

**The thieves left  
Jehu and Elizabeth  
hanging in a net  
from a tree.**

At the thieves' camp, I chewed through the rope and escaped.

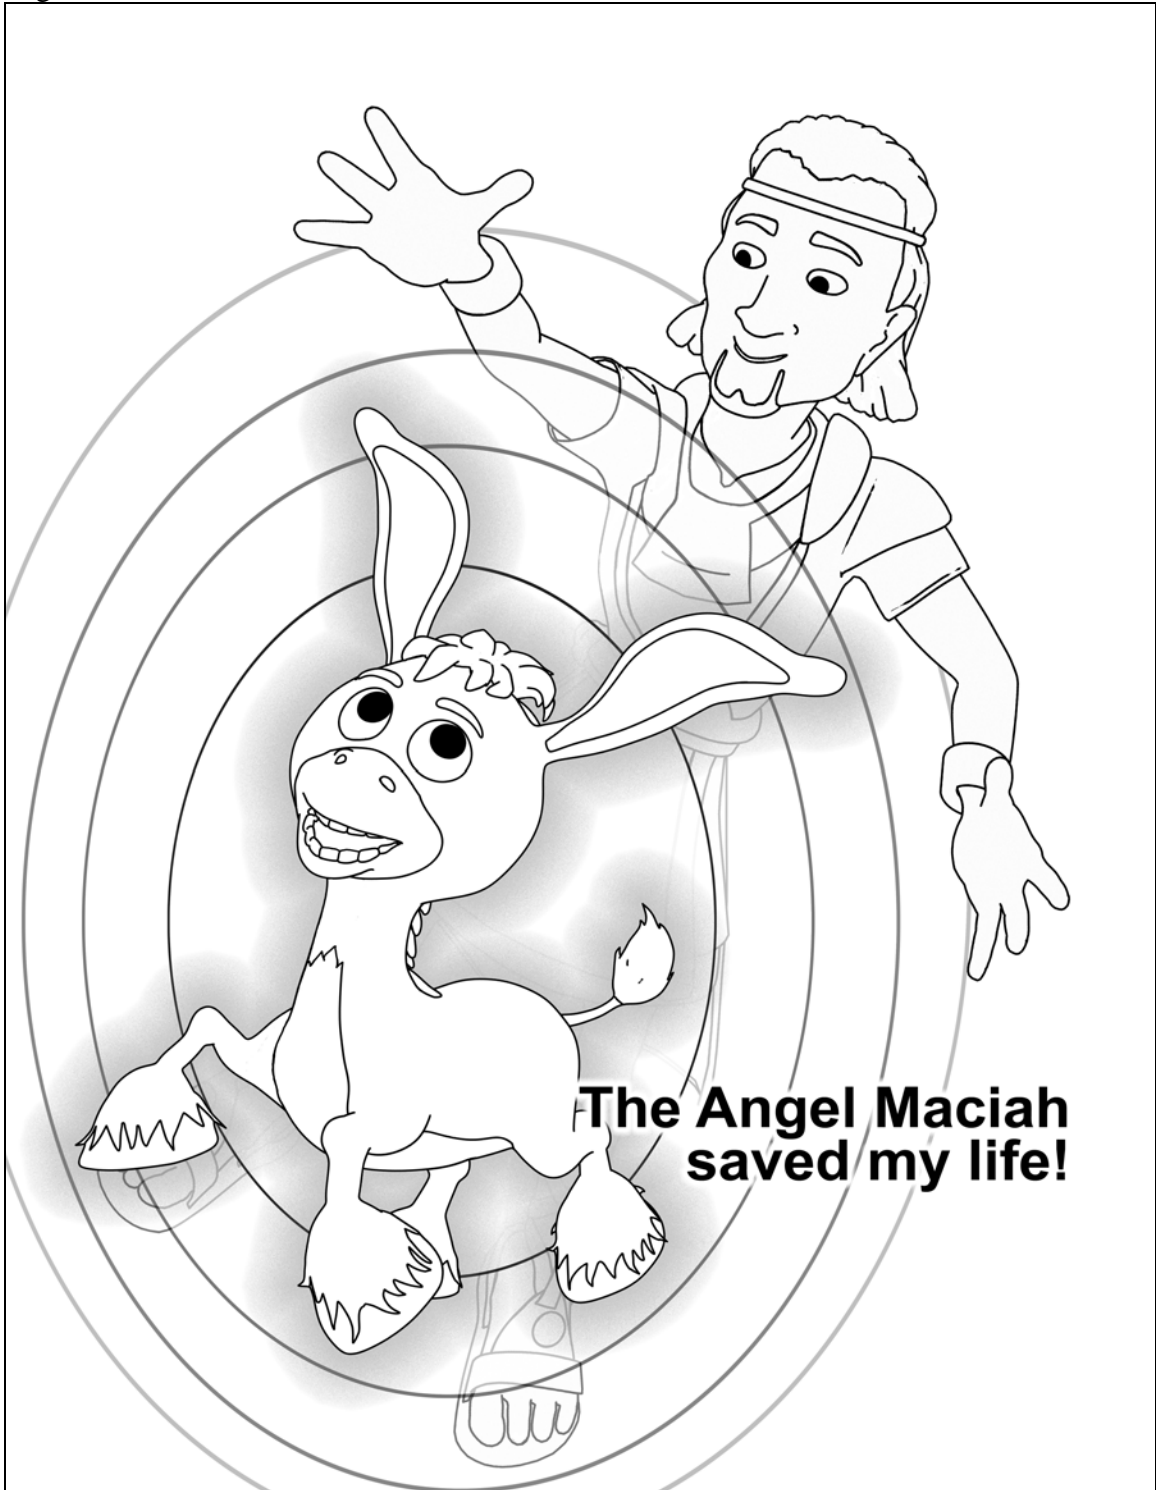

**I found Jehu and Elizabeth,  
and fought off the jackals.**

**Abner showed up to save us,  
but I was badly injured.**

**The Angel Maciah  
saved my life!**

**Abner and Elizabeth  
were married.**

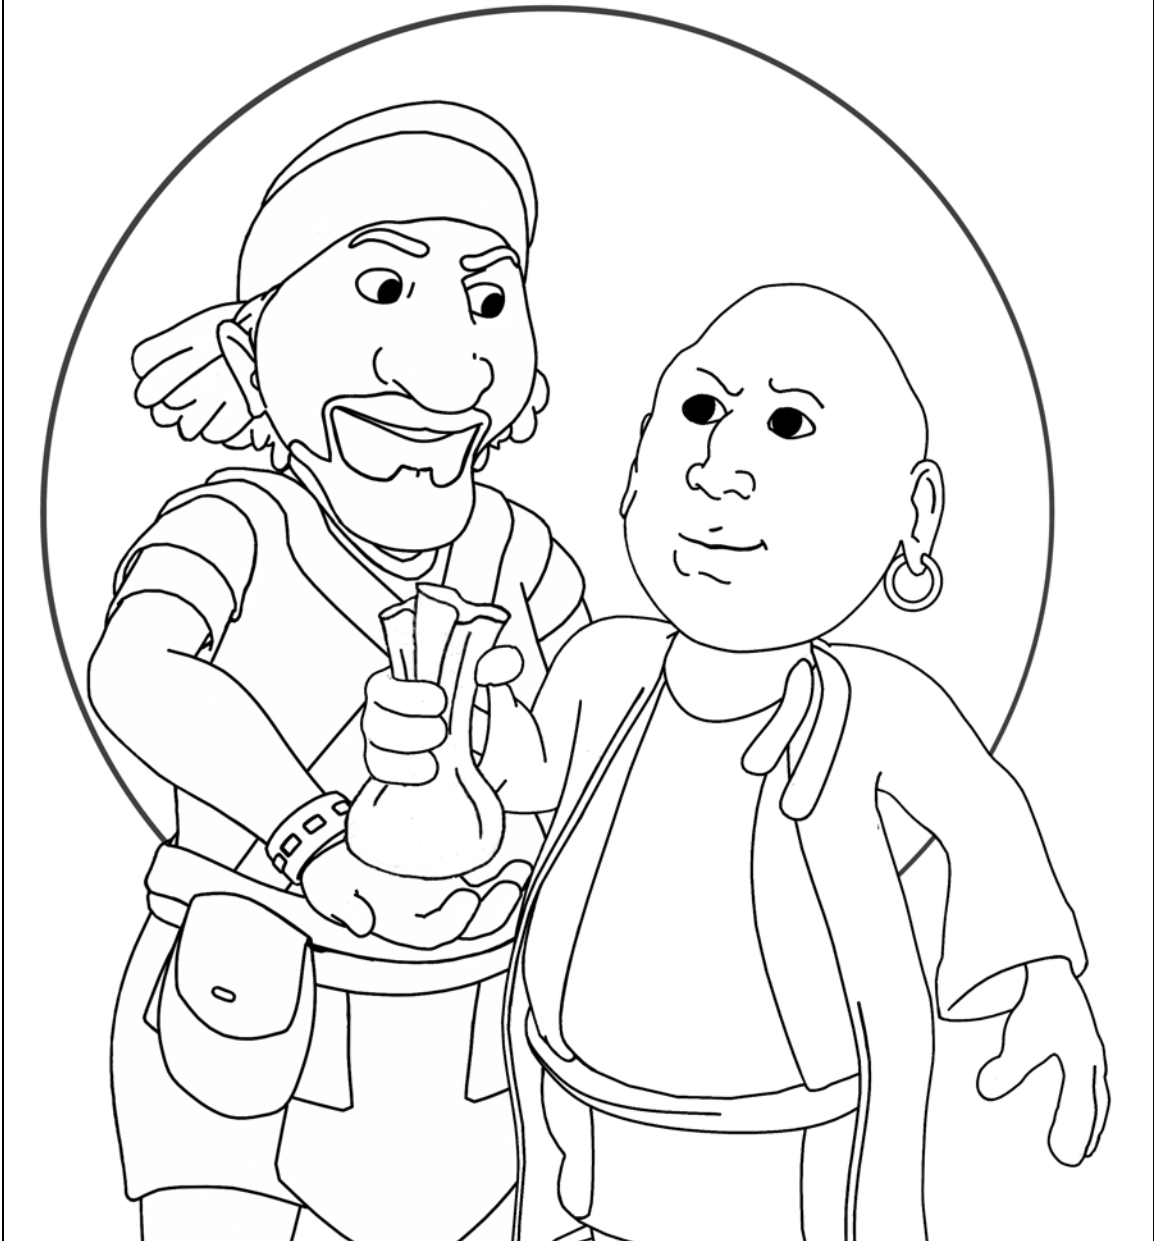

**Jehu and I set  
off to find my  
brothers.**

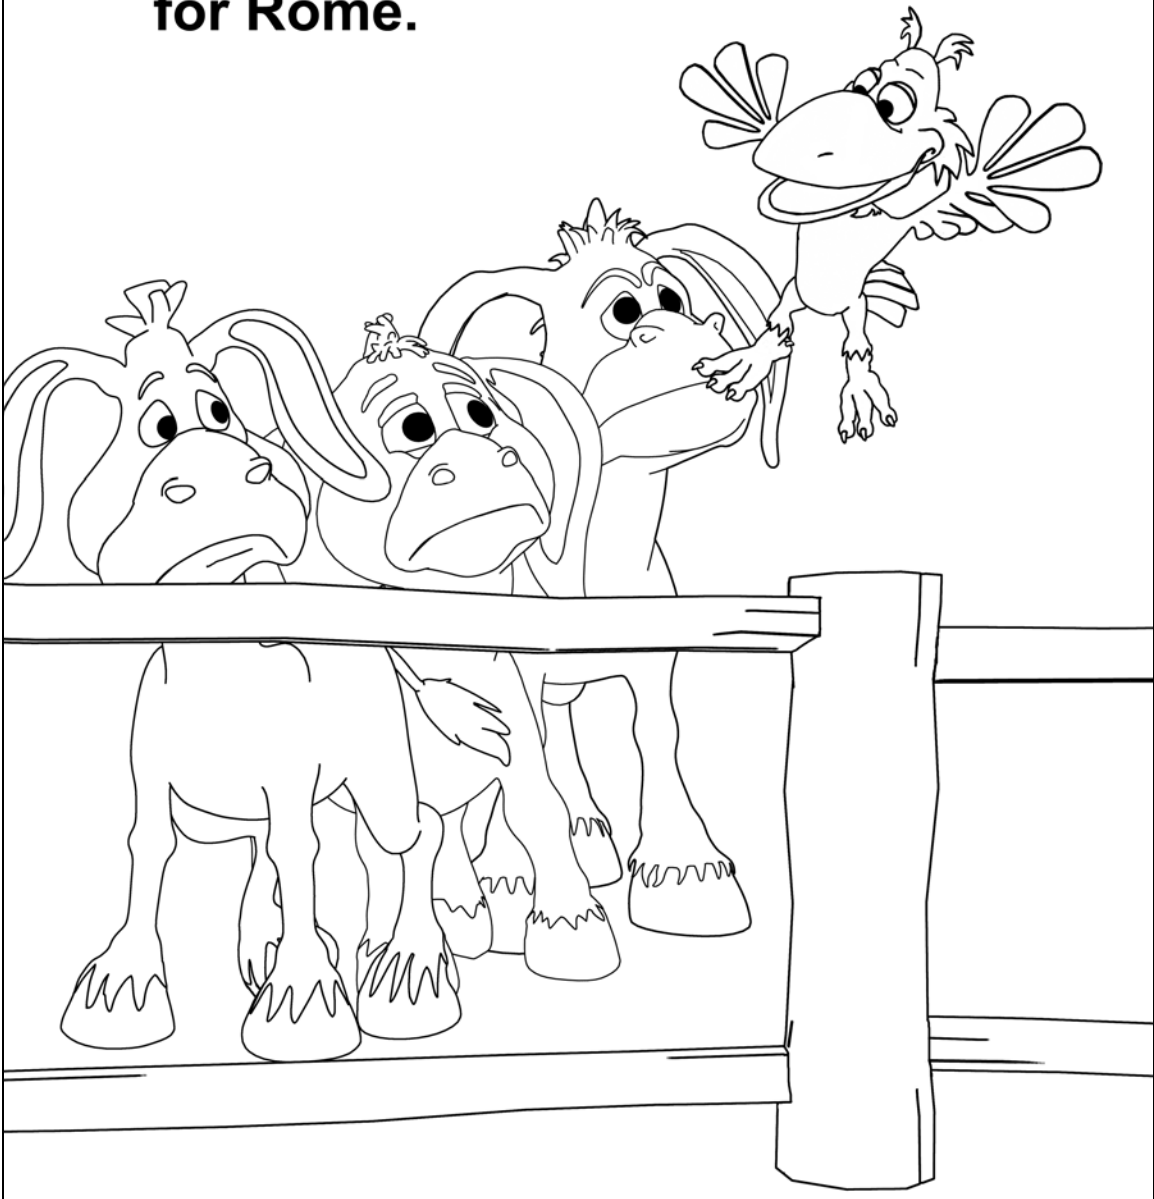

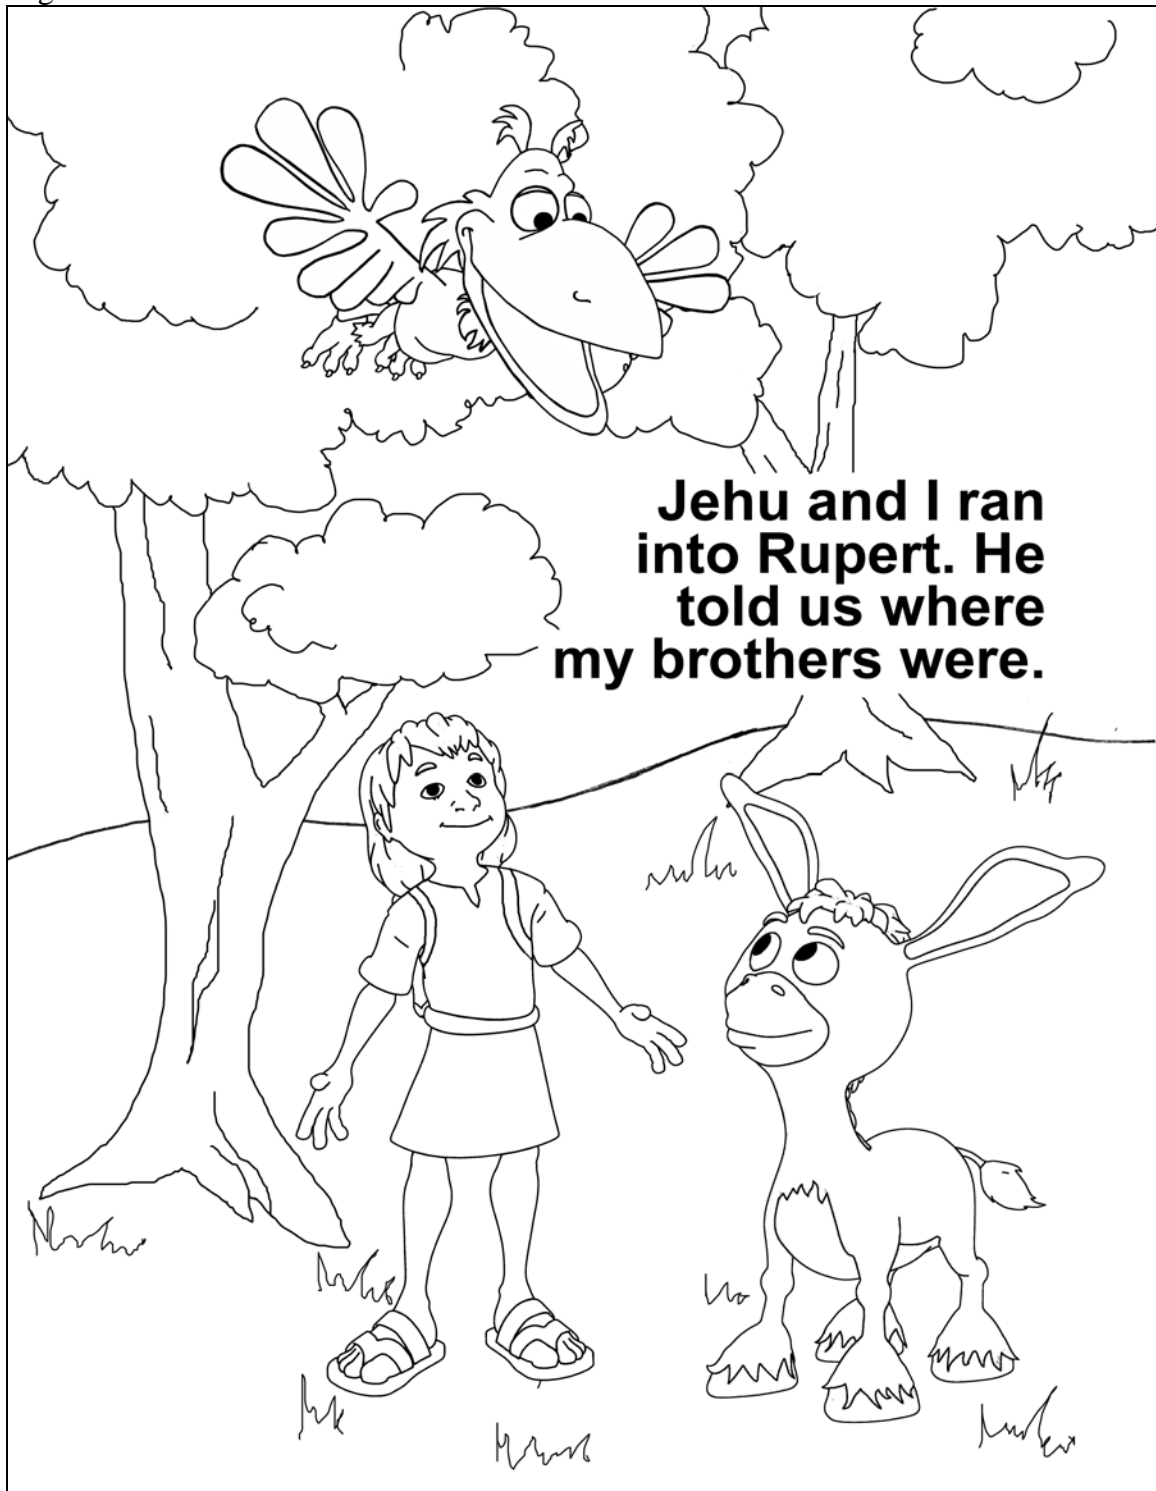

**Meanwhile, Ollie's brothers were  
sold to a Roman wine merchant.**

**They met Rupert the Raven  
who told them they  
were headed  
for Rome.**

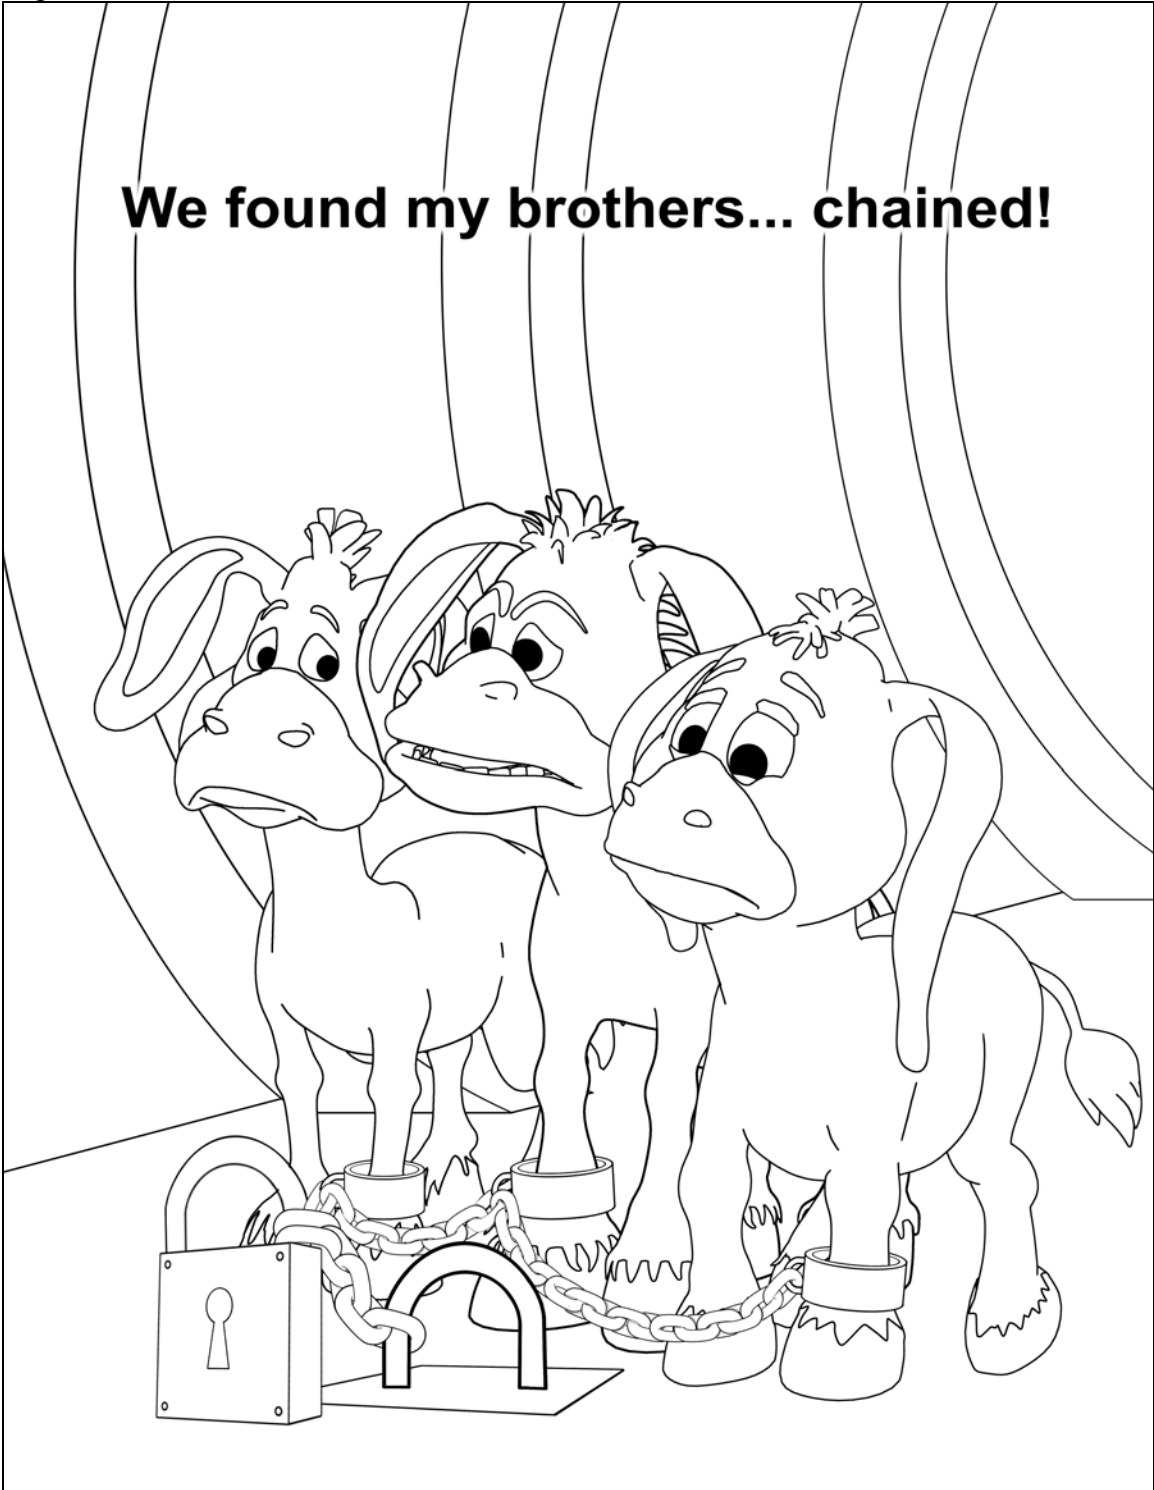

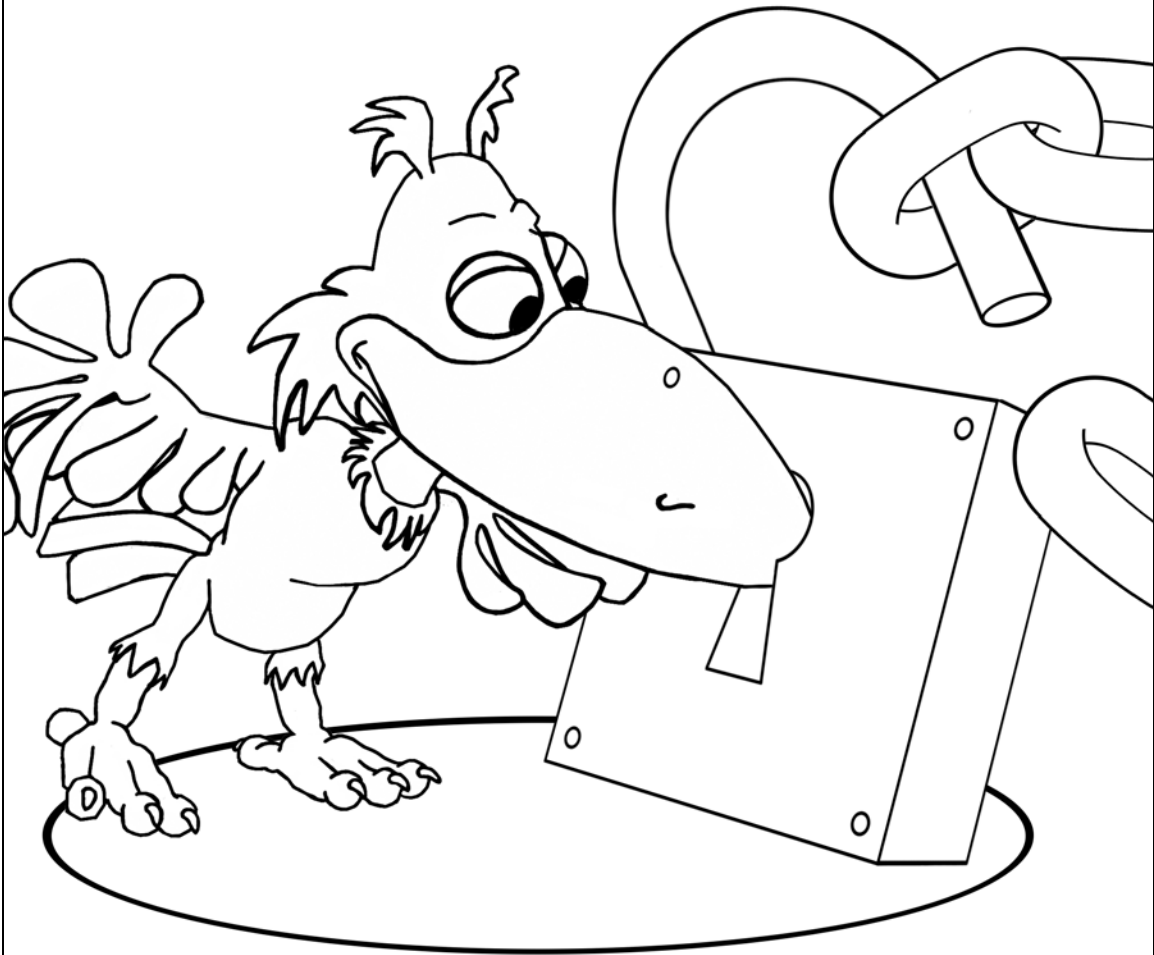

**Jehu and I ran  
into Rupert. He  
told us where  
my brothers were.**

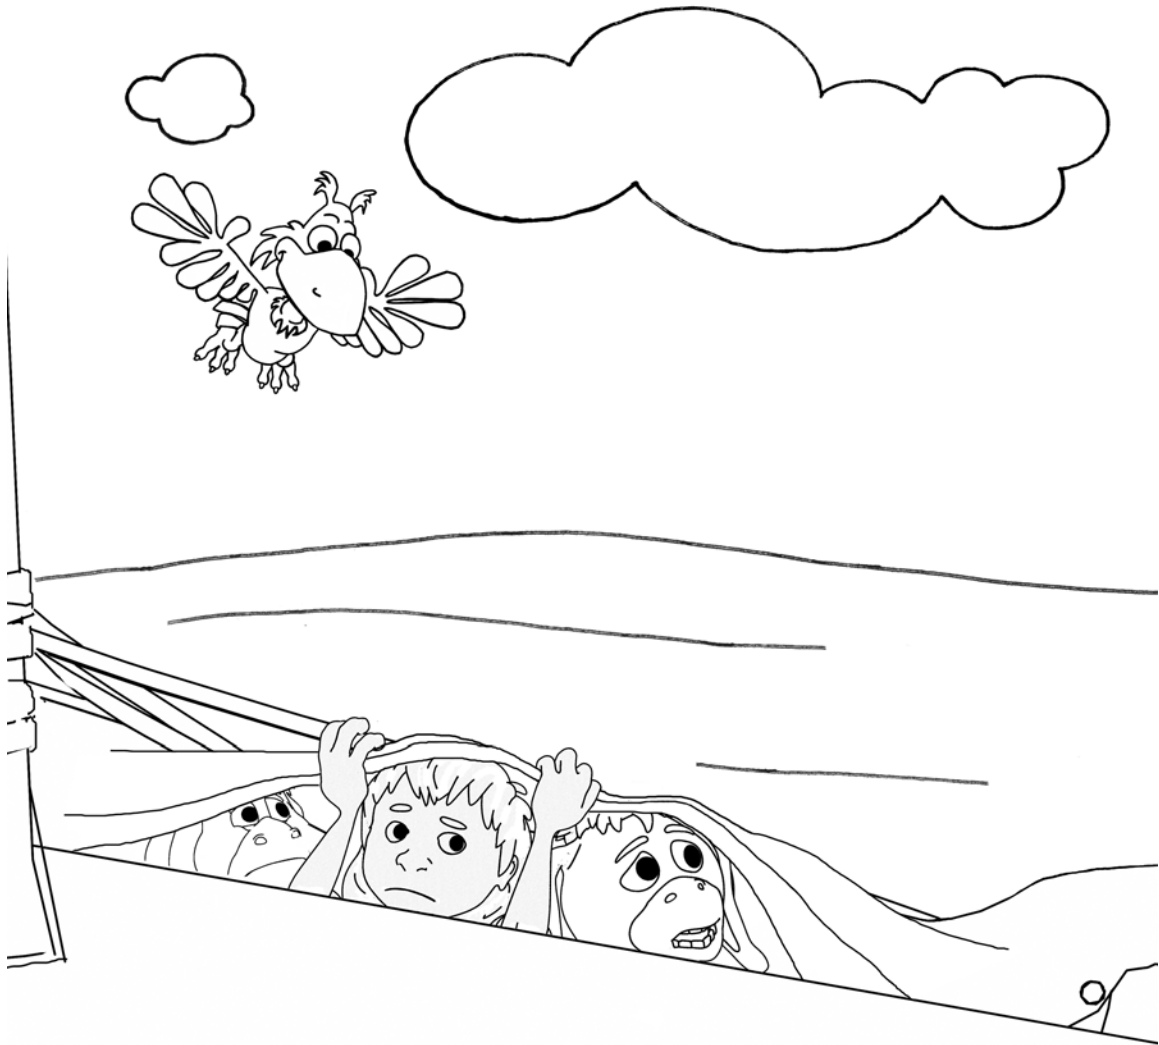

**We found my brothers... chained!**

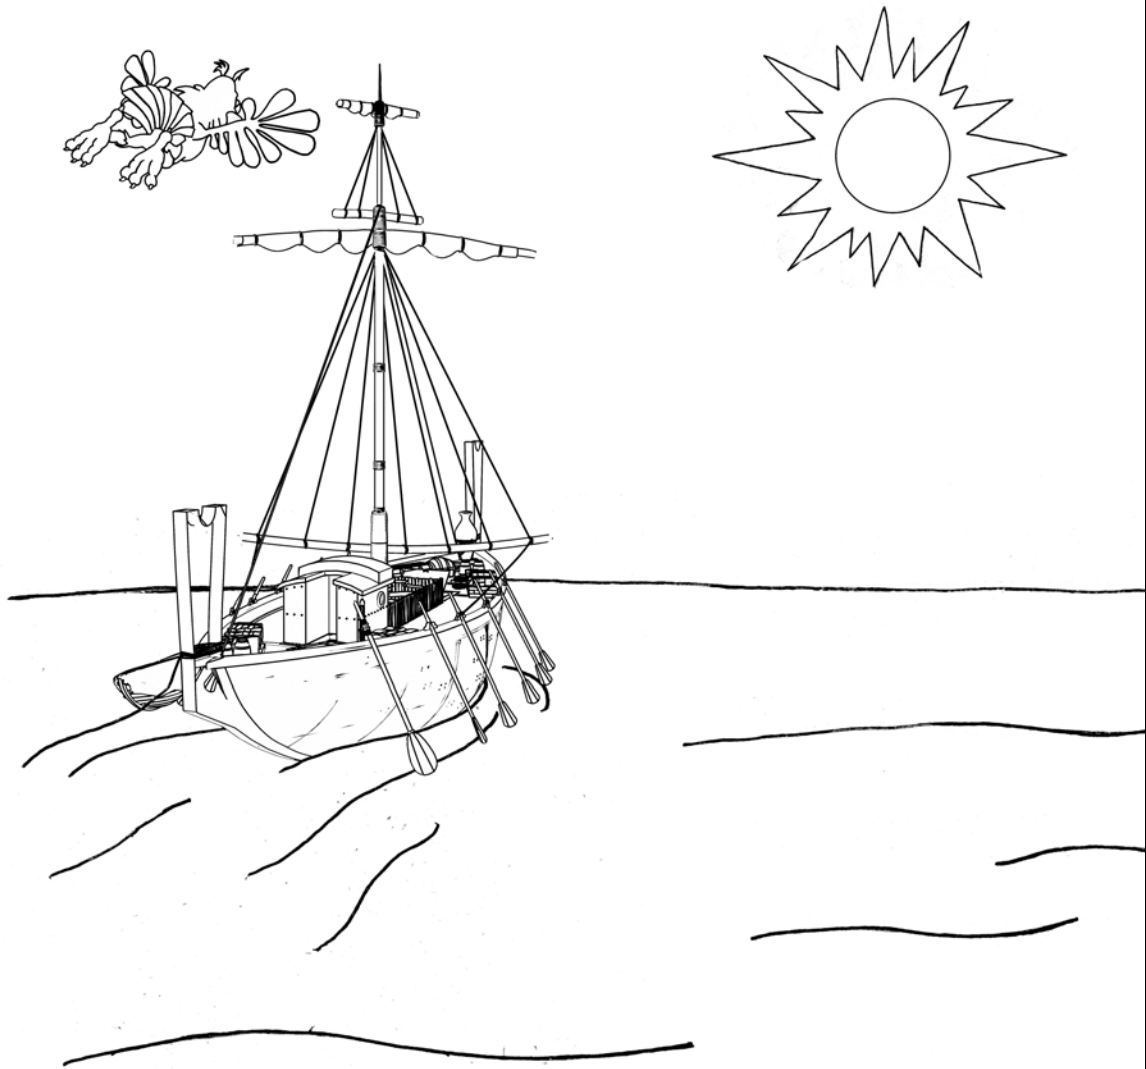

**Rupert unlocked  
the chains with  
his beak!**

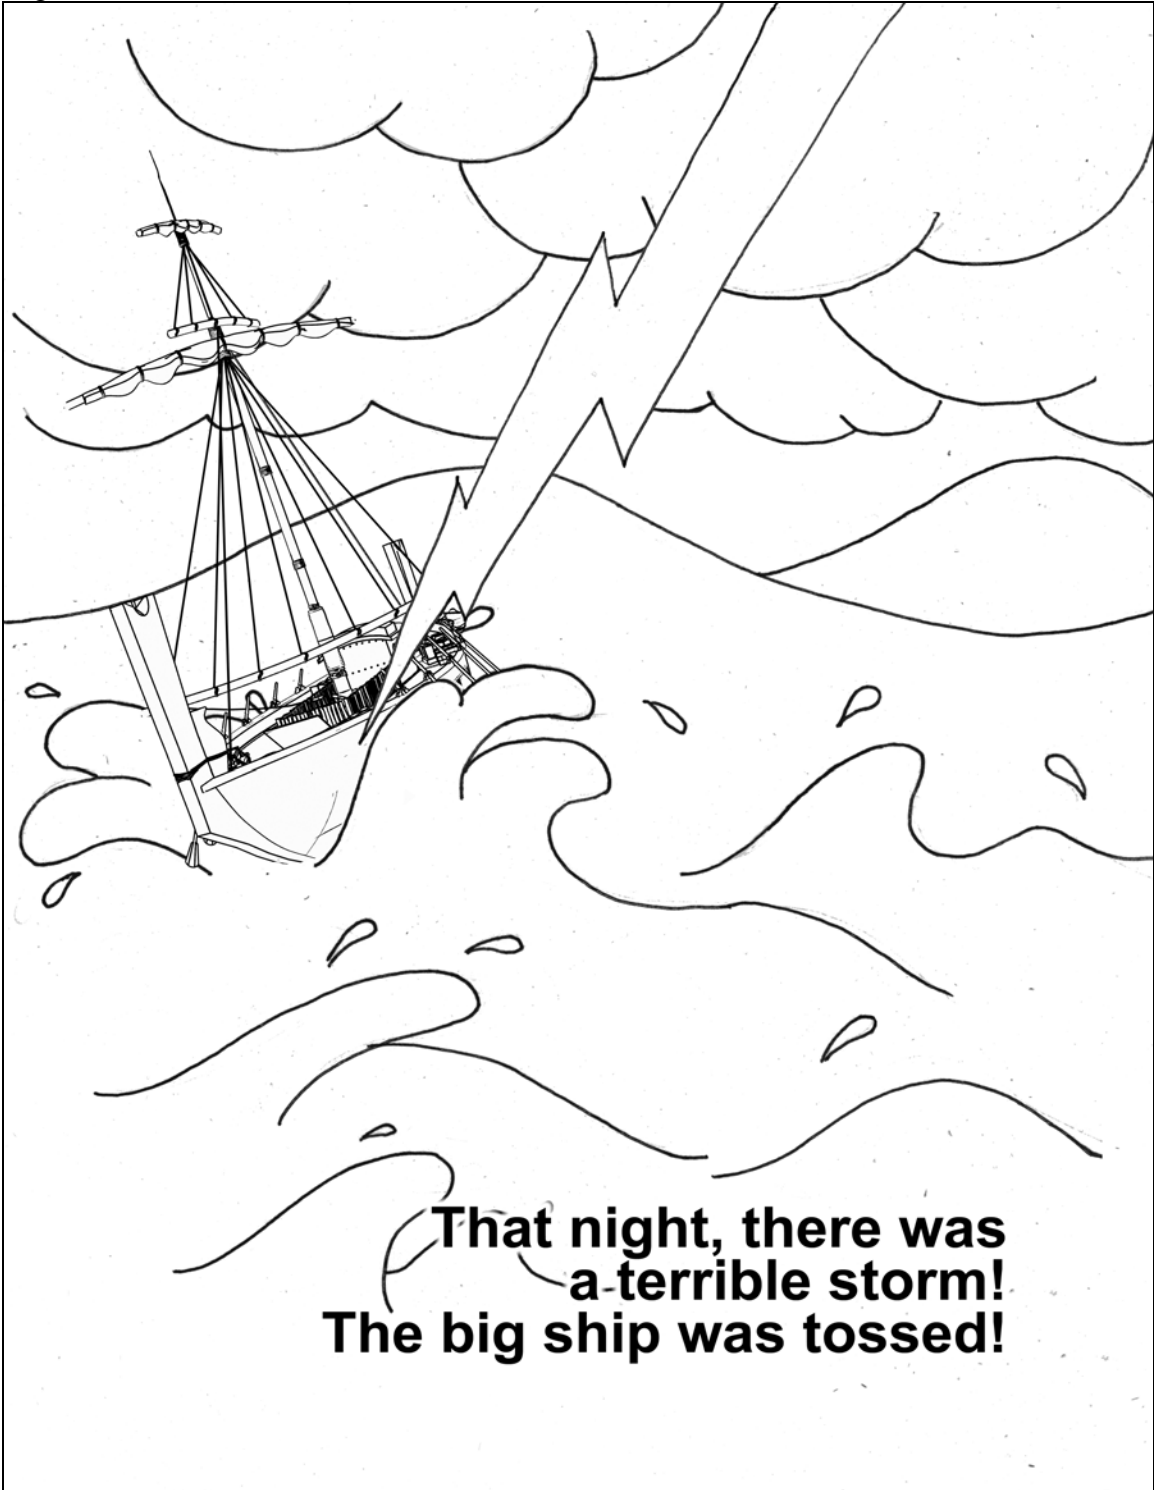

**We all hid in the small boat  
that was tied to the deck  
of the big ship.**

**But the ship left the dock  
before we could get off!**

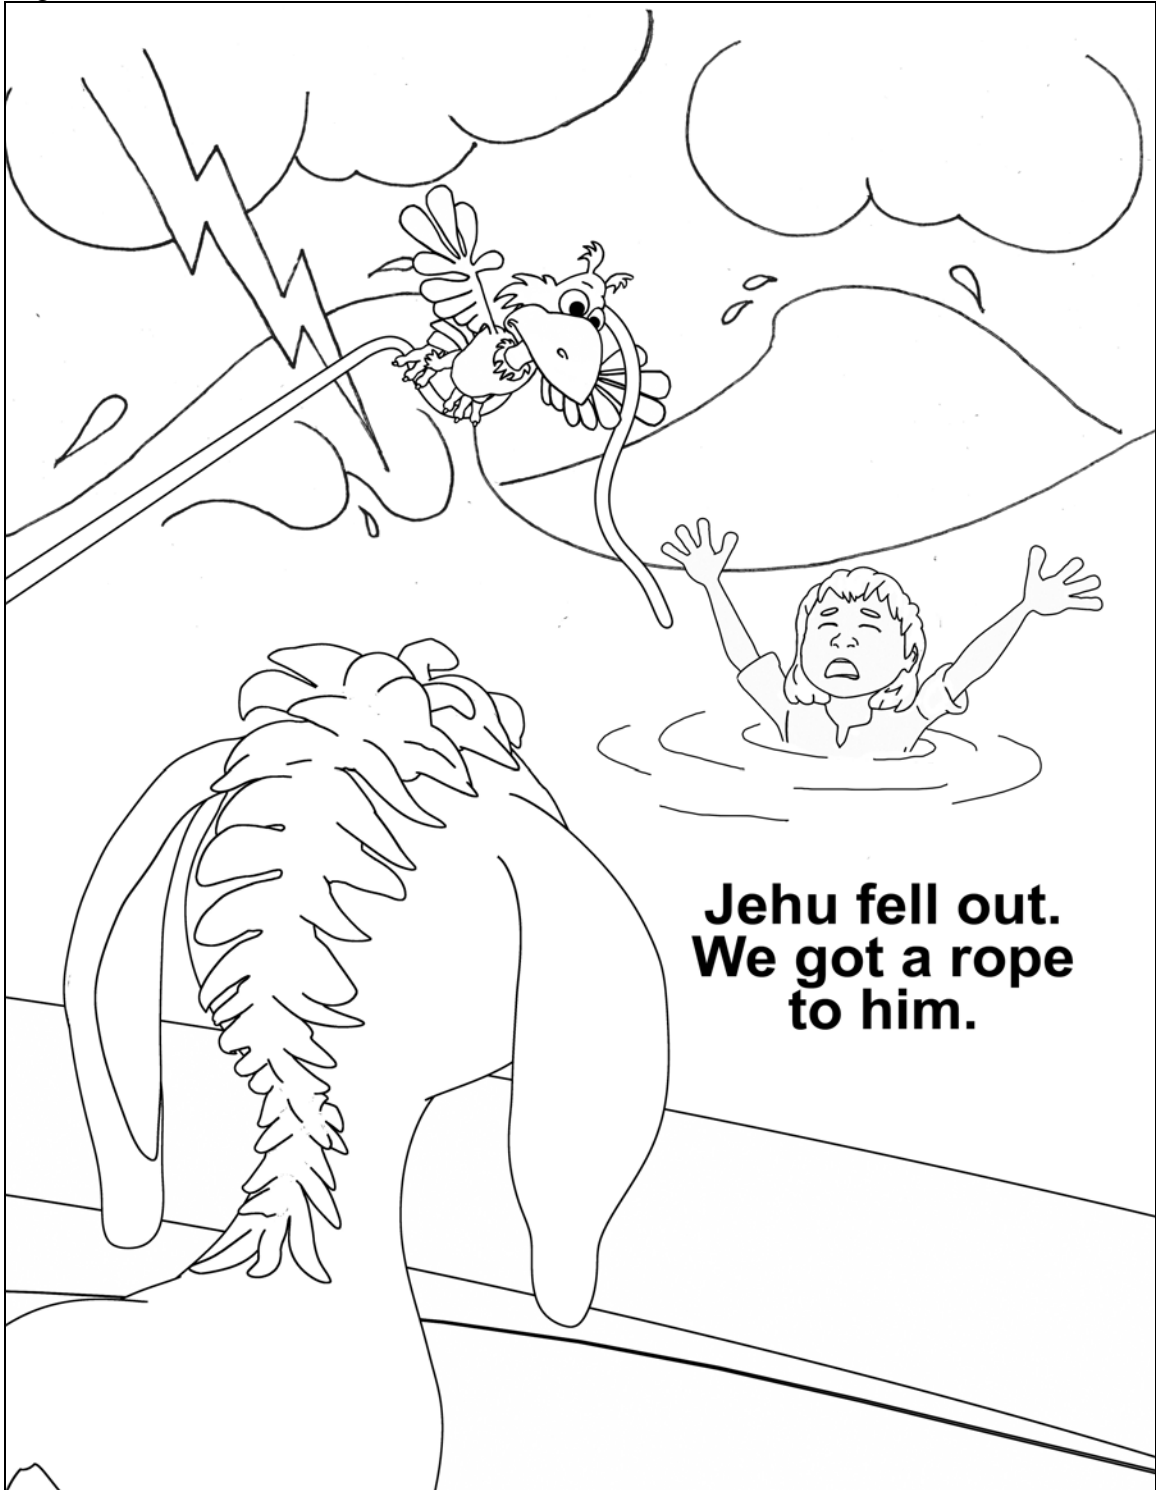

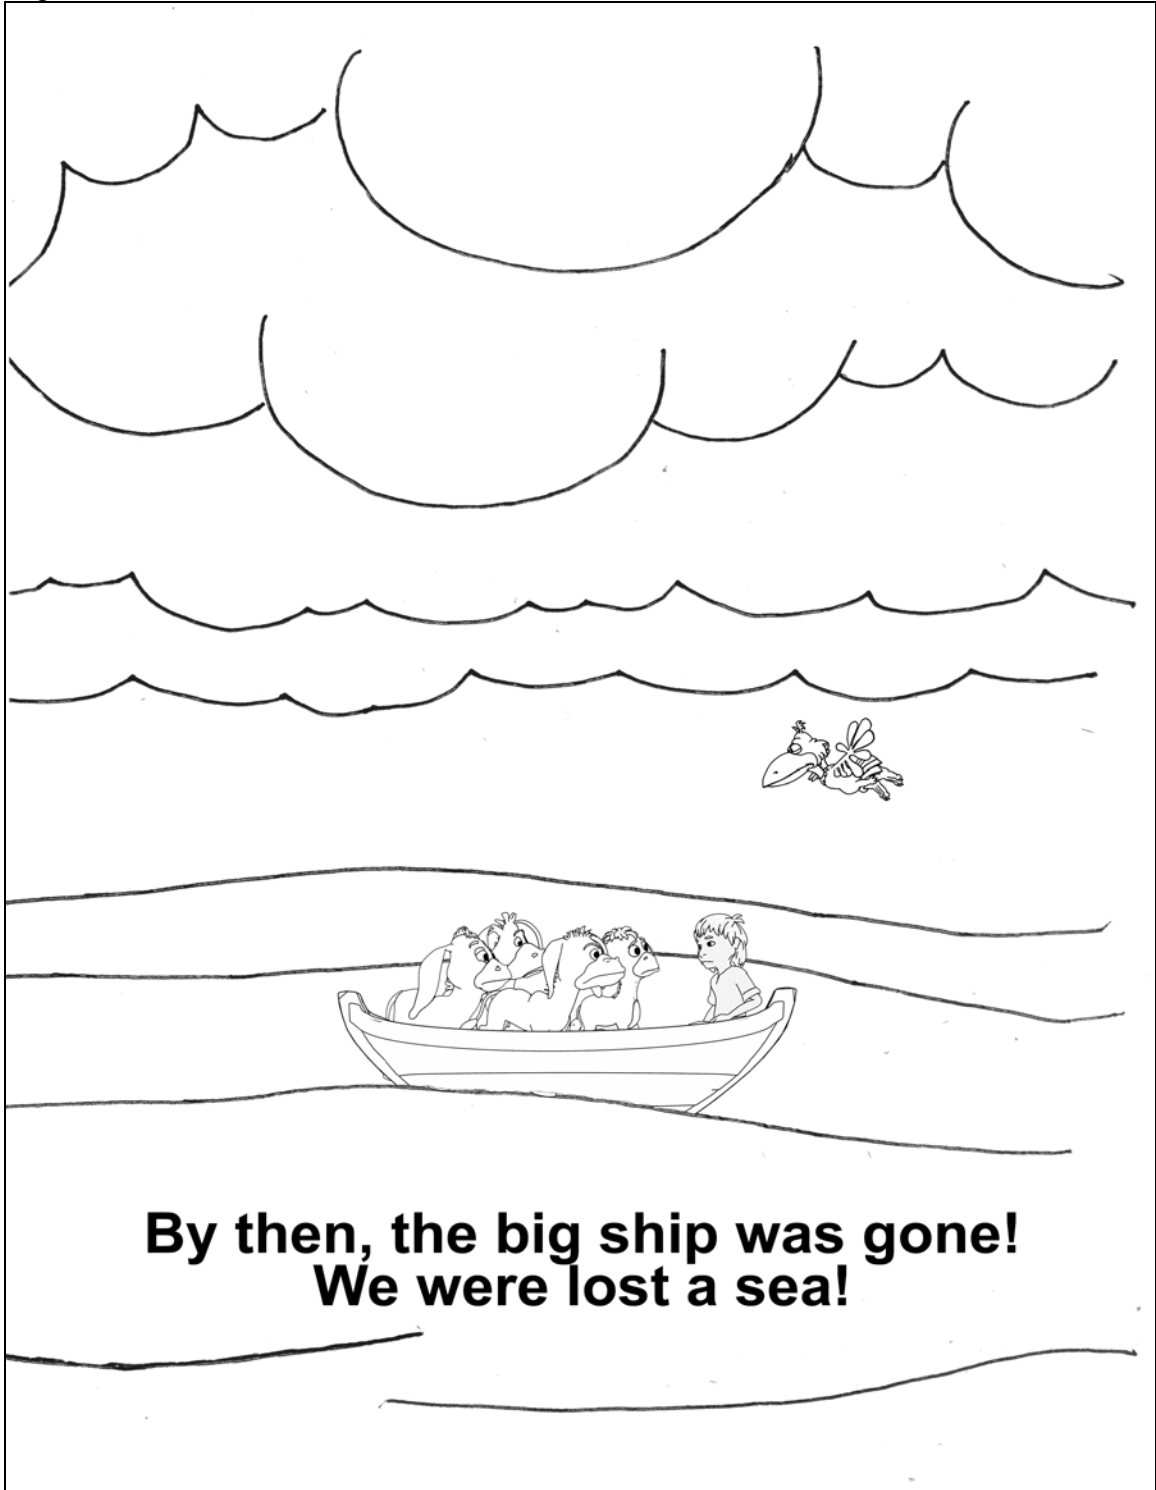

**That night, there was  
a terrible storm!  
The big ship was tossed!**

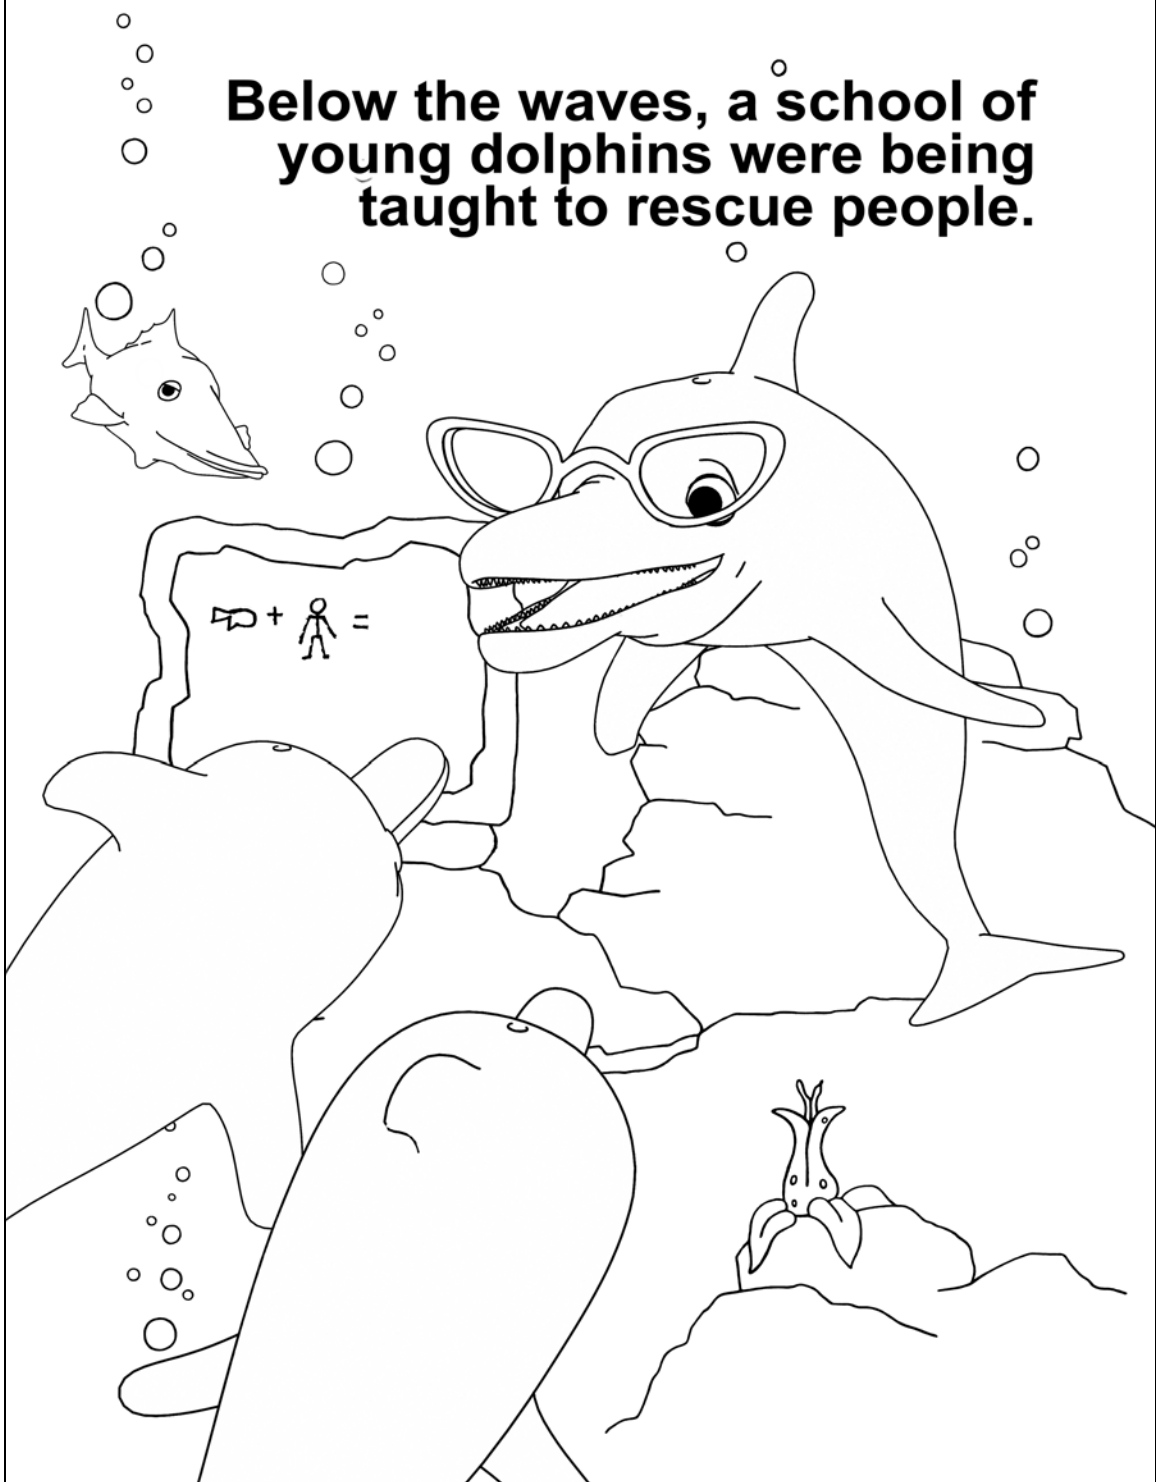

**The small boat broke loose...  
and fell into the foaming water!**

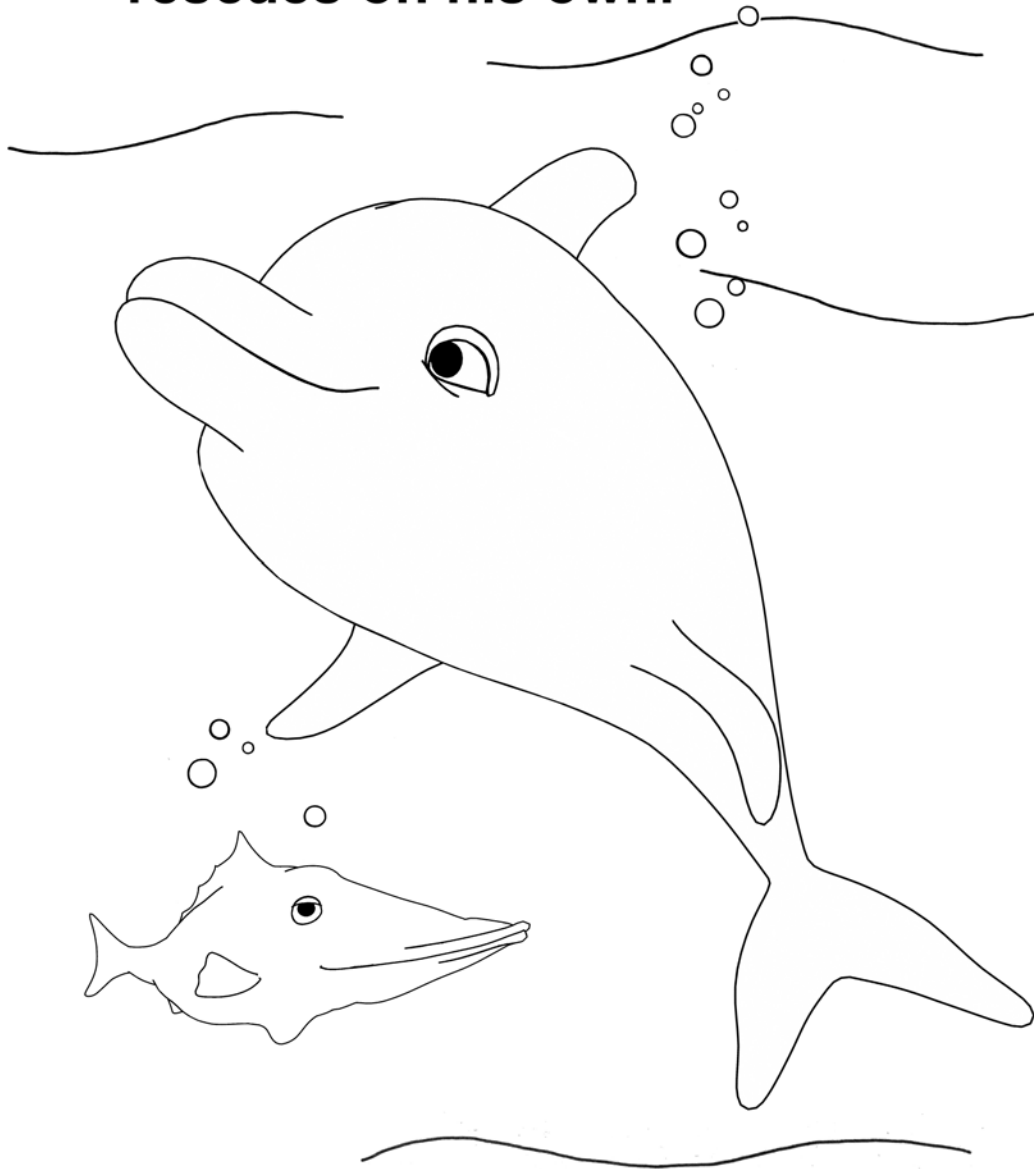

**Jehu fell out.  
We got a rope  
to him.**

**Below the waves, a school of young dolphins were being taught to rescue people.**

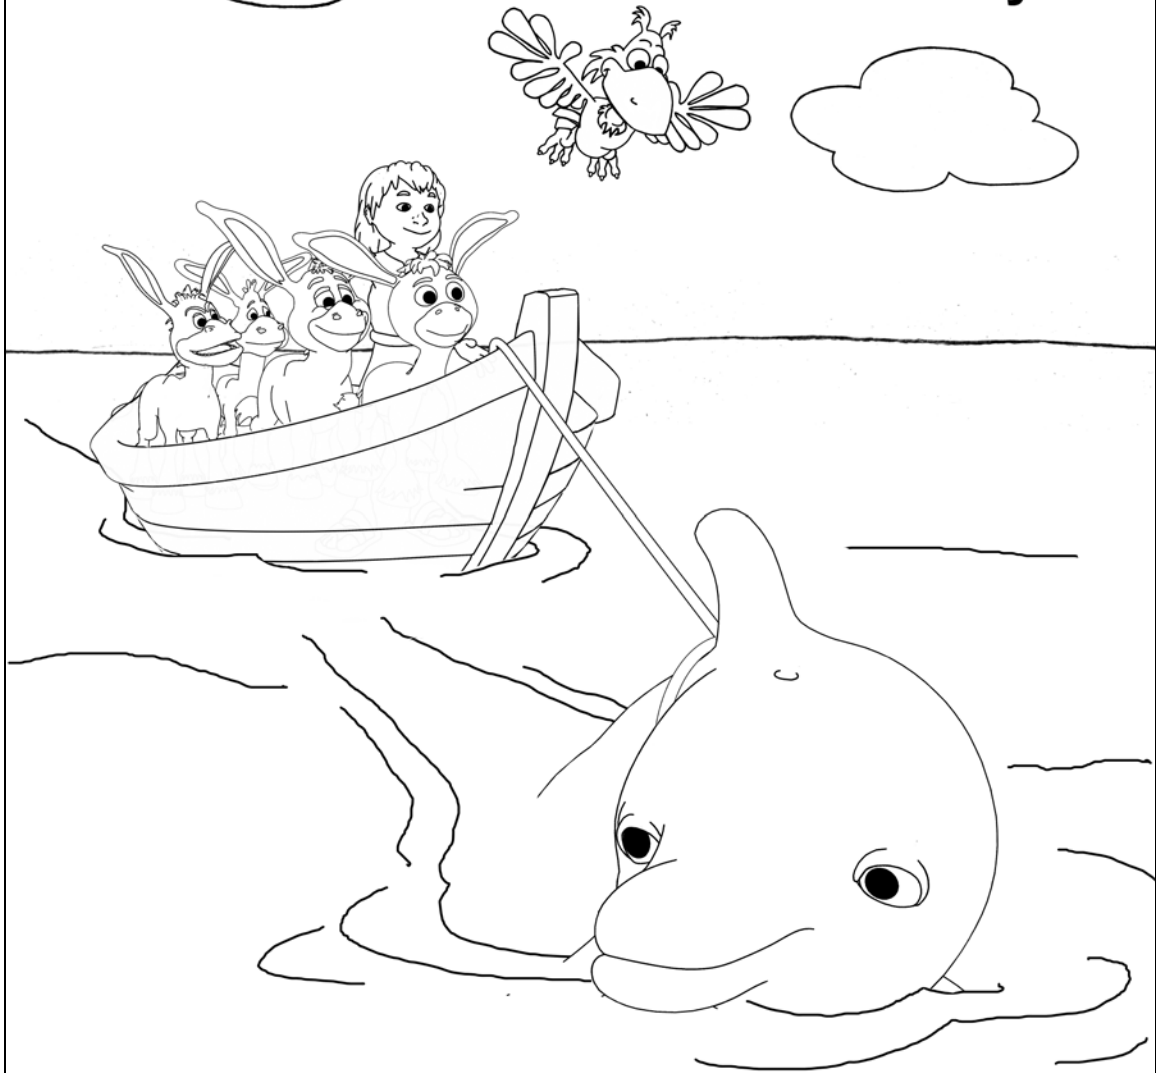

**Apollo wanted to try  
rescues on his own.**

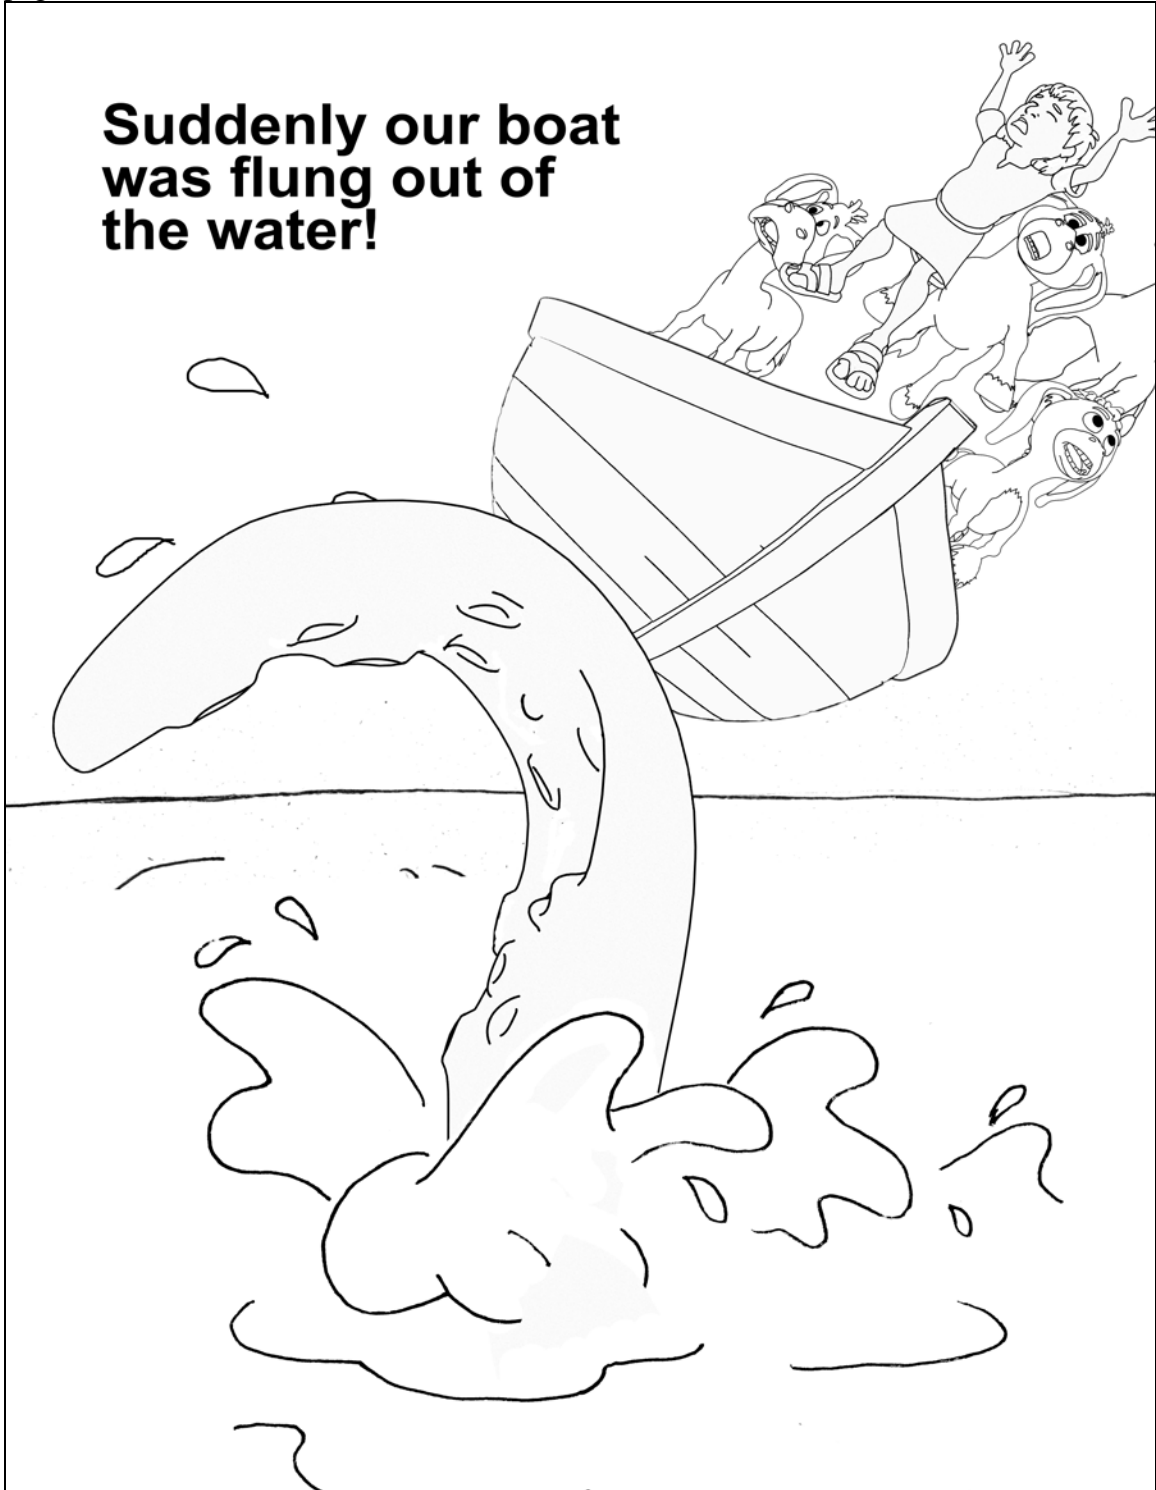

1

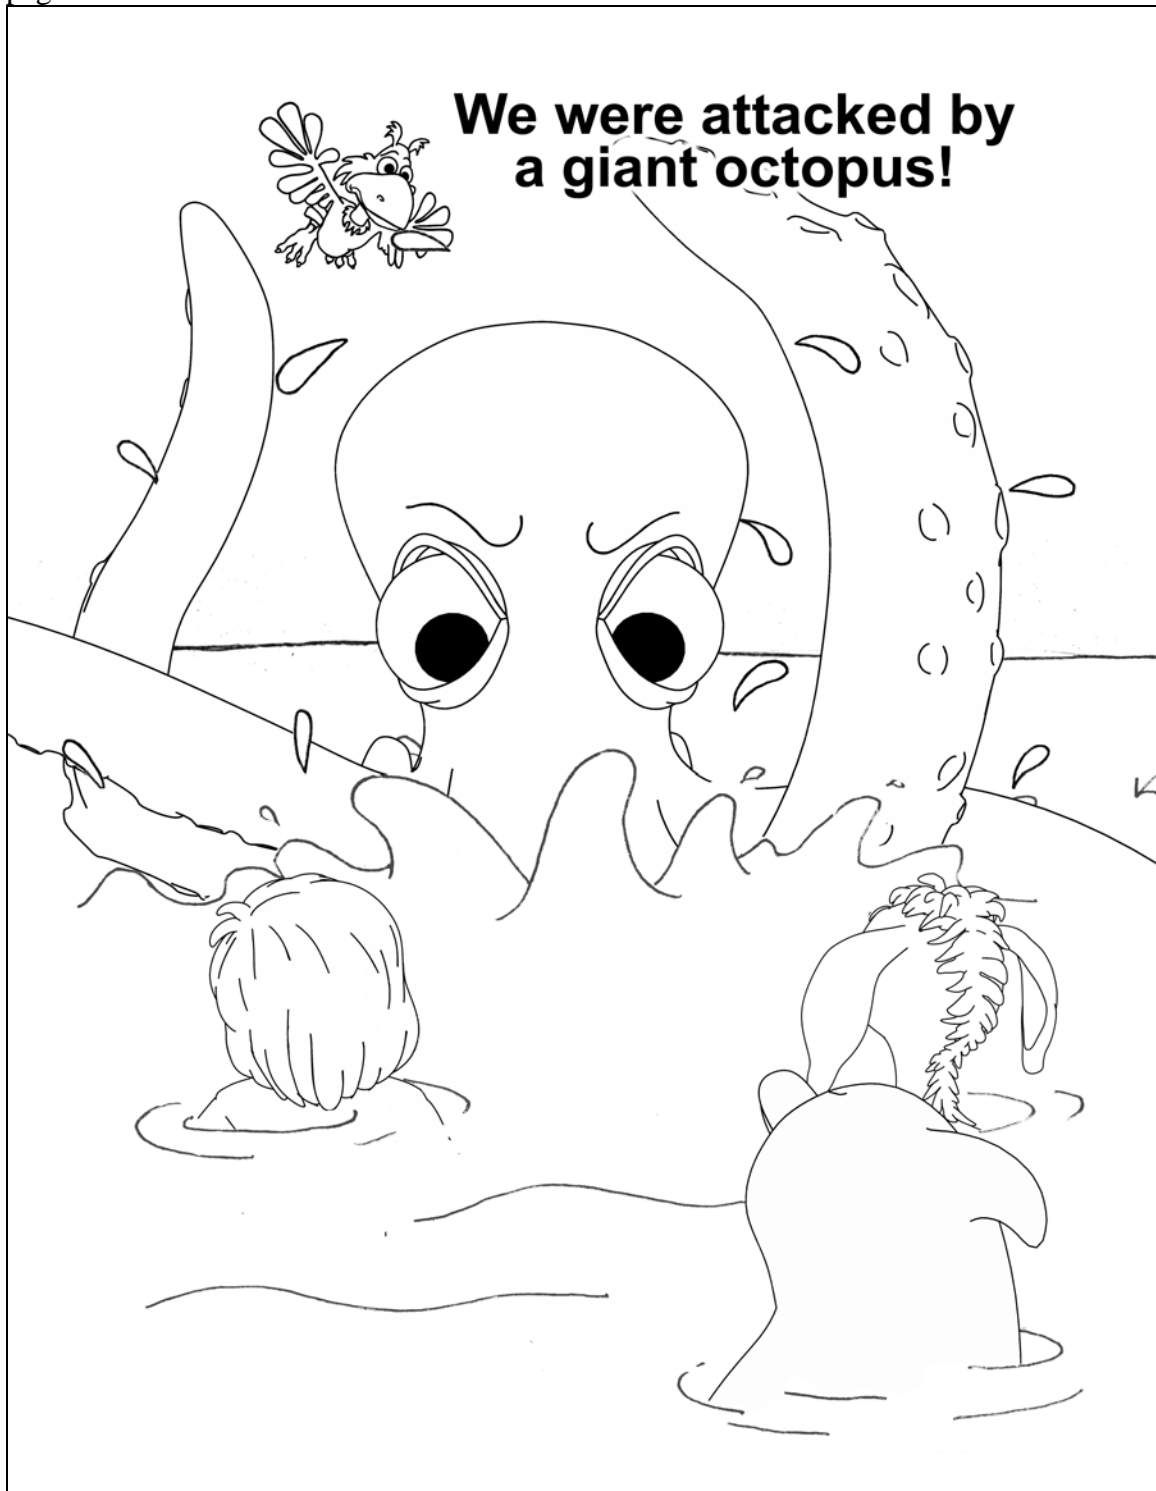

**Apollo found us,  
and tried to tow  
us to safety.**

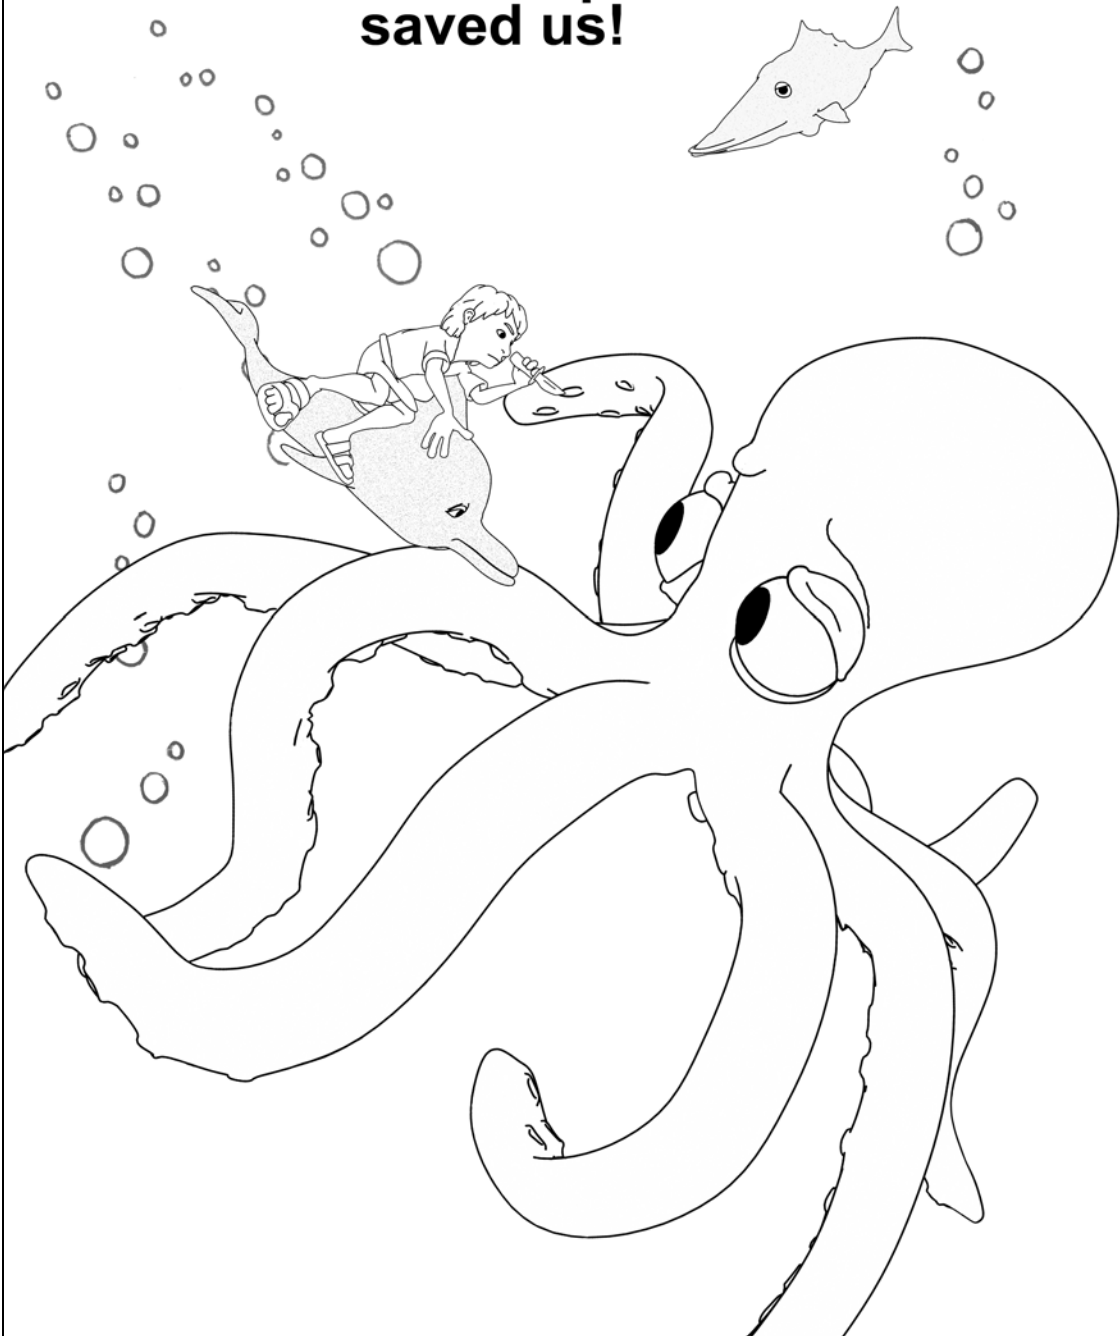

**Suddenly our boat  
was flung out of  
the water!**

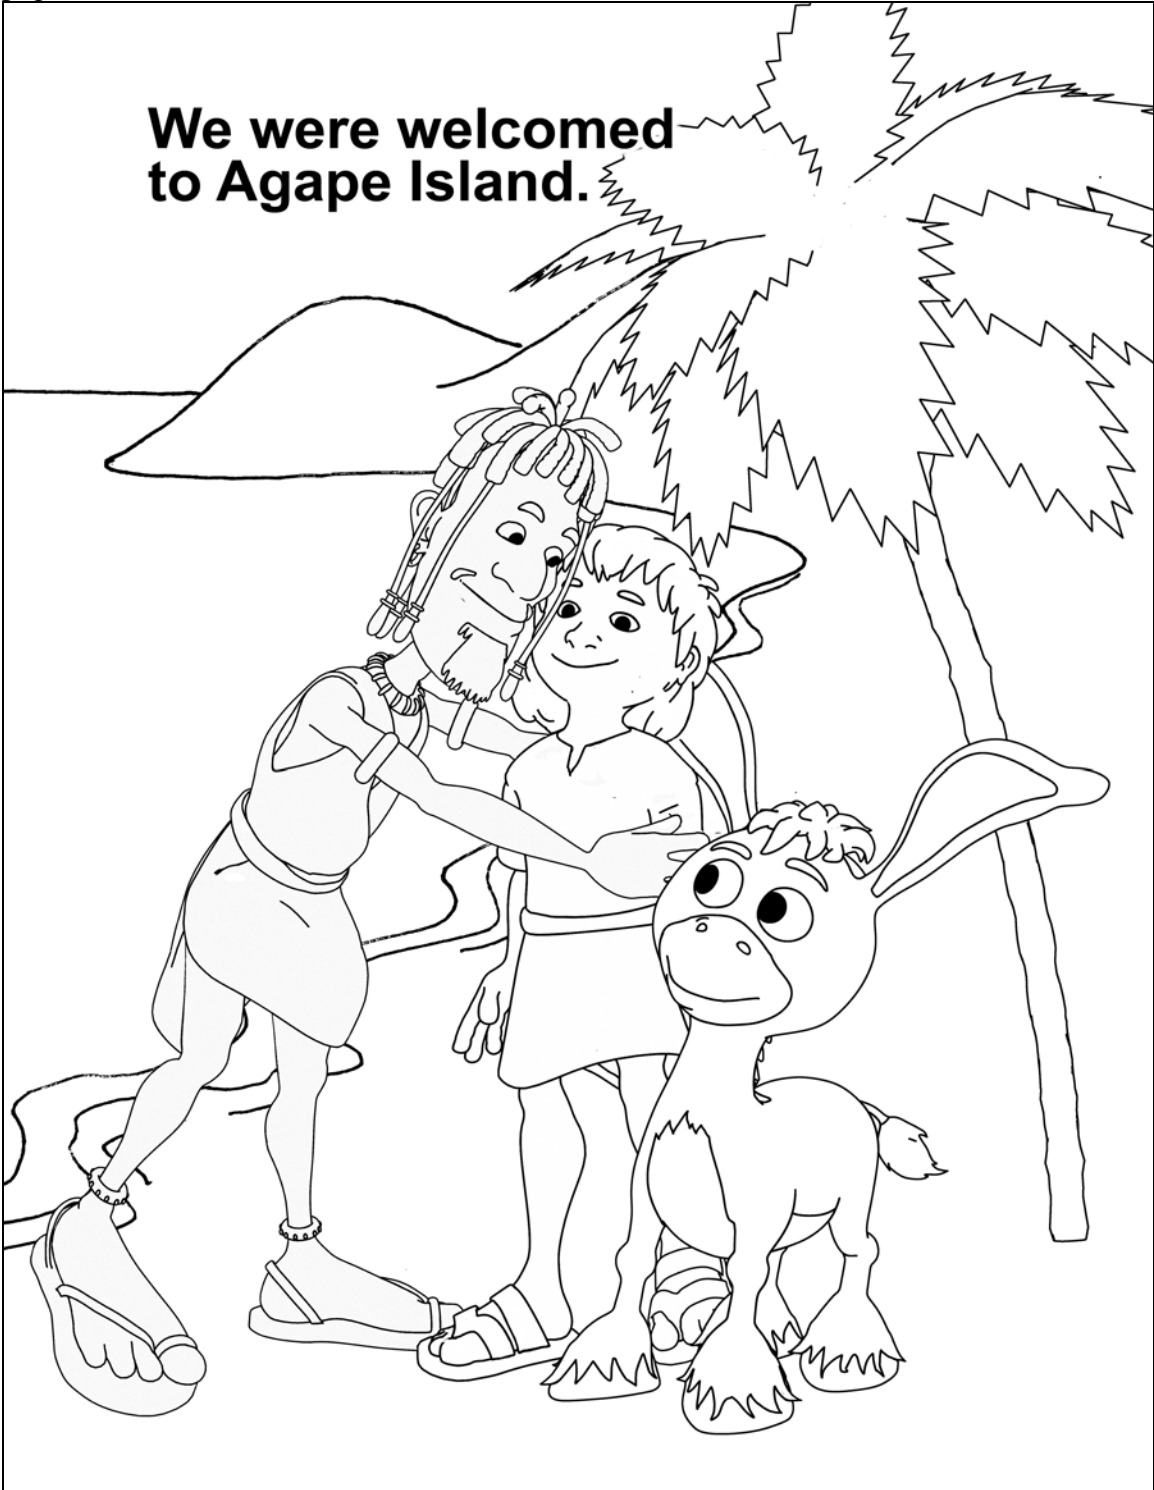

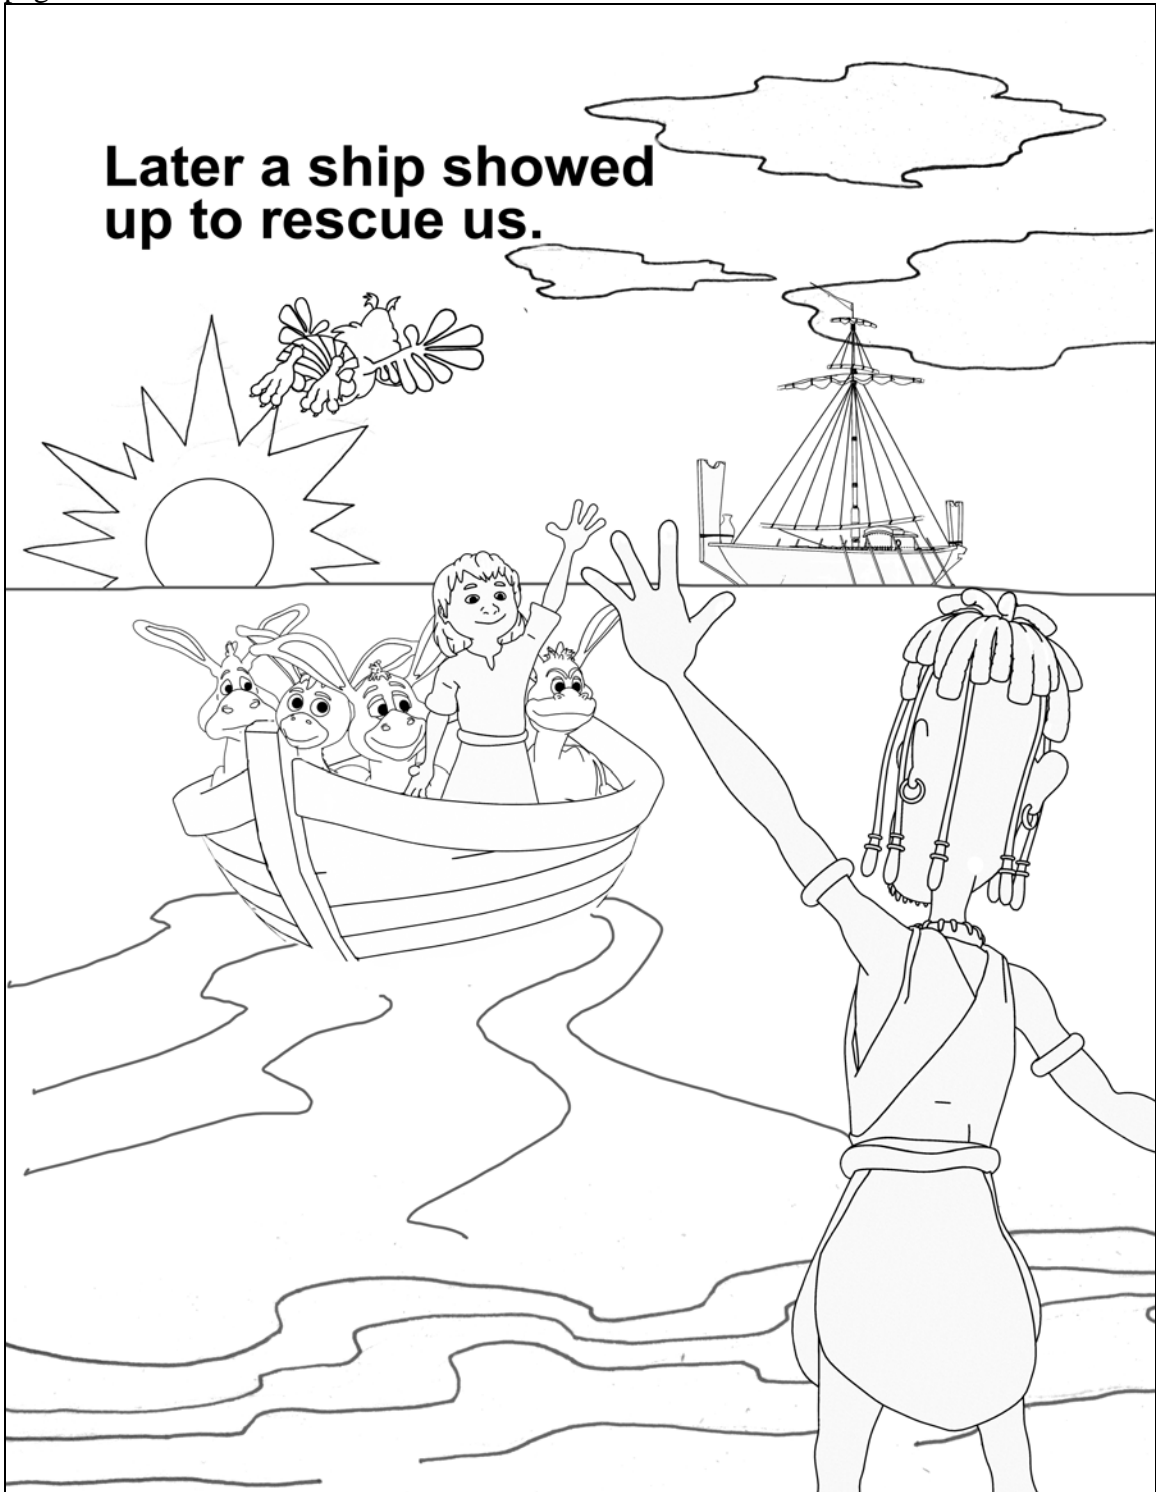

# Jehu and Apollo saved us!

**We were welcomed  
to Agape Island.**

**Later a ship showed  
up to rescue us.**

**Abner and Elizabeth had  
two fine children...  
Jonathan  
and Rhea.**

**They were both  
kidnapped by  
evil Lucious!**
