

**Jehu and Allondra  
were soon married.**

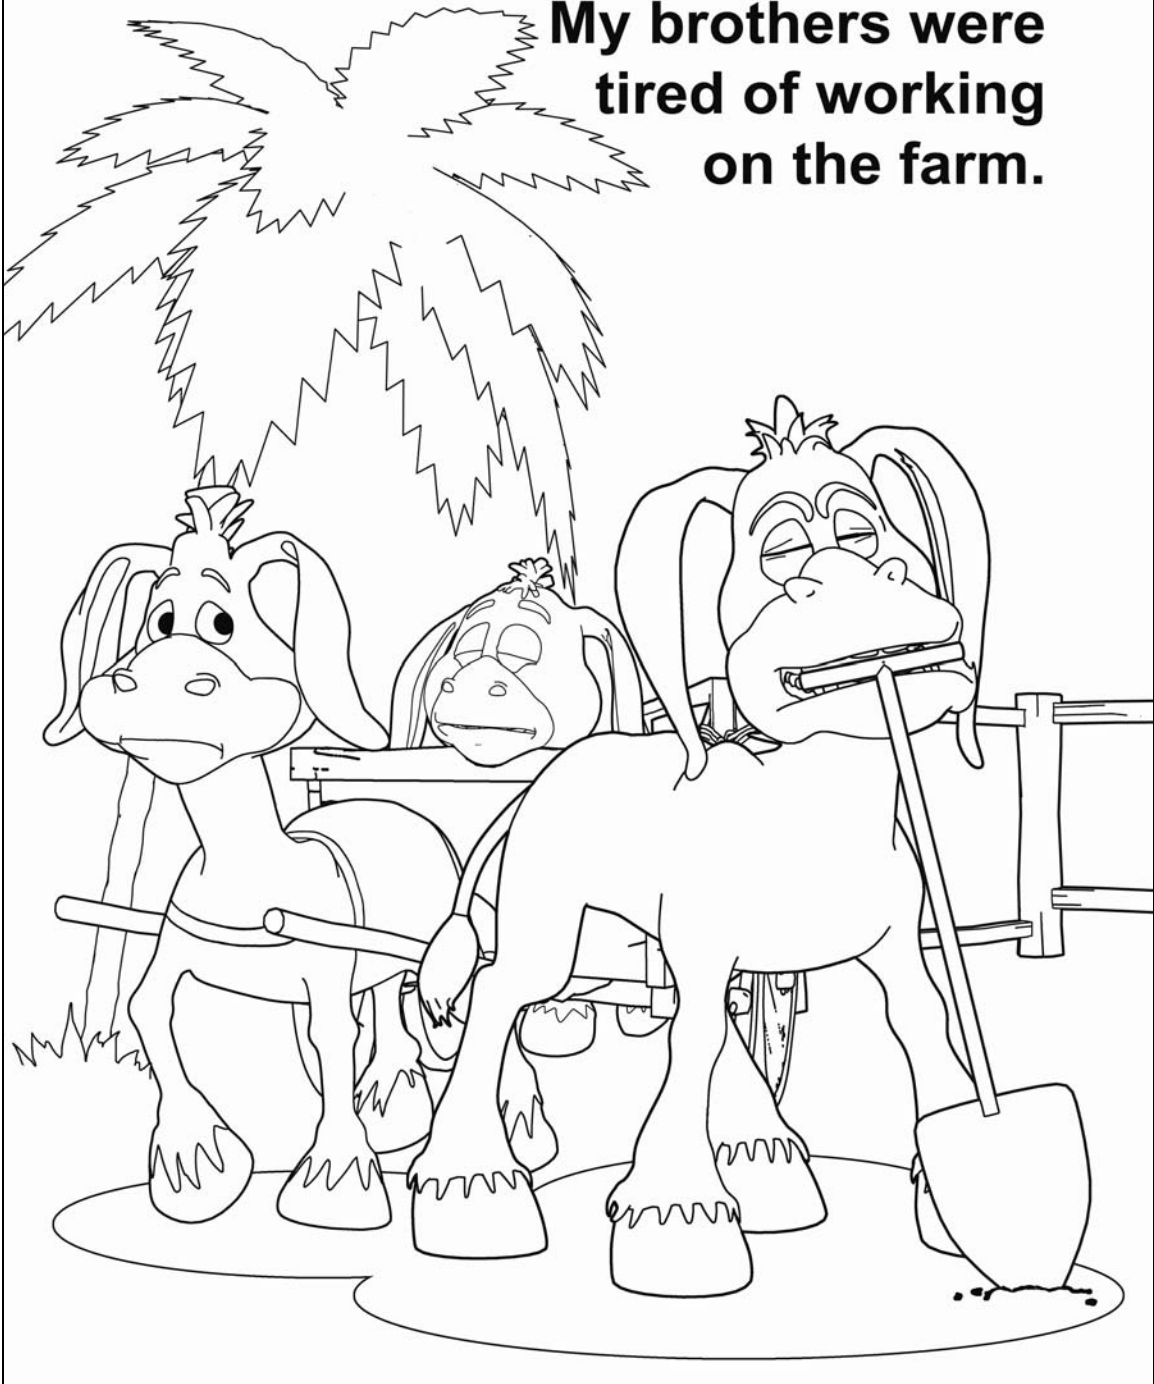

**Grain and other food supplies  
were being stolen  
from local farms.  
Jehu and I  
investigated.**

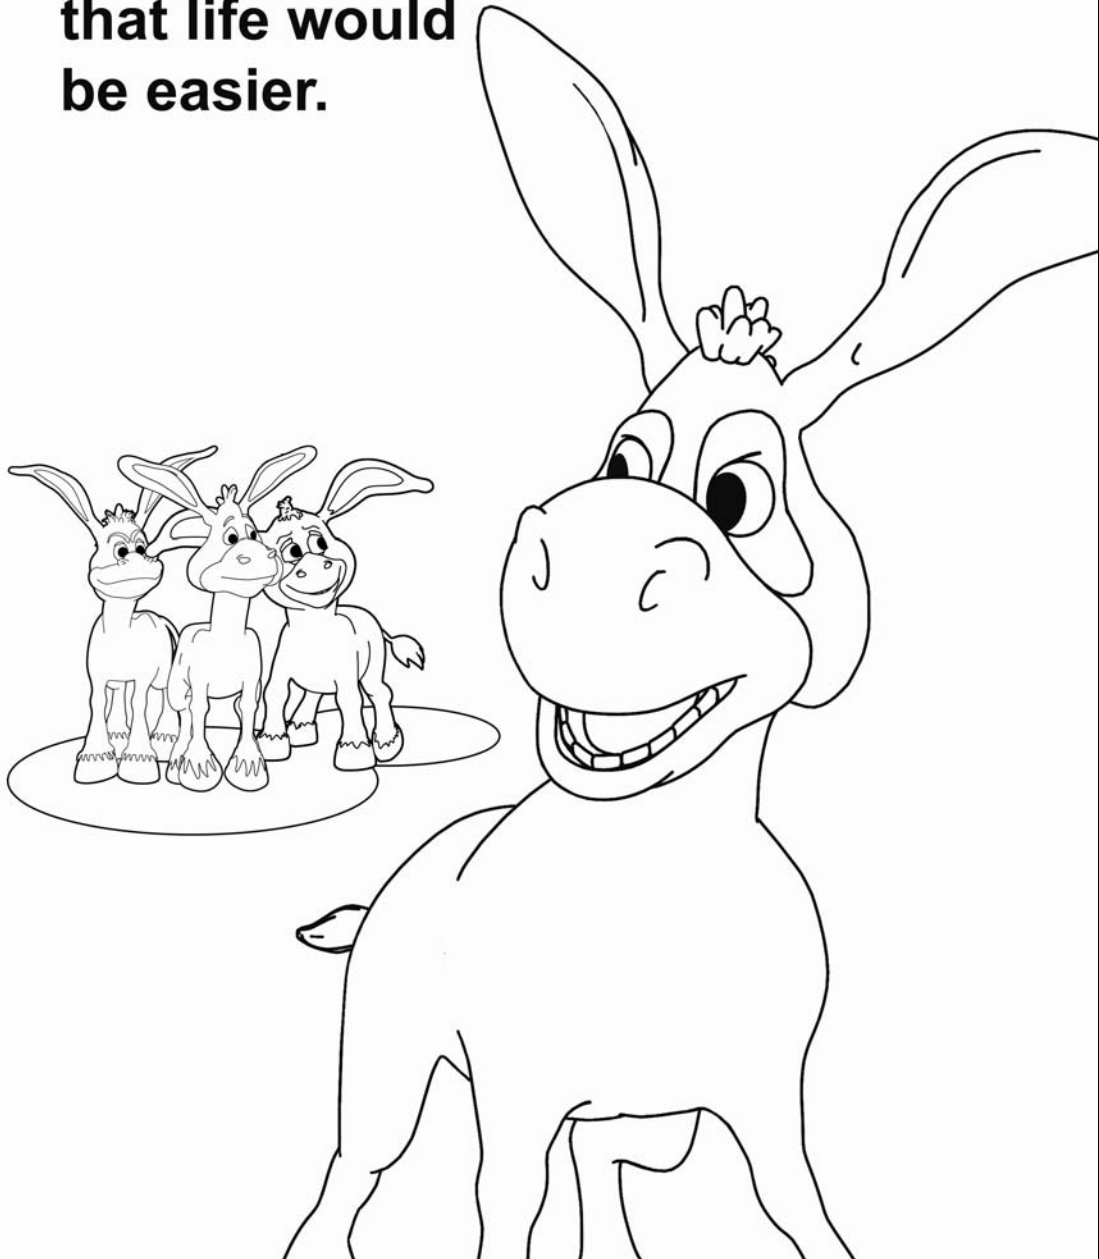

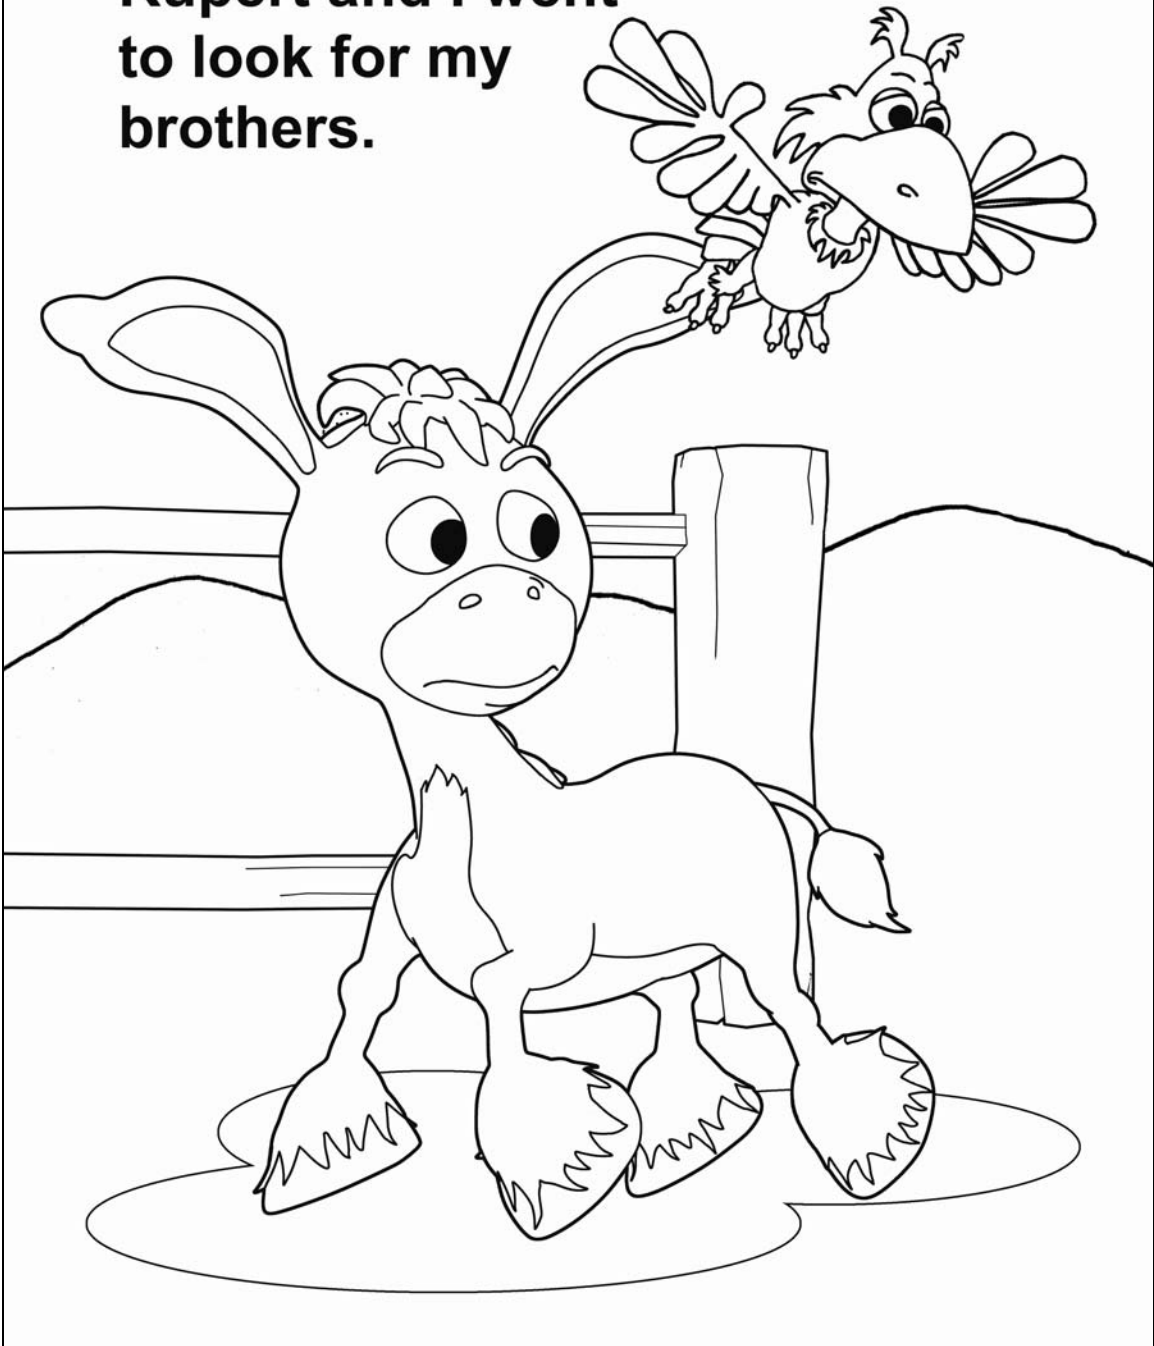

**My brothers were  
tired of working  
on the farm.**

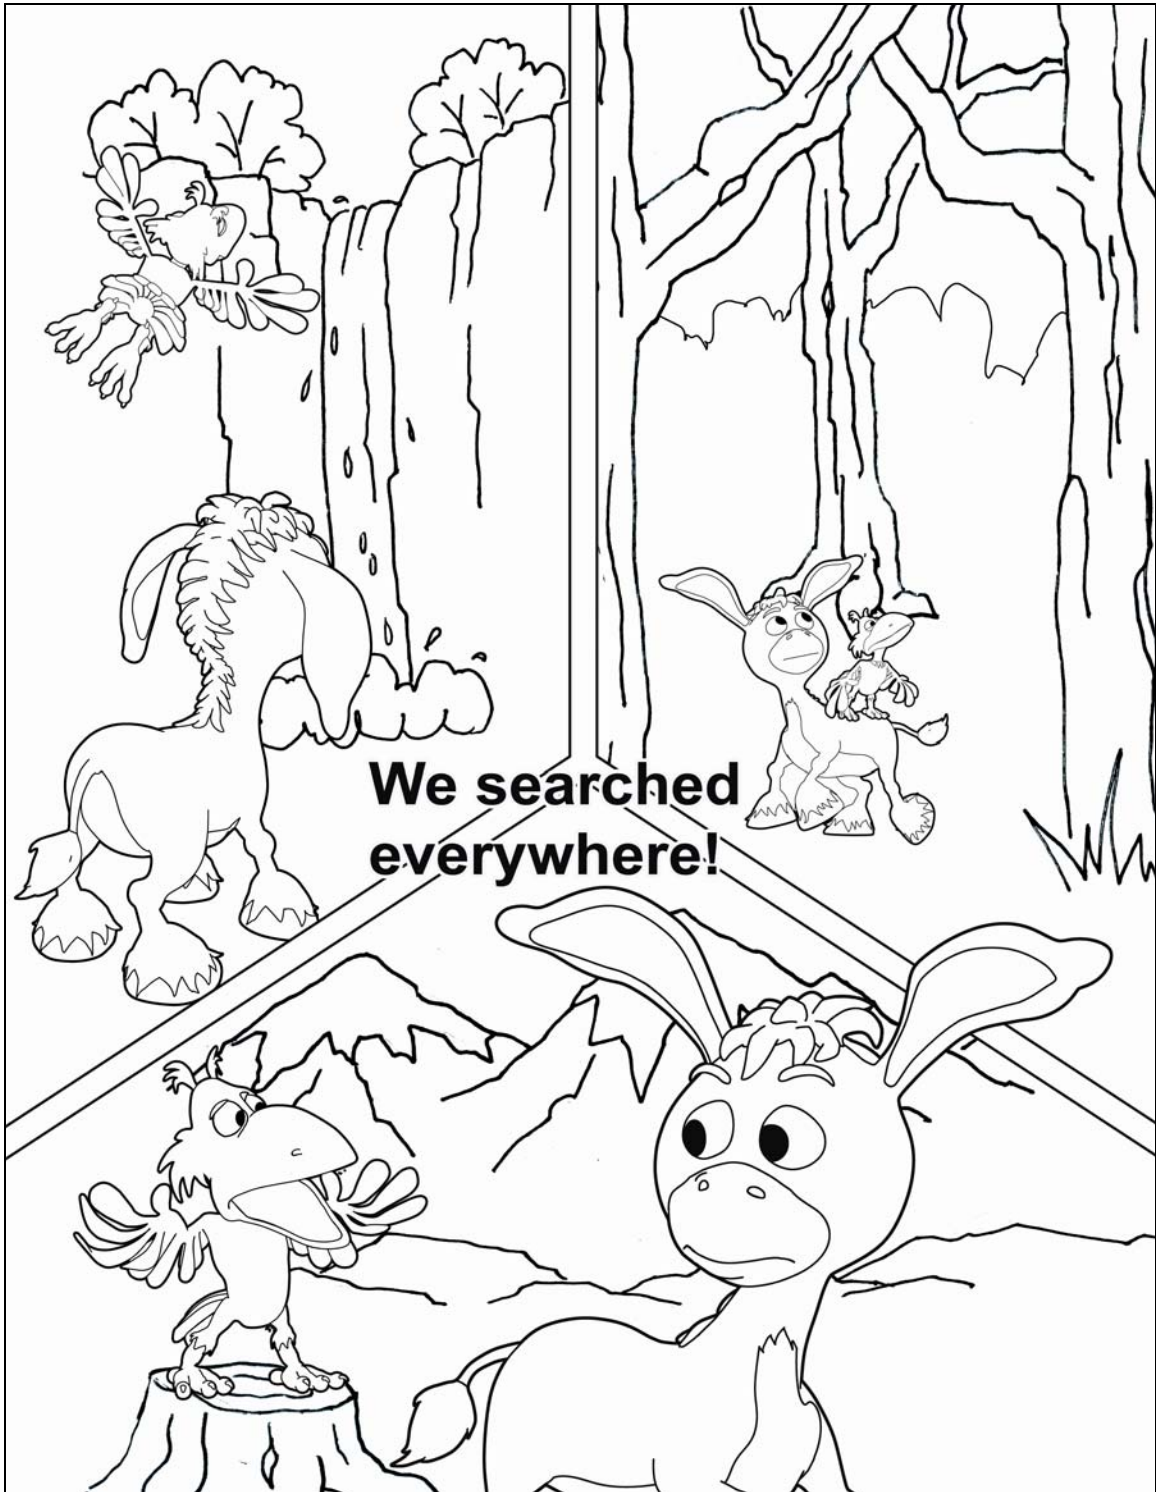

**Whipper talked them into joining his donkey gang. He promised that life would be easier.**

**Rupert and I went  
to look for my  
brothers.**

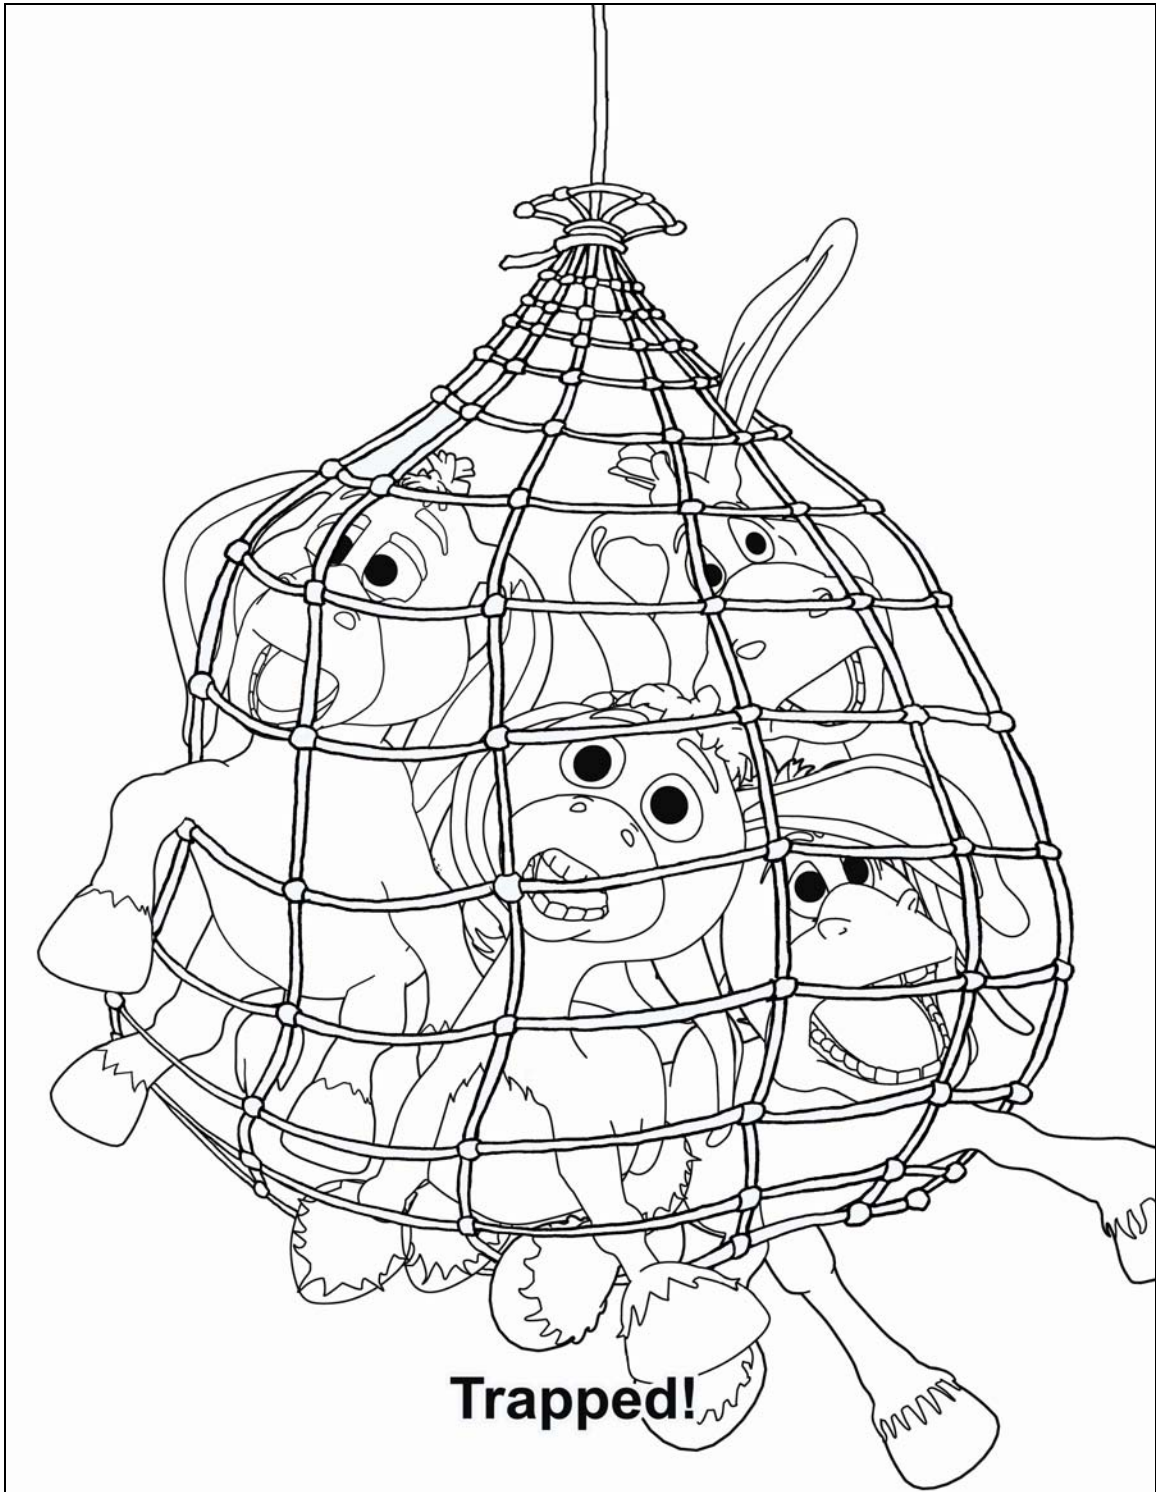

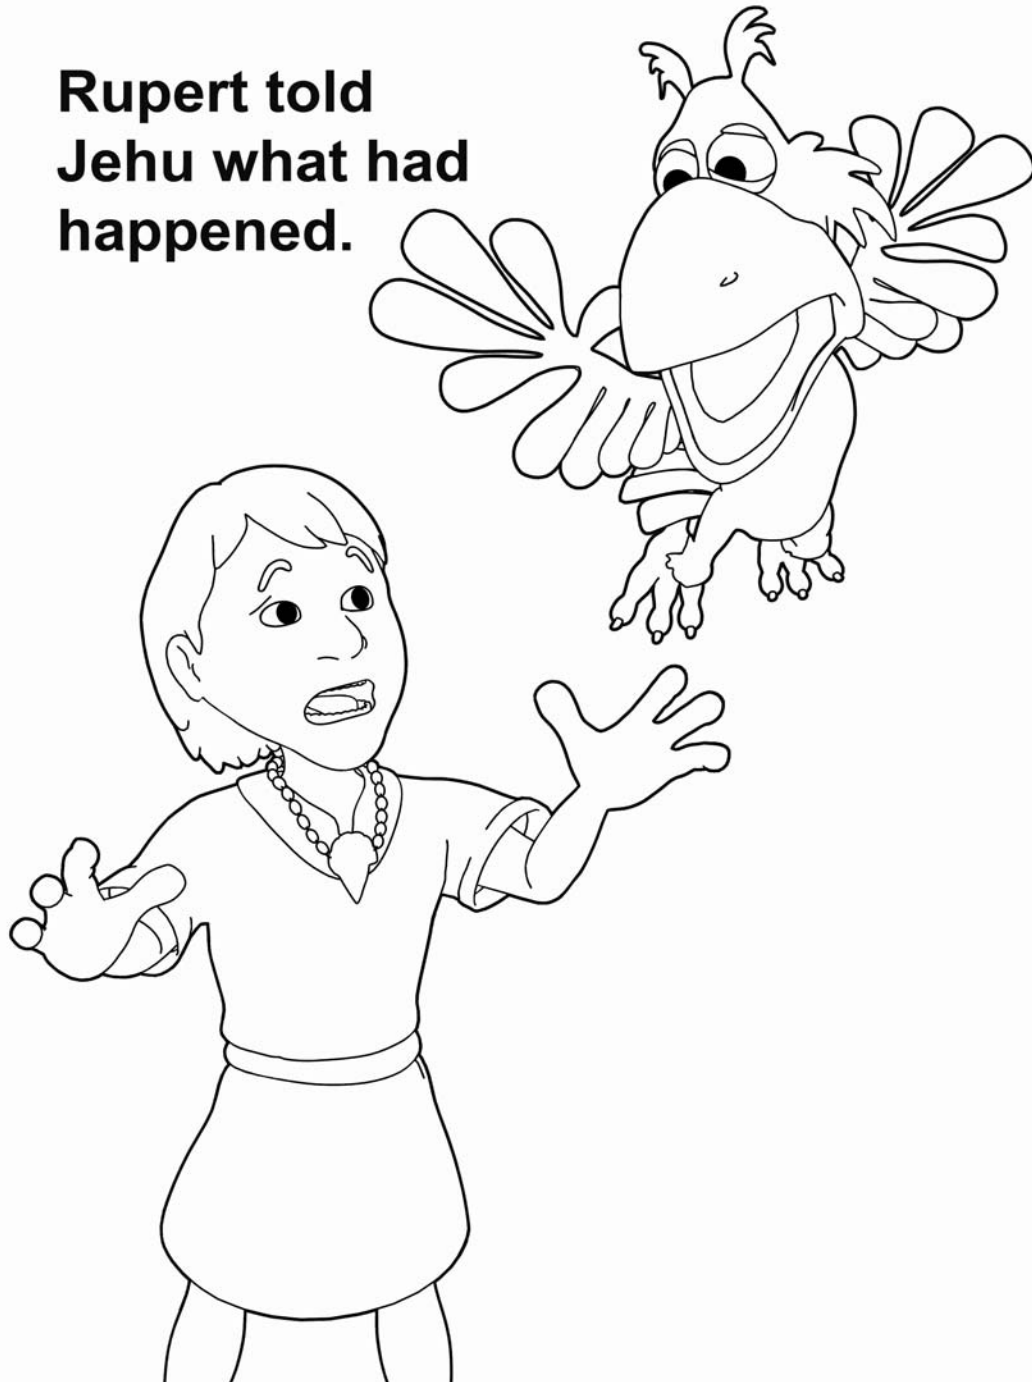

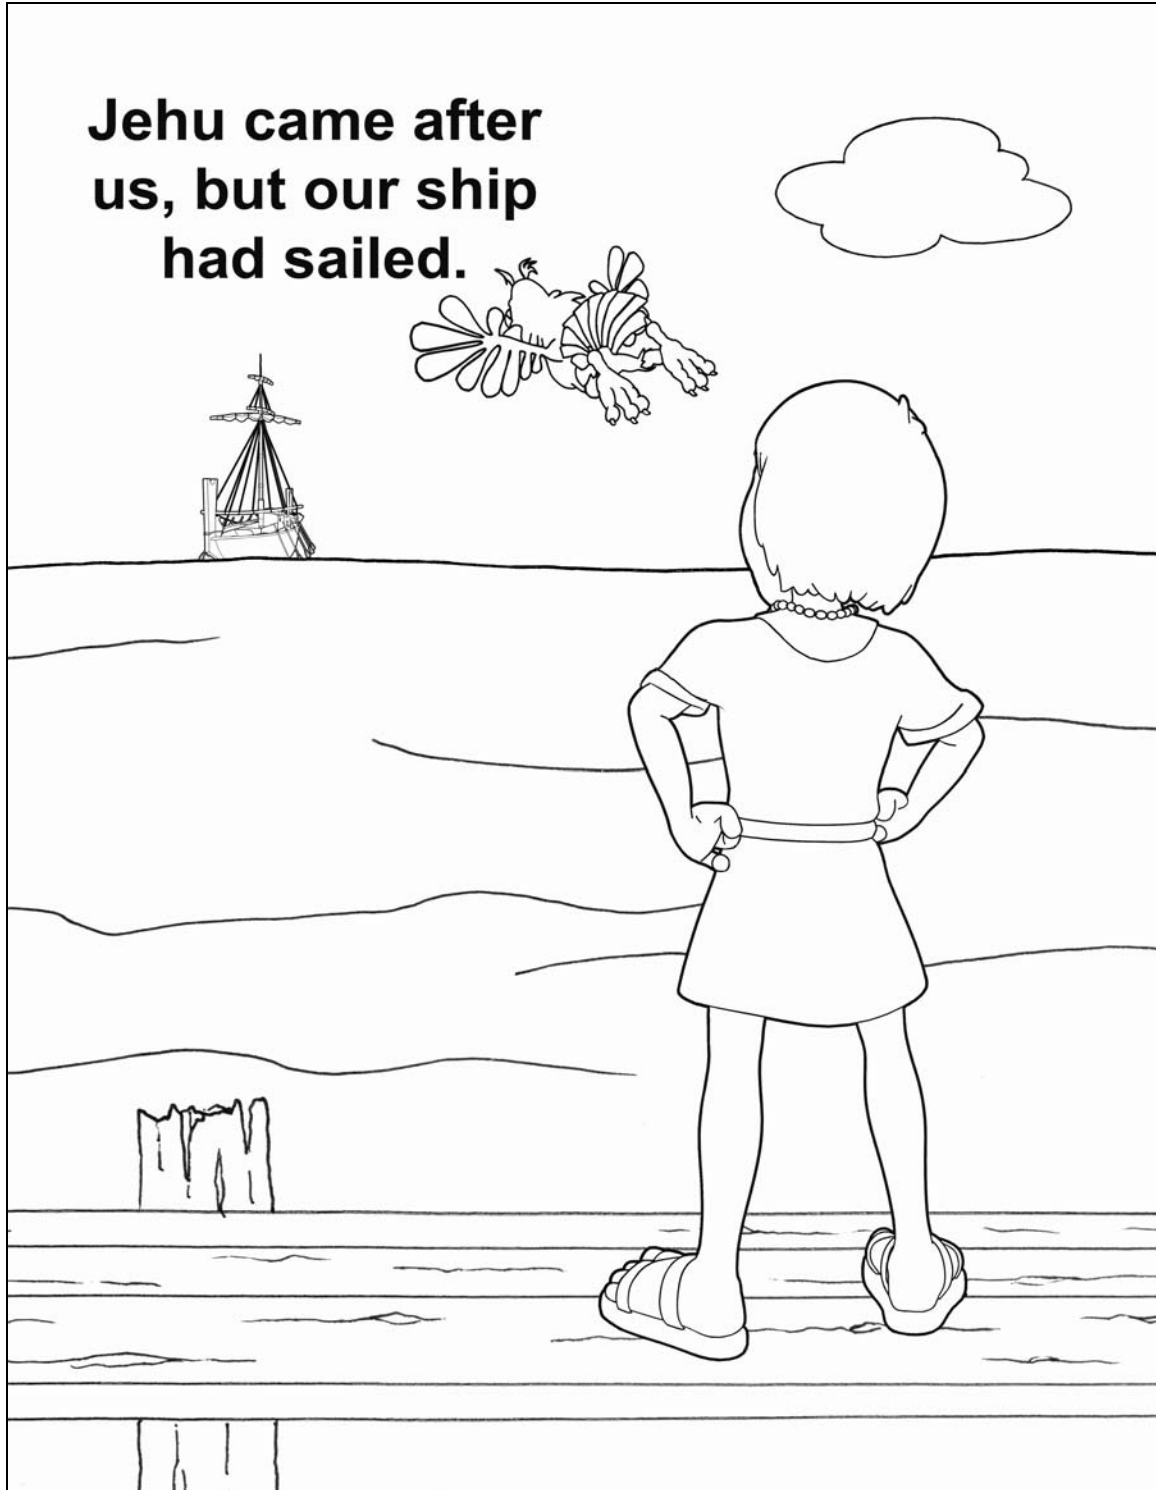

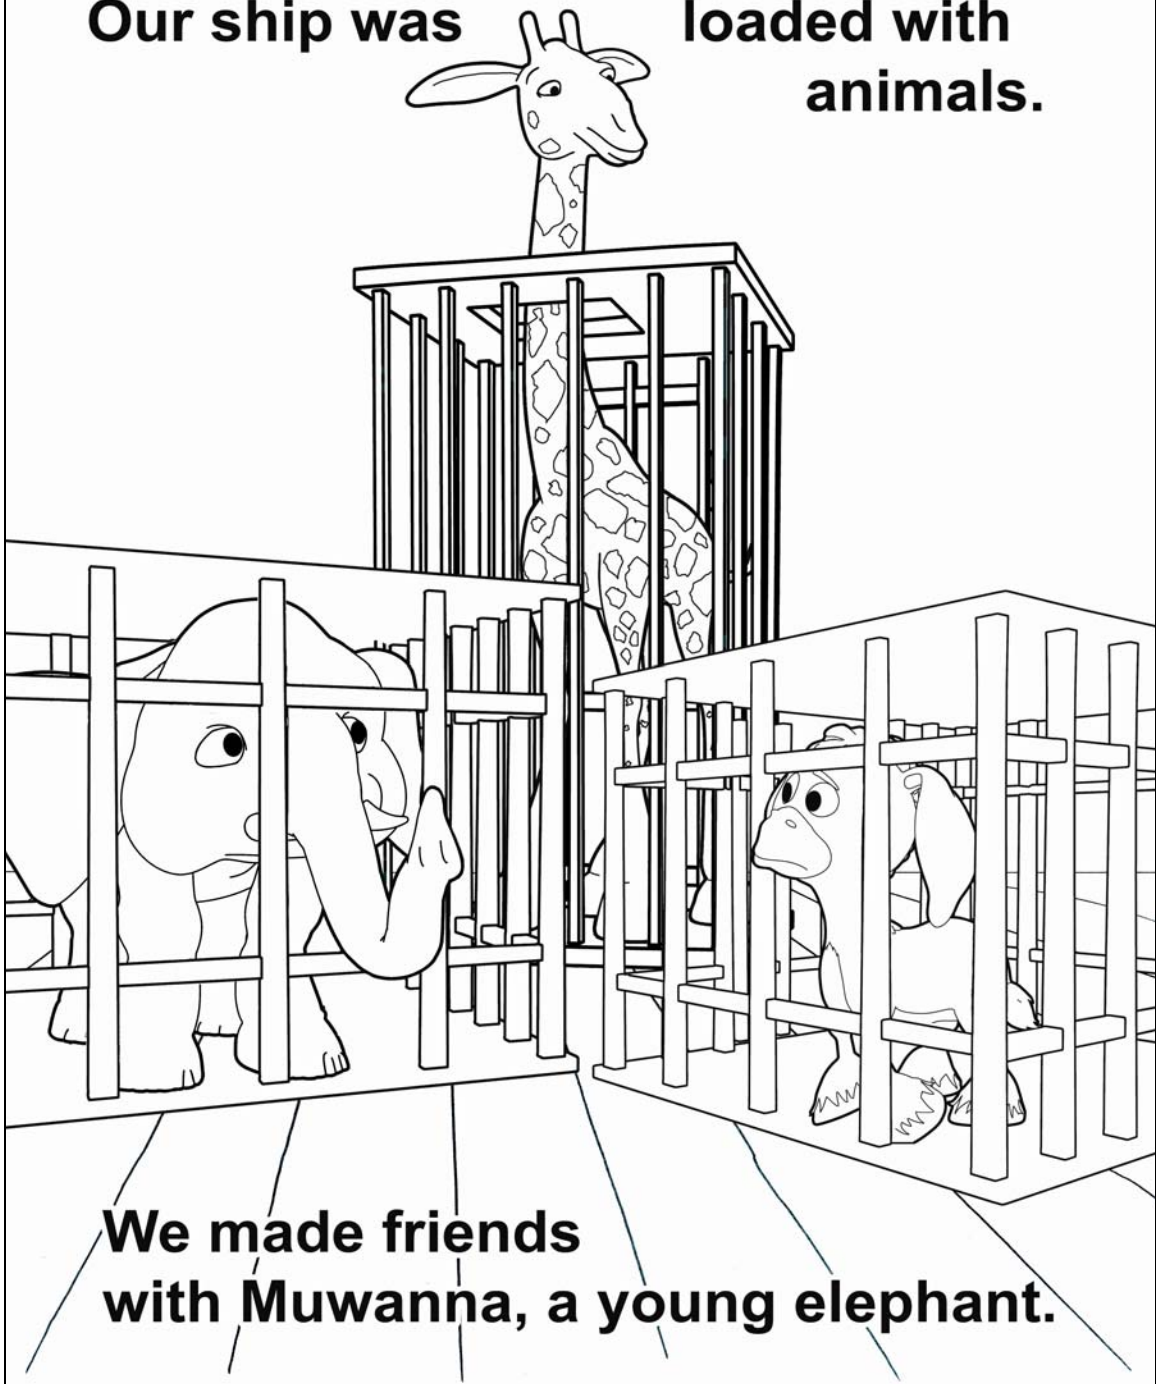

**We were taken  
to the seaport,  
to be shipped to Rome!**

**Rupert told  
Jehu what had  
happened.**

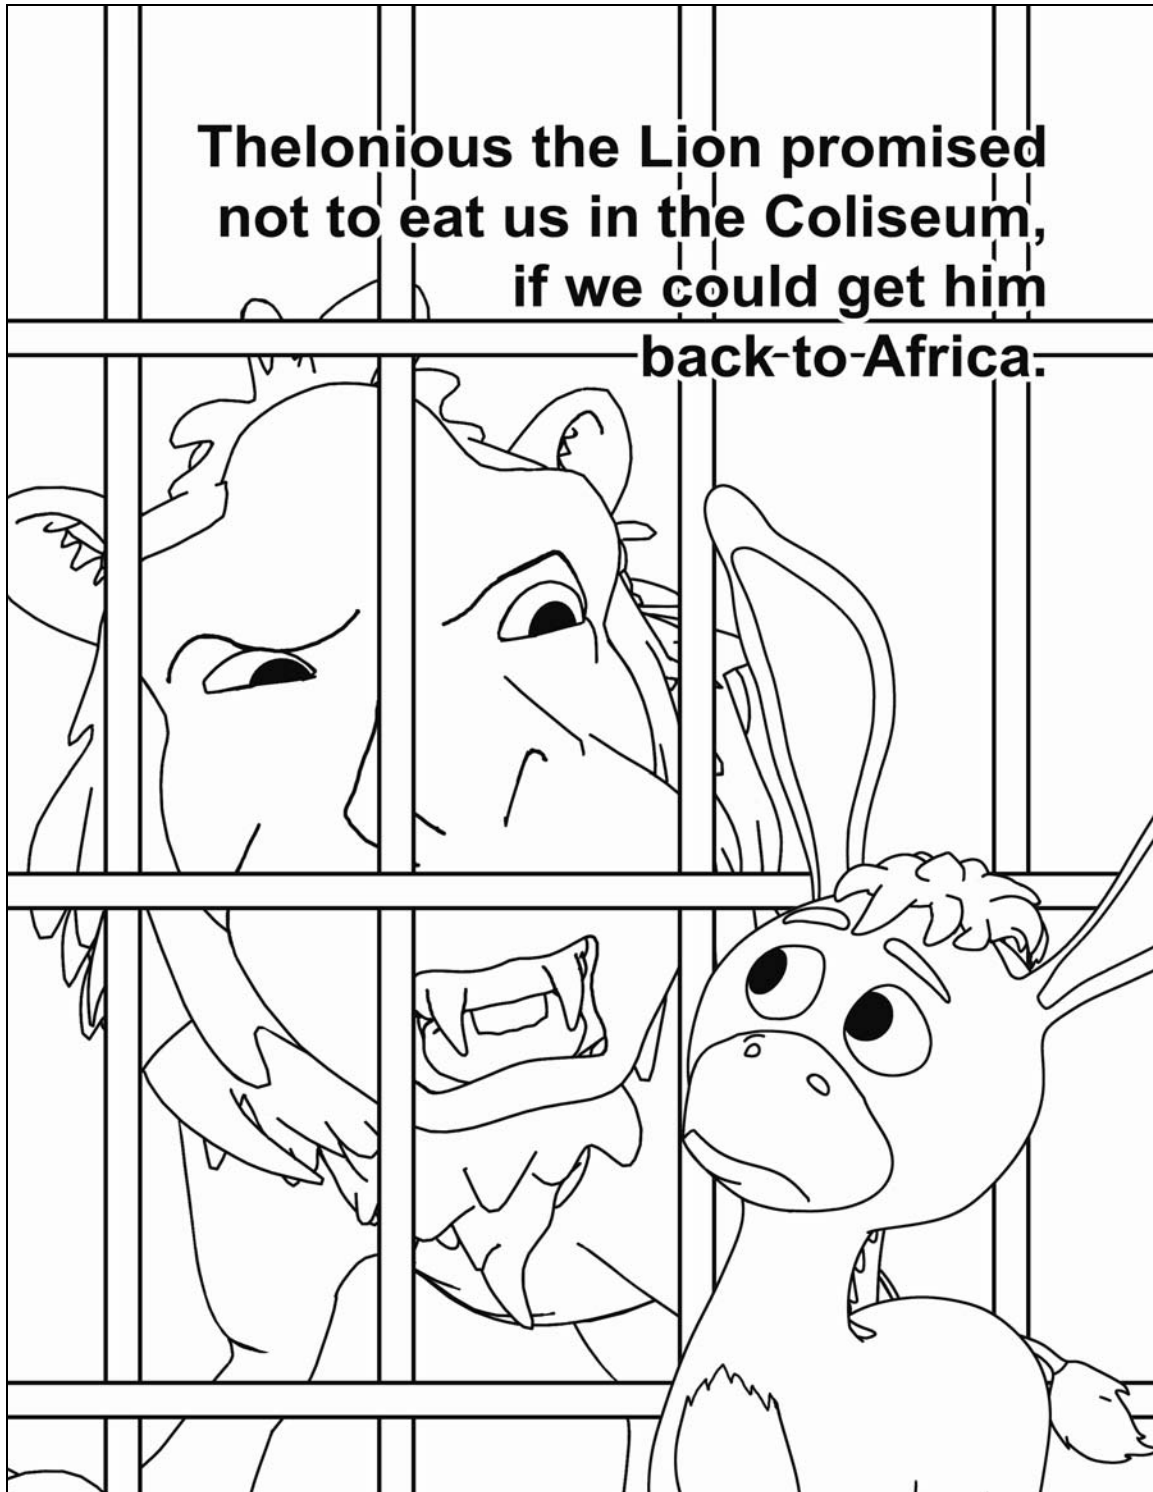

**Our ship was loaded with animals.**

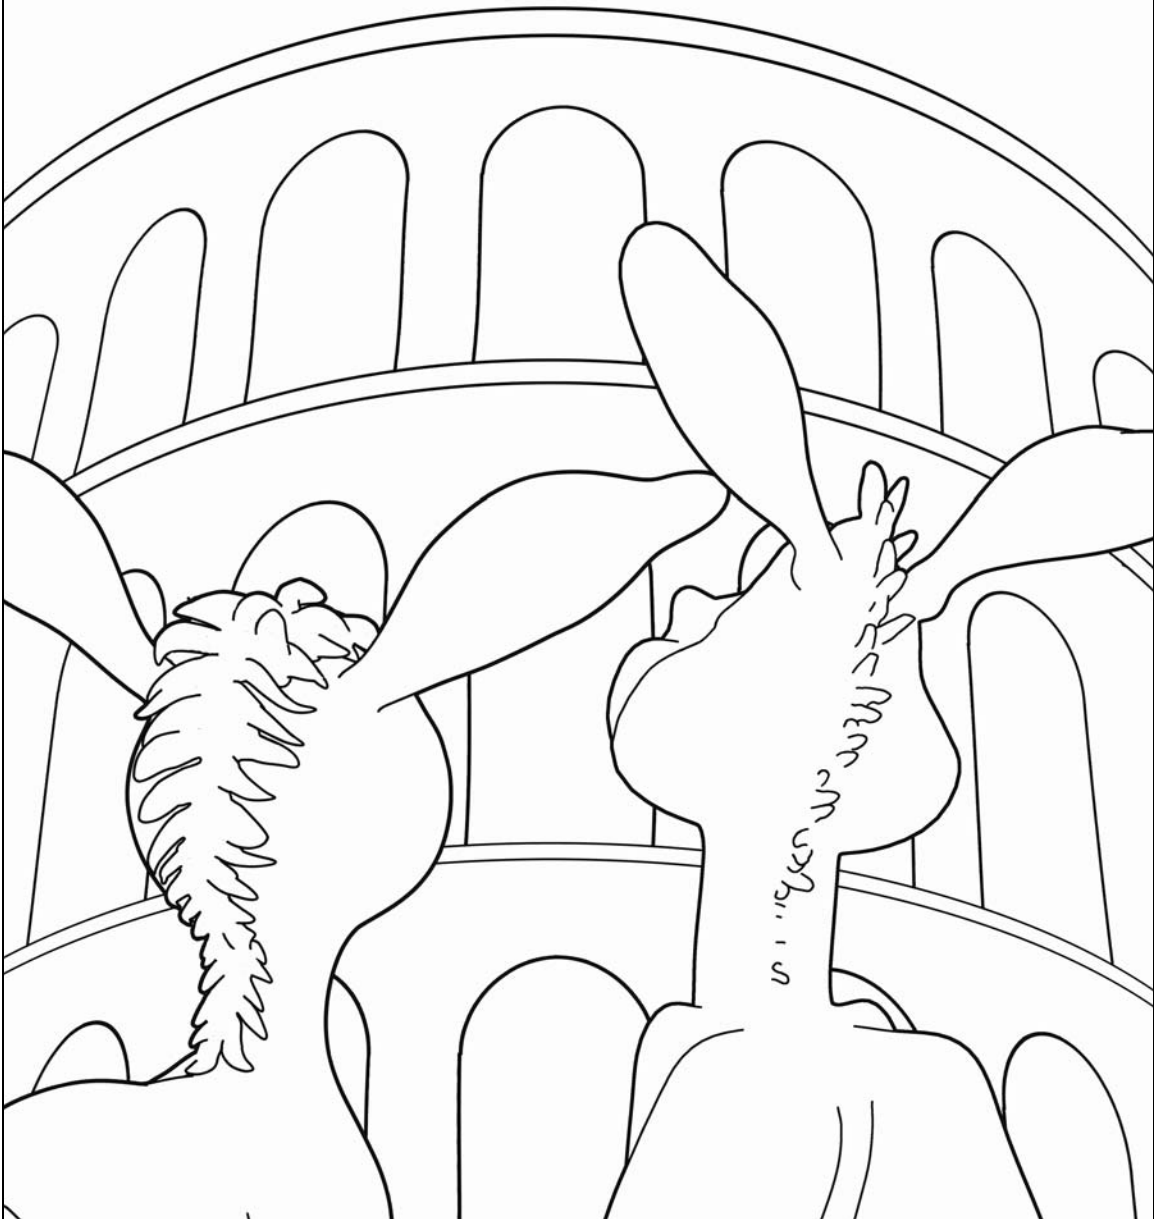

**We made friends with Muwanna, a young elephant.**

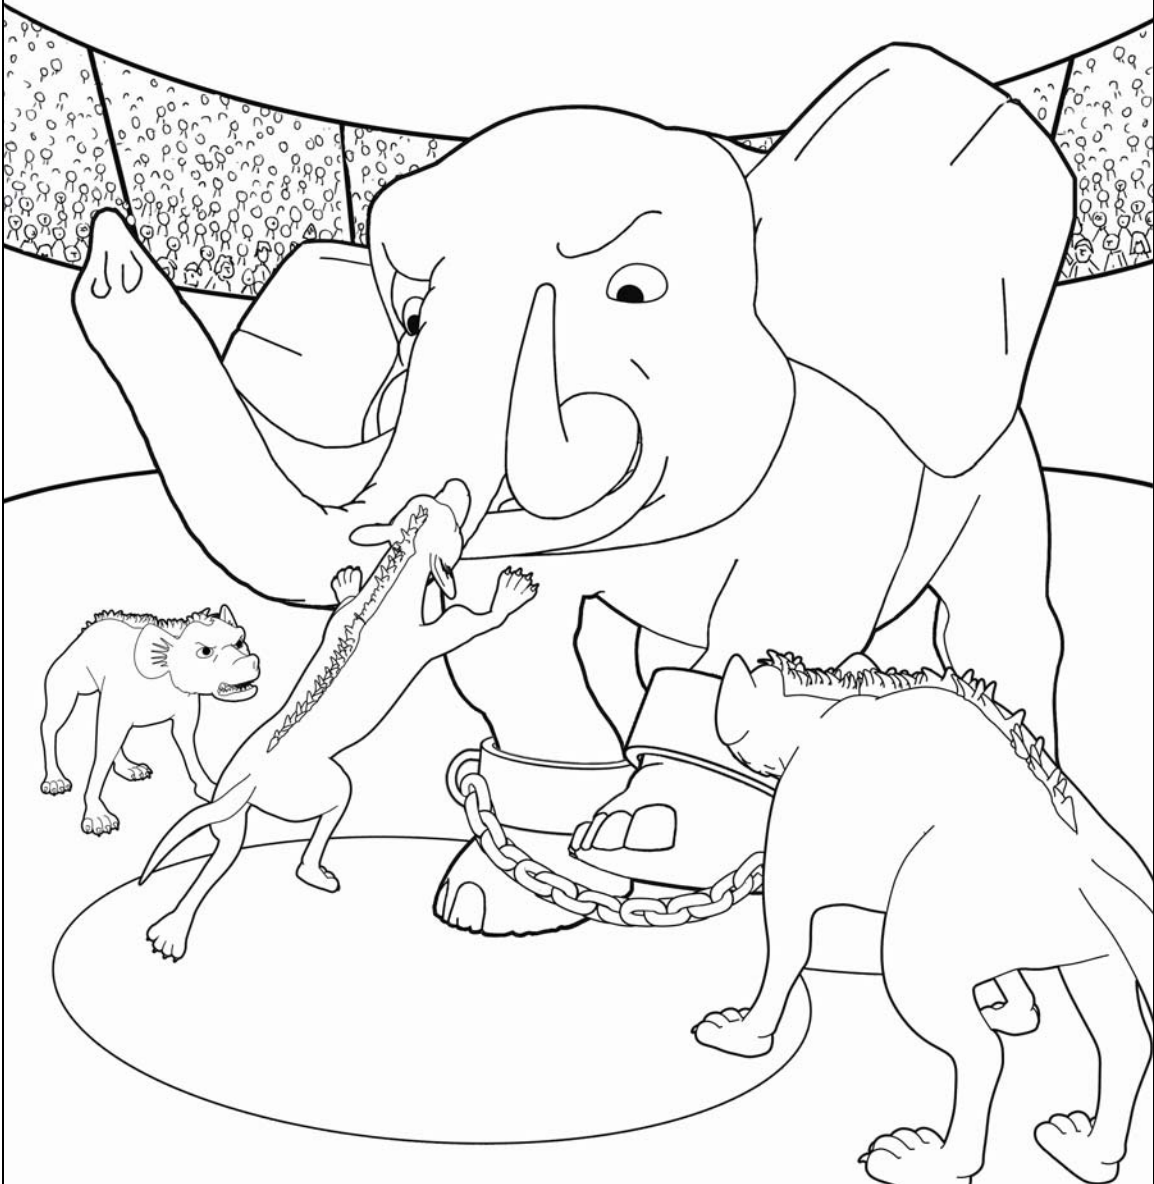

**When we landed, we were  
taken to the coliseum.**

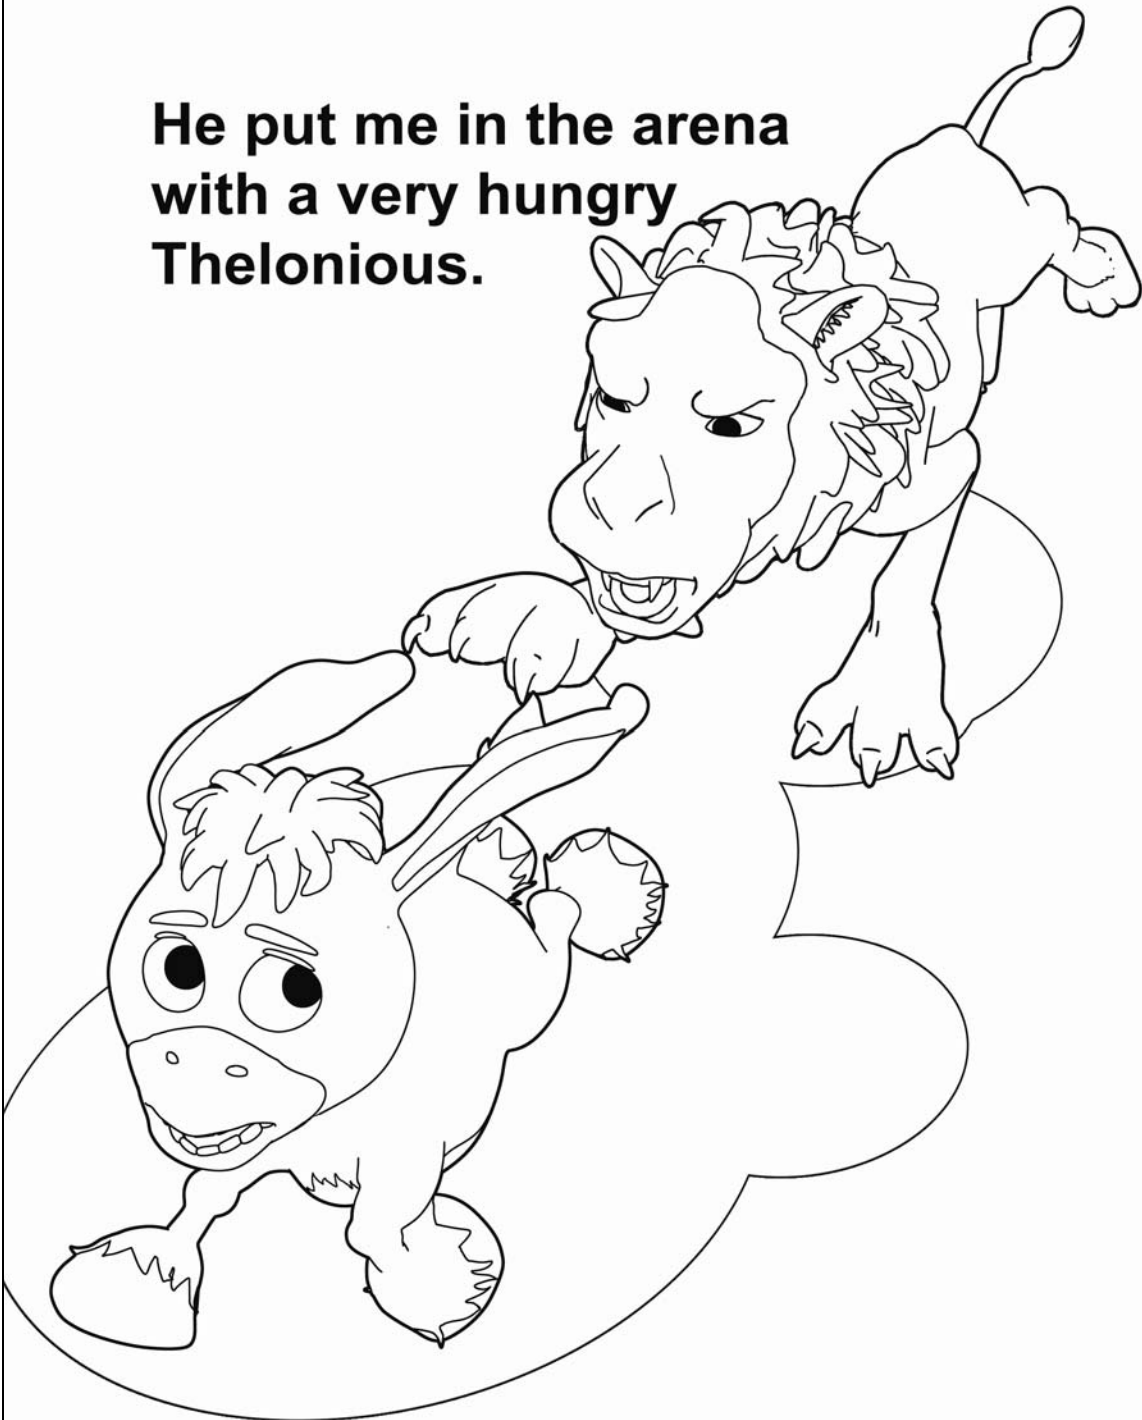

**We saw Muwanna's Uncle Hannibal.  
He was in the arena  
battling Hyenas.**

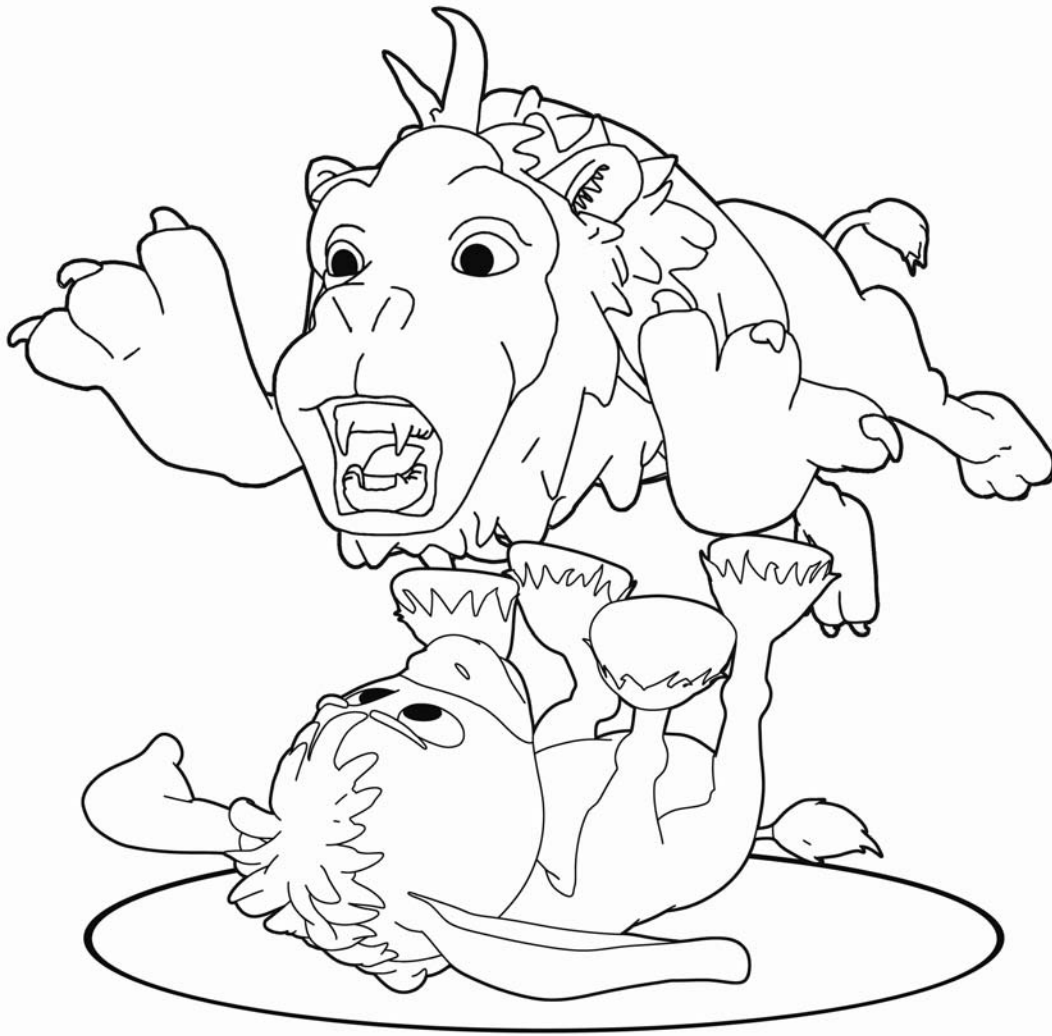

**Emperor Nero loved to watch  
animals battle to the death.**

**He put me in the arena  
with a very hungry  
Thelonious.**

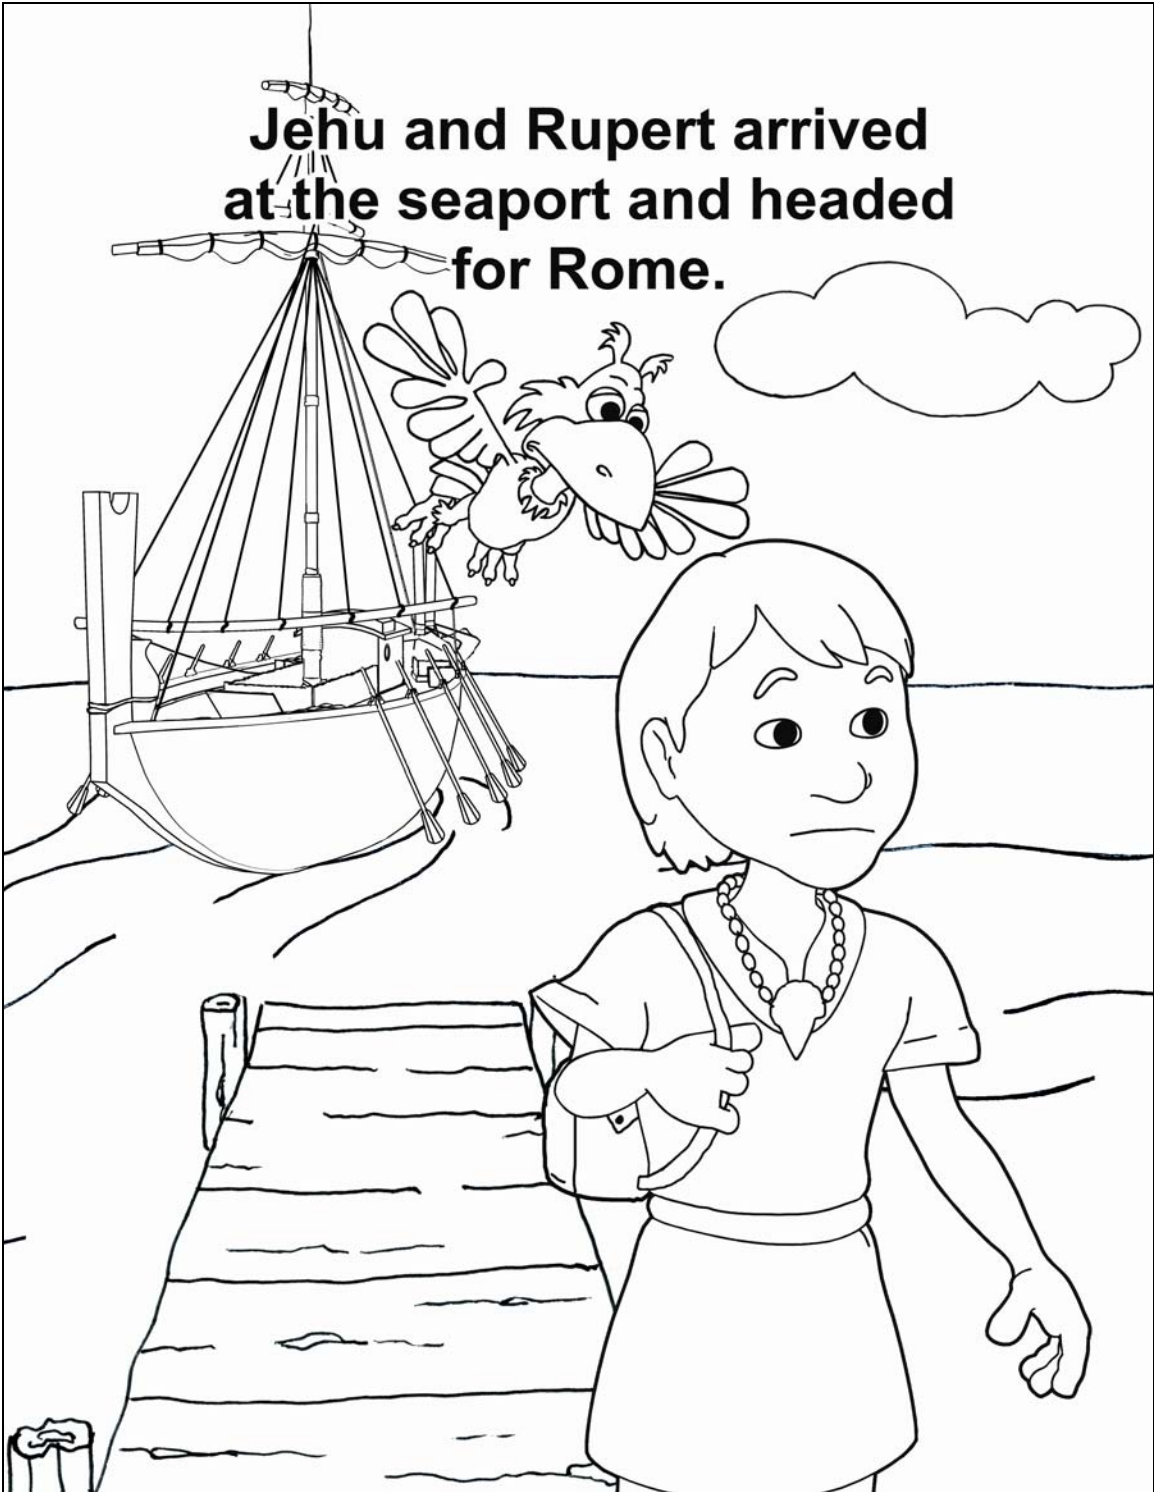

**I rolled over and kicked  
him to the ground.**

**Nero would set us  
free if I declared  
him as my God.  
I refused.  
He sent us to  
our cells.**

**Jehu and Rupert arrived  
at the seaport and headed  
for Rome.**

**Jehu was captured  
by Nero's Centurions.**

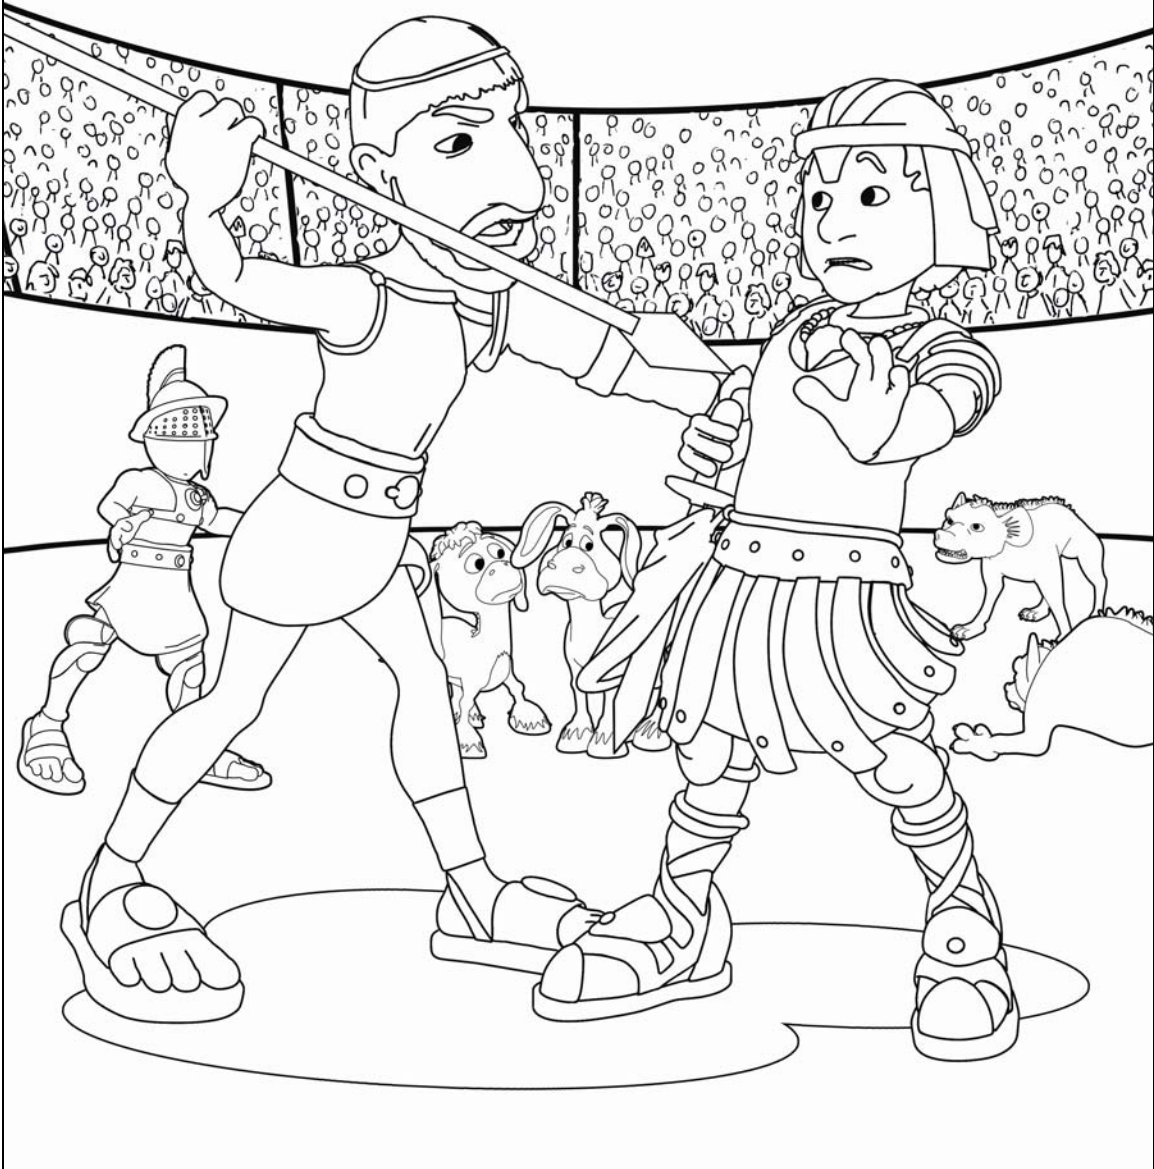

**Rupert flew for help.**

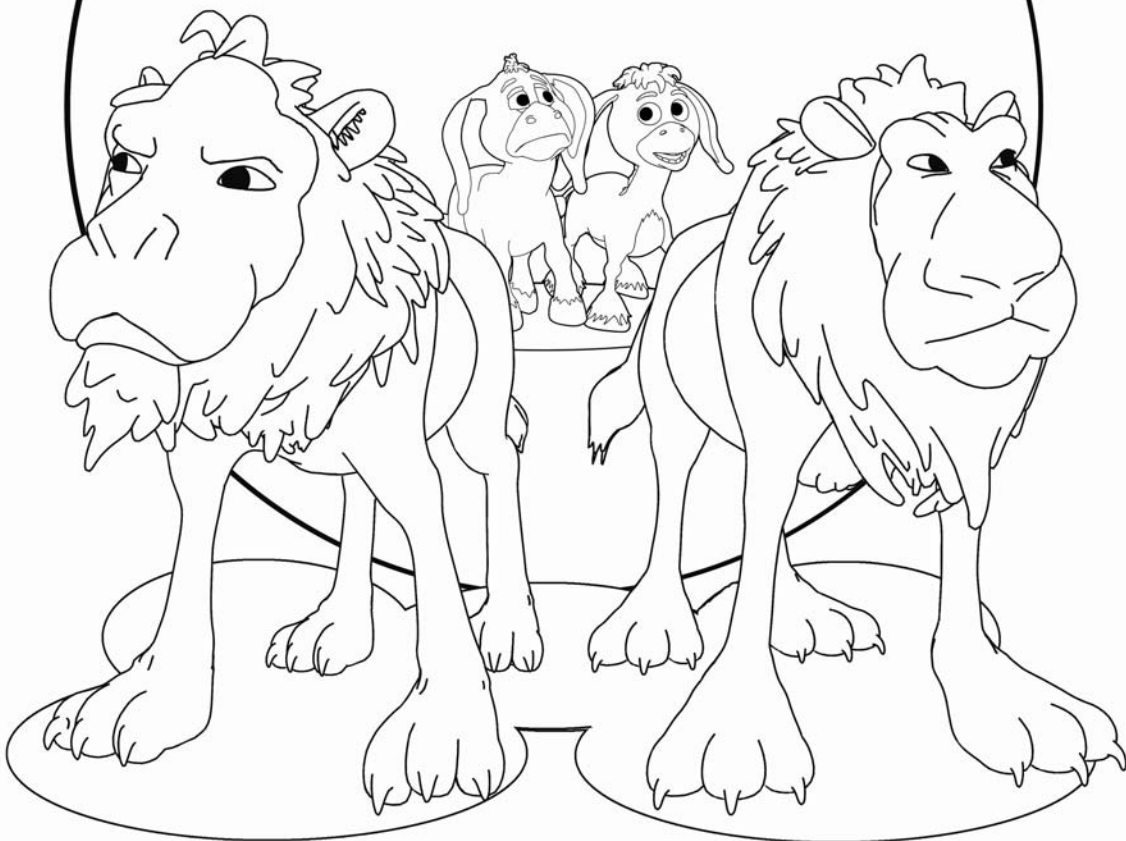

**Days passed. We prayed for our  
safety and the safety of all the  
other animals.**

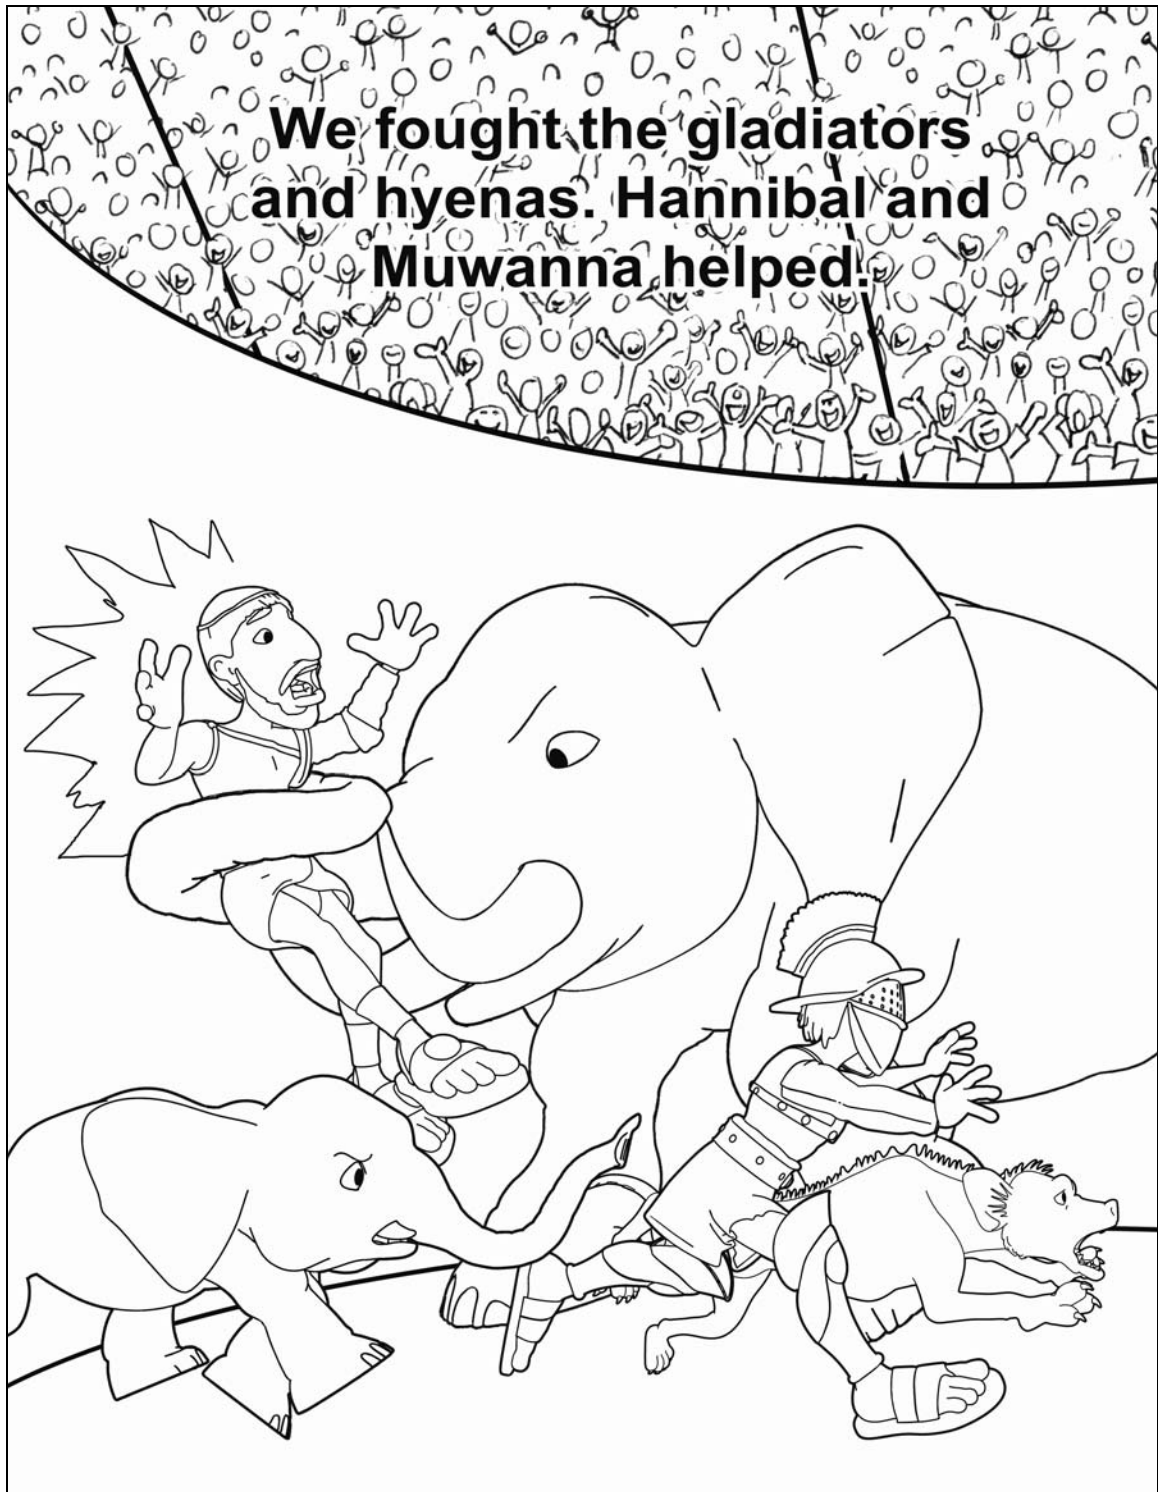

**One day we were all put in the  
arena with lions, hyenas  
and gladiators.**

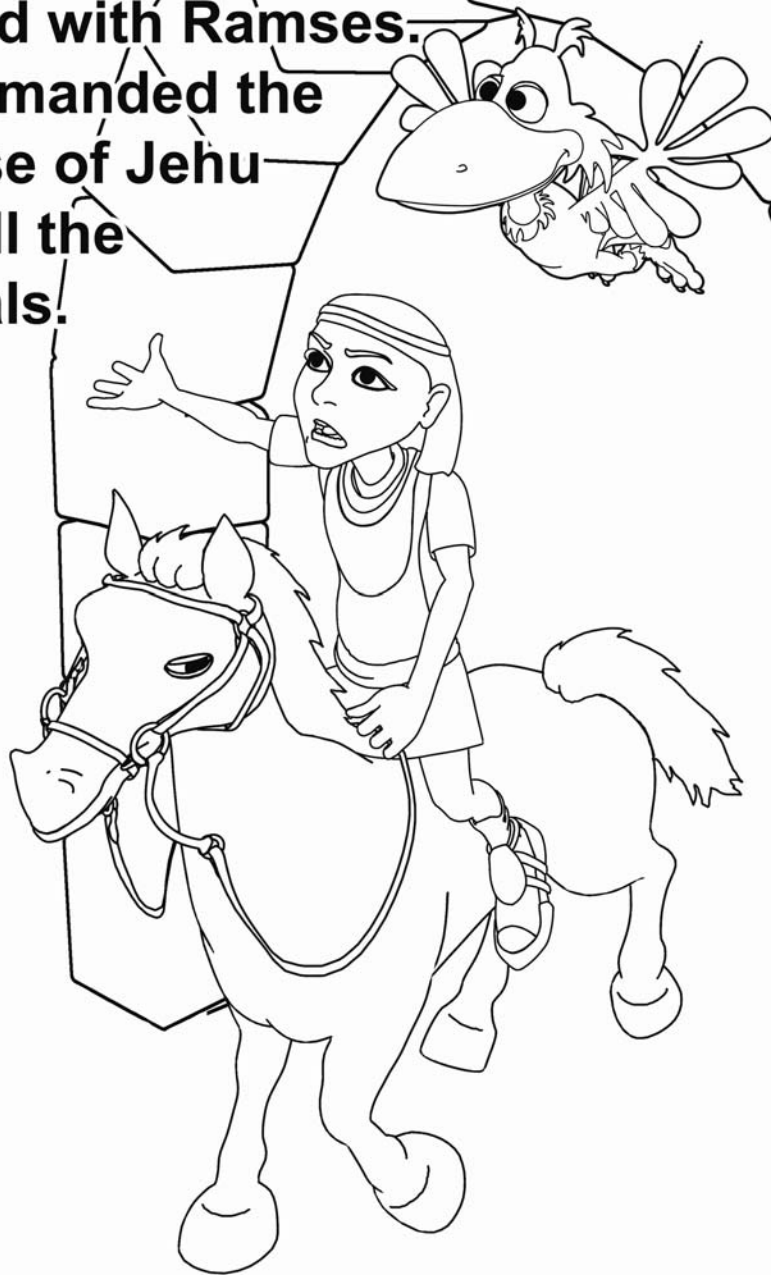

**But Thelonious  
remembered his promise.  
All the lions  
protected us.**

**Suddenly, Rupert  
arrived with Ramses.  
He demanded the  
release of Jehu  
and all the  
animals.**

**Reluctantly,  
Nero released  
us all.**
