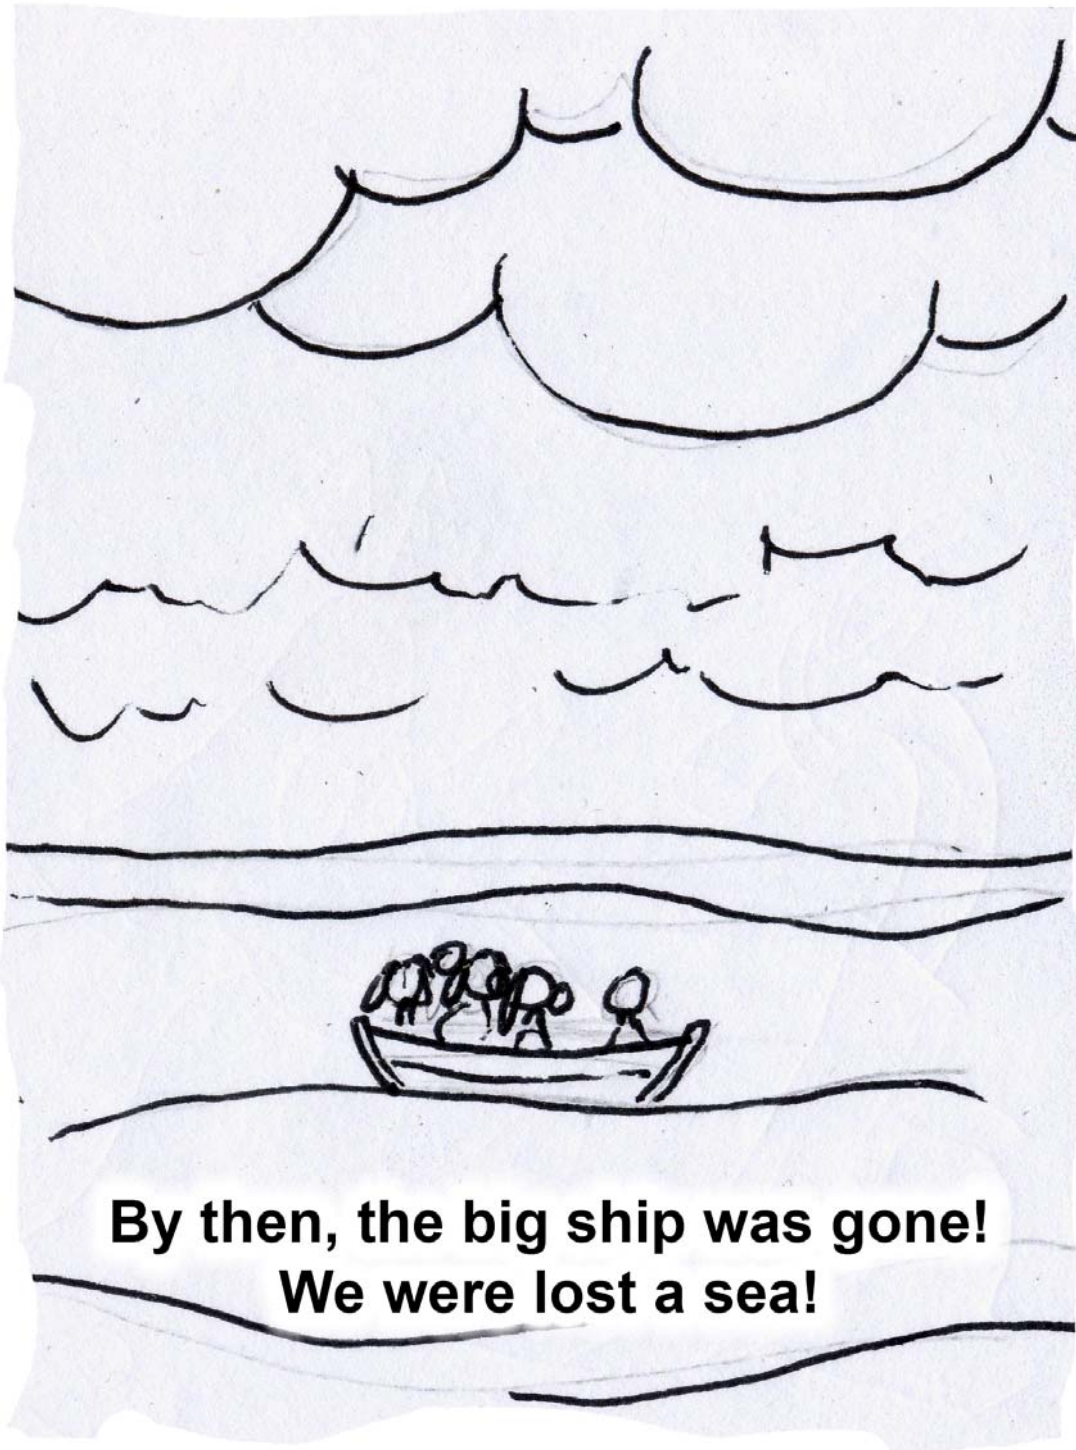

**That night, there was
a terrible storm!
The big ship was tossed!**

**The small boat broke loose...
and fell into the foaming water!**

**Jehu fell out.
We got a rope
to him.**

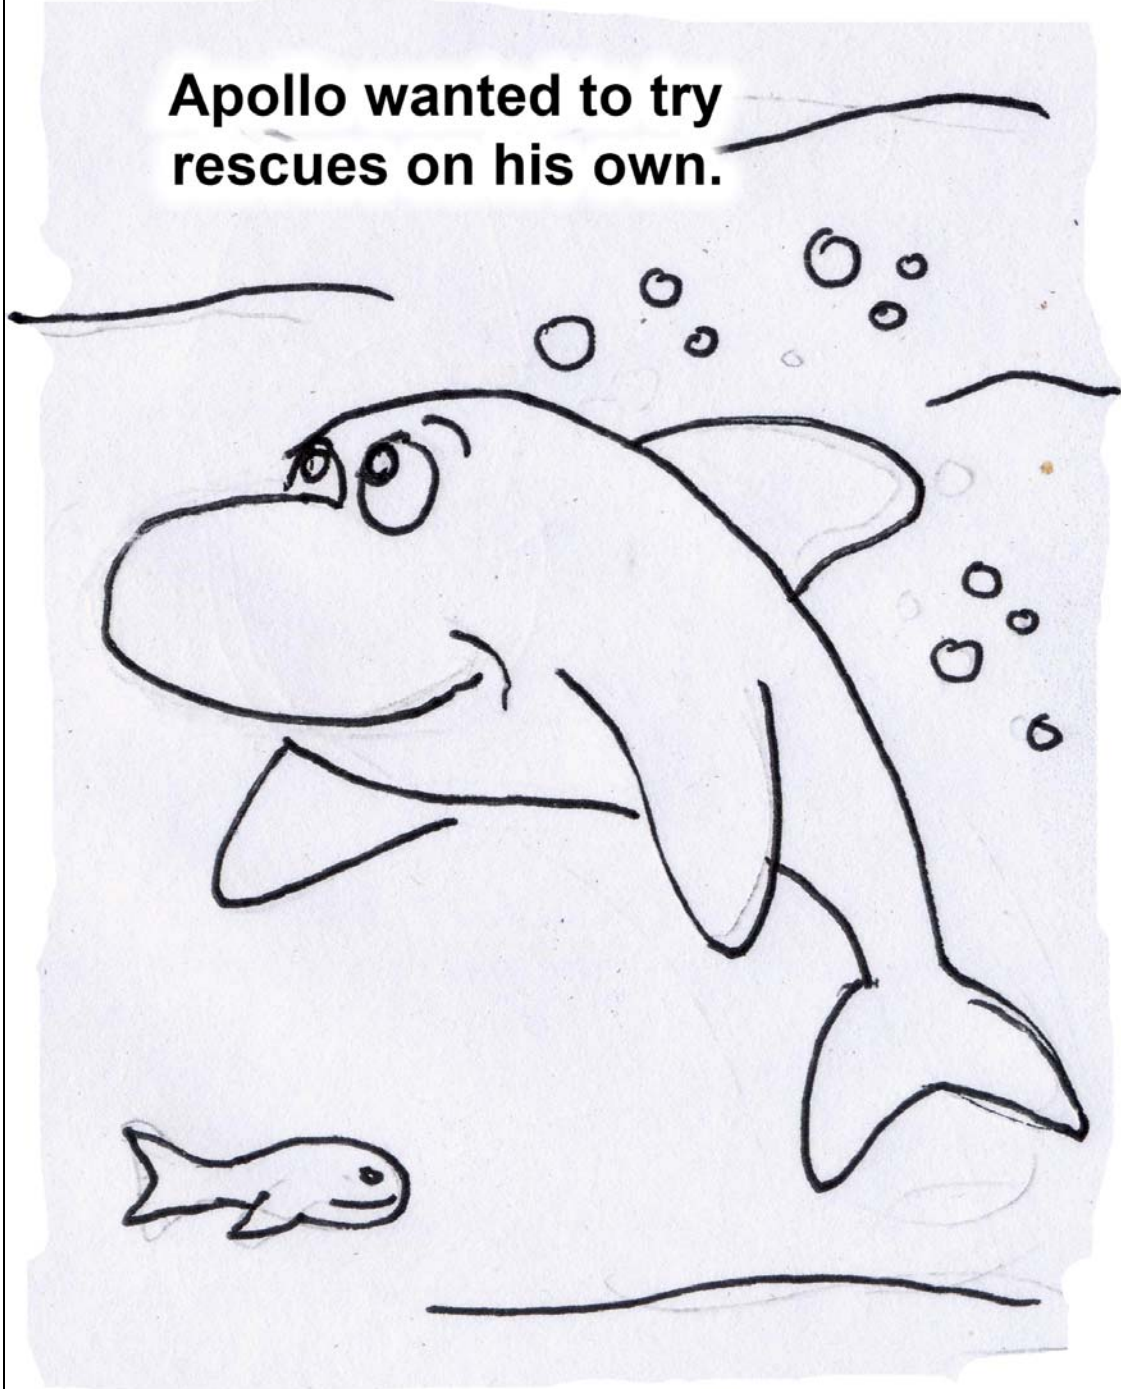

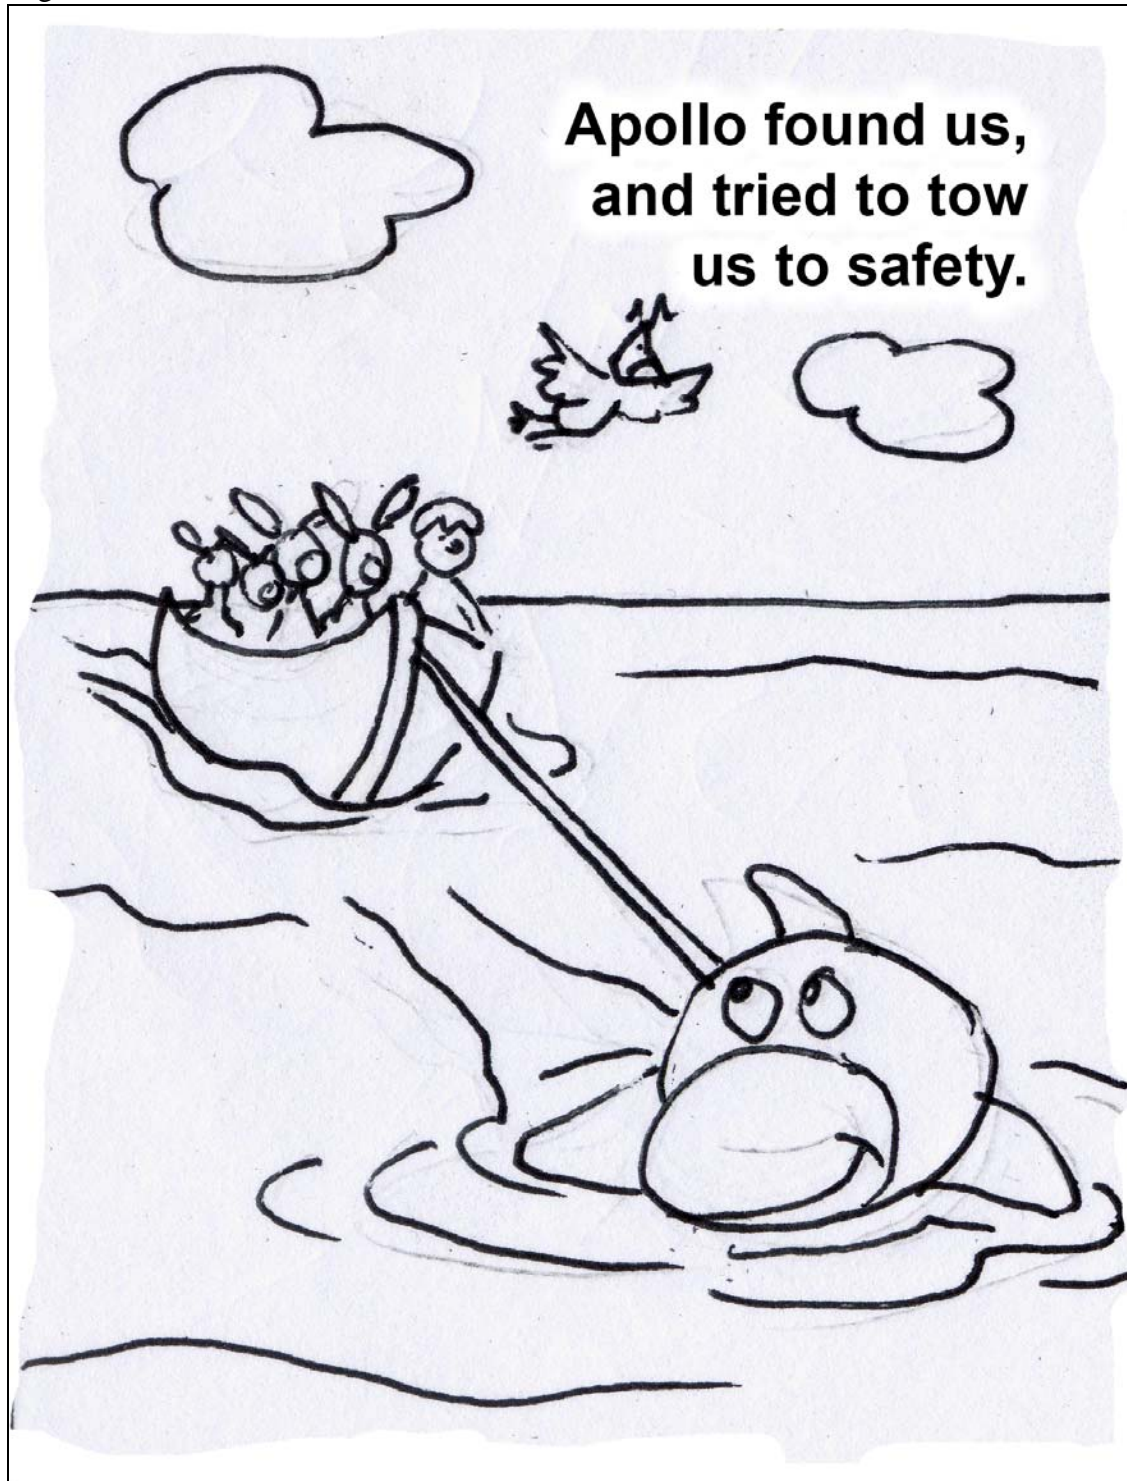

**By then, the big ship was gone!
We were lost a sea!**

Below the waves, a school of young dolphins were being taught to rescue people.

**Apollo wanted to try
rescues on his own.**

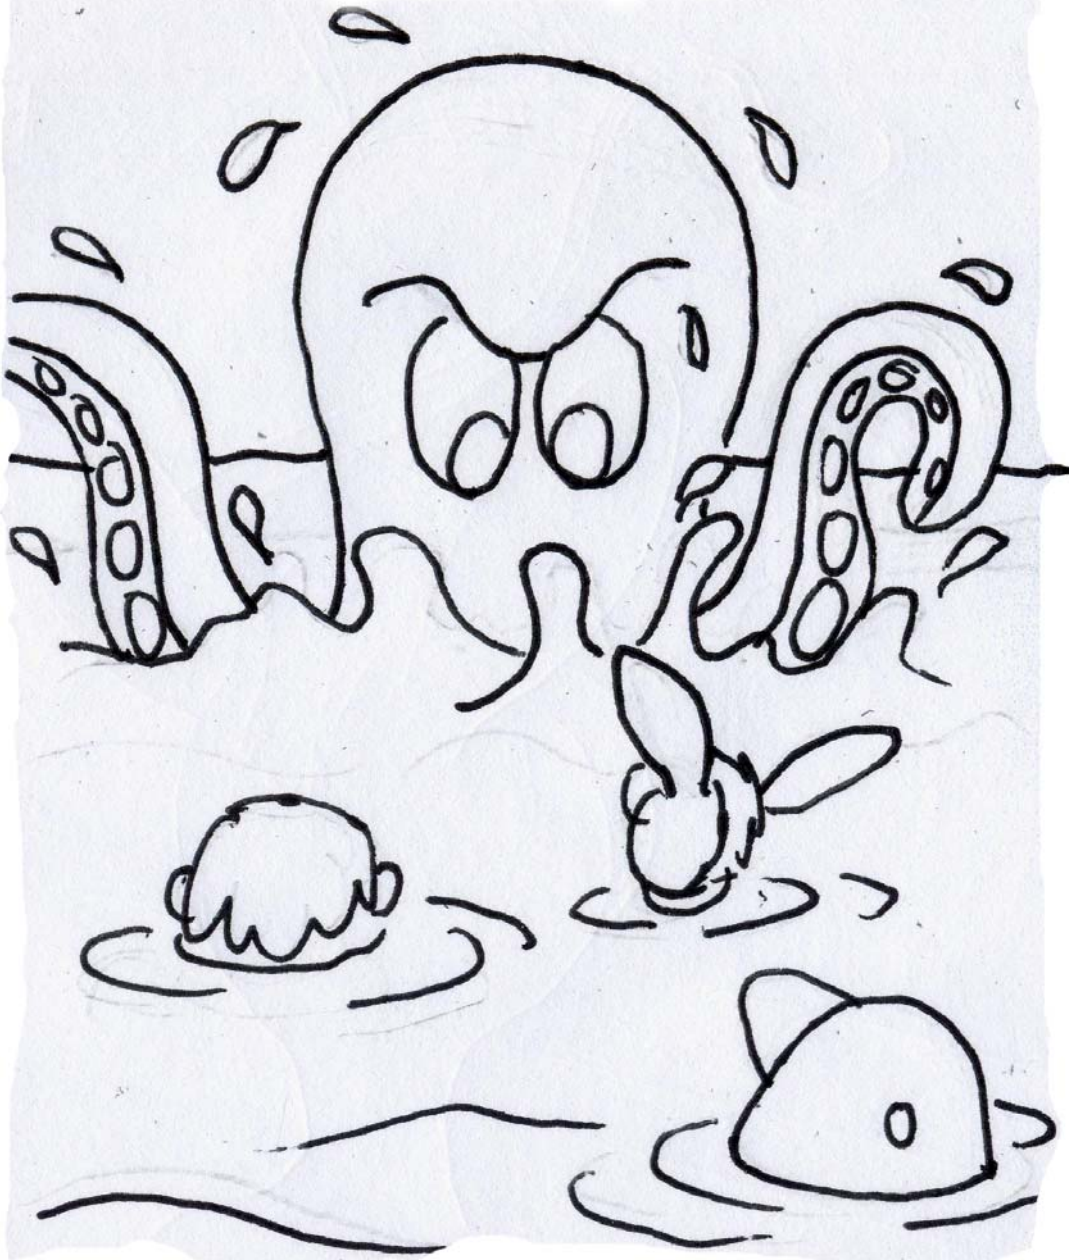

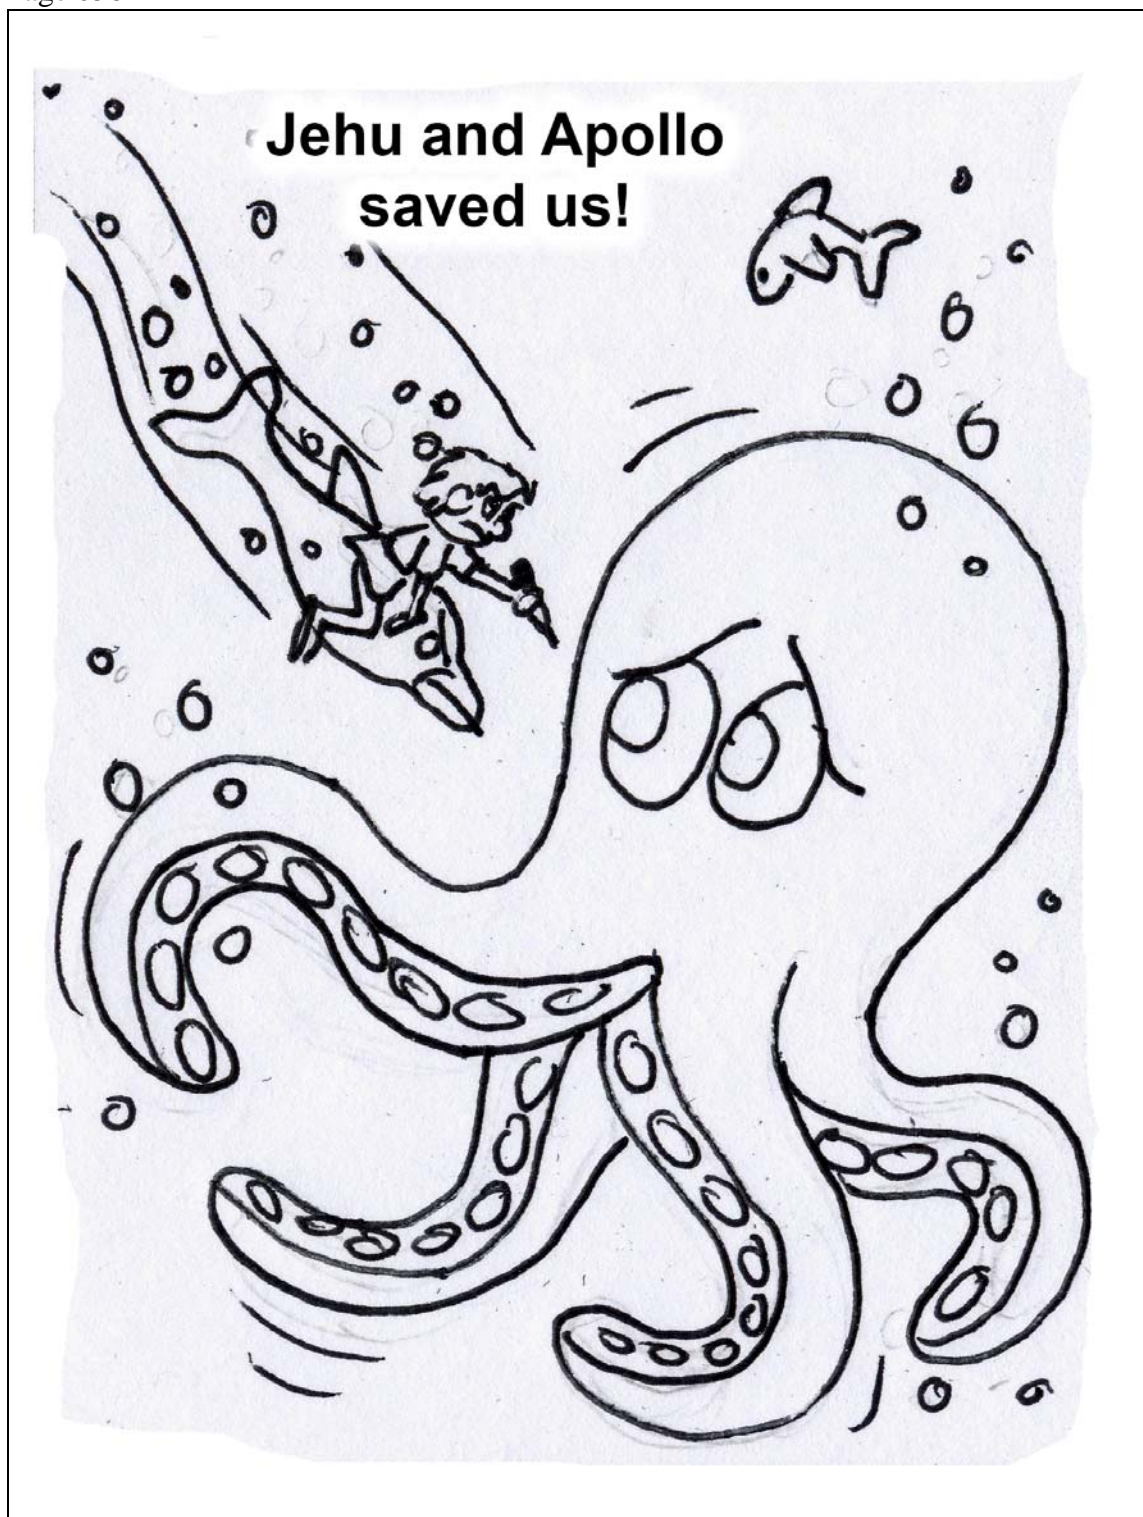

**Suddenly our boat was
turned upside down!**

**We were attacked by
a giant octopus!**

**On a nearby island,
we were warmly
greeted!**

We were rescued!
